### A

TWO JEWISH ANTI-ZIONISTS, ONE IN THE UK, ONE IN THE USA, WHO HAVE BEEN IN CONTACT WITH ME (ONE FOR MORE THAN THREE YEARS) OVER A GROWING DISCOMFORT AT THE LEVELS OF ANTISEMITISM THEY HAVE BEEN WITNESSING. I CANNOT SAY MORE WITHOUT PLACING THEIR IDENTITIES AT RISK.

EMMA FELTHAM. WITHOUT EMMA, THE FIRST PALESTINE LIVE REPORT WOULD NEVER HAVE BEEN PUBLISHED AND I WOULD HAVE FAR LESS MATERIAL TO WORK WITH NOW. EMMA IS A BRAVE FIGHTER AGAINST RISING ANTISEMITISM.

### C

JONATHAN HOFFMAN. HANDING SOMEONE A 200+ PAGE DOCUMENT AND EXPECTING THEM TO FIND GRAMMATICAL ERRORS \*AS A FAVOUR\* IS NO SMALL ASK. WITHOUT JONATHAN'S PATIENCE, CONSTRUCTIVE CRITICISM AND EYE FOR DETAIL NONE OF THESE REPORTS WOULD BE LEGIBLE.

### D

JUDITH AND GED ORNSTEIN. THE TIRELESS CREATORS OF THE WHITEWASHED DOCUMENTARY (THAT LOOKED AT ANTISEMITISM IN THE BRITISH LABOUR PARTY). OVER THE LAST FEW DAYS JUDITH AND GED PLACED A FINAL CRITICAL EYE OVER THE REPORT BEFORE PUBLICATION.

## Support This Research:

This research is fully independent. I am not affiliated with any political group or communal organisation. I believe this independence is important and adds to the integrity of the work.

I have been researching the Israel /Arab conflict since 1990 and fighting the delegitimisation campaign since 2000. For several years I have also been combatting rising antisemitism both on the far-right and far-left.

This work can and does make a difference. I was recently named by the Algemeiner as one of their 'J100', a list of the top 100 Jews worldwide, 'positively influencing Jewish life'.<sup>1</sup> The findings of my research have been covered in media across the globe.

The support I receive from those who understand the importance of the work, makes much of what I do possible. I simply could not do it without their kind and generous assistance.

The delegitimisation campaign against Israel and the rise of antisemitism are linked. I firmly believe we have no choice but to face it down. We \*HAVE TO\* be there to witness, report, expose and fight it. I believe we are fighting for the life of the diaspora.

A report such as this takes months to put together. If you can, please consider donating towards the ongoing research. Either a single donation, or if you can, a monthly contribution. Every amount is greatly appreciated. Research such as this is intensive, and at times expensive. We must shine a light into the shadows.

Support can be given via the donation button on my website:<sup>2</sup>

I have also opened a Patreon page for those who can contribute a few \$/£ on a monthly basis.<sup>3</sup>

## EXECUTIVE SUMMARY

This report is part of a wider intensive effort to investigate antisemitism within anti-Israel activism. Arguments over what is antisemitism are being publicly played out in media and political circles. This work sets the bar for antisemitism very high by completely discounting Israel-based antisemitism. If discourse over the Israeli / Arab conflict is removed from the equation, is antisemitism still present? If so, is it possible to quantify? Previous research found a clear correlation between levels of anti-Israel activity and levels of antisemitism. All the research to date has focused on the UK. A Facebook group containing many high-profile activists from the US, including group participation at a public demonstration, provided an environment with which to test this correlation across international boundaries.

The research draws several important conclusions:

- There are differences between the US and UK environments, but the high level of antisemitism within anti-Israel activity remains almost constant in both.
- Antisemitism is a key motivating factor in anti-Zionist activity, and it spreads like a virus within it.
- The concentration levels of (non-Jewish, non-Palestinian) anti-Zionists who share hard-core antisemitic ideologies registered at 63%. Almost half of these share white-supremacist or neo-Nazi material.
- Behind the closed doors of a hidden Facebook Group, politicians, leaders of self-titled 'peace groups', NGOs and those who run think-tanks, engage with hard-core antisemites, even while in public making emphatic denials that this racism exists.
- The network is large and effective.
- A small, but highly vocal group of Jewish anti-Zionist activists is engaged in using Jewish identity as 'a weapon' to deflect accusations of antisemitism.
- These Jewish anti-Zionists appear unable to identify hard-core Antisemitism. Jewish anti-Zionists blindly work alongside those who share white-supremacist material and rather than challenge the antisemitism, deny or belittle its existence.
- Public demonstrations that are described as 'left-wing' or 'in support of human rights' contains three main groups. Anti-Zionist Jews, Palestinians and antisemites. Half of the antisemites promote neo-Nazi, white-supremacist material.
- There is an industry of denial. Key Jewish anti-Zionist activists spend considerable effort in suggesting antisemitism allegations are a hoax. Media outlets churn out propaganda stating the same. Yet these people either know they are being deceptive or are unable to identify antisemitism, even in its most blatant forms.
- In anti-Zionism, 'far-right' and 'far-left' are obsolete terms that mislead.

Although the report discounts Israel-based antisemitism, it reaffirms the indivisibility of anti-Zionism and antisemitism. Antisemitism in all its guises must be called out. It has no place in public discourse.

## A DEFINITION OF ANTISEMITISM

My research sets the bar for antisemitism unnaturally high. Tolerance levels are raised to avoid deflective arguments over ‘criticism of Israel’. This approach is identical to the position taken in similar research into the English PSC and Scottish PSC in 2017 and the original reports into Palestine Live.<sup>4</sup>

Had the definition included comparing Israel to the ‘Nazi’ state, almost every person looked at would fail. In more direct language, according to the definition of Antisemitism published by the International Holocaust Remembrance Alliance (the IHRA definition), almost every group member that was identified displayed blatantly antisemitic views<sup>5</sup>.

This research is therefore disassociated from the Israeli-Palestinian conflict. Almost any reference to Israel’s treatment of the Palestinians, however antisemitic, is ignored. The research ignored talk of Israel committing genocide, of being as bad or worse than the Nazis and all manner of other distortions.

Another element that was not counted was the racist application of individual acts to label the actions of the state. So rather than the state being the vehicle through which people are enabled through their freedom, the state of Israel becomes vilified through the actions of its most extreme citizens. England, placed into a similar test tube, would become a nation that rapes and kills women because of Peter Sutcliffe.<sup>6</sup>

What has been considered ‘antisemitism’ in this research consists of three central elements:

- Holocaust denial/revisionism
- The mutation of Israel into a controlling global Jew (conspiracy theory)
- Neo-Nazi, white supremacist ideology. Fixation on Jews, classic antisemitic tropes

As the Scottish Sunday Times pointed out following the release of my report into the SPSC in July 2017, ‘you would need to work hard at it’ to be included in the research<sup>7</sup>.

## ANTISEMITISM INSIDE ANTI-ISRAEL ACTIVITY

Whether anti-Zionism is the same as antisemitism is a pointless discussion often used to deflect attention from antisemites. What matters is actuality. Wherever the Palestinian flag is flown, high levels of antisemitism are present. Research conducted into the English Palestine Solidarity Campaign suggested that the level of hard-core antisemitism amongst participants at a public anti-Israel protest was approximately 40%.<sup>8</sup>

Further research into a similar group in Scotland, that investigated levels in both a public protest and a speaking event, suggested the level was between 40 and 50%.<sup>9</sup>

Since then, \*every\* event that has been analysed, from street stalls, to spontaneous protests and large-scale events, returns the same results. Over 40% of anti-Israel activity is driven by those who promote hard-core antisemitic ideology. It seems difficult to escape the conclusion that standing with anti-Zionism is to align with a gang of hard-core antisemites.<sup>10</sup>

Two notable and consistent findings from the previous research. The first is that antisemitism is a motivating factor. Activity levels amongst hard-core antisemites are higher than amongst those who do not seem to be afflicted with the virus.

The second finding is that anti-Zionist Jews offset the high level of antisemitism. When Jewish people are removed from the equation, hard-core antisemites pass 60-65% of the participants. An analysis of online activity suggested that 73% of all activity within a group setting came from non-Jewish members who share antisemitic material.<sup>11</sup>

This suggests that on a cold wet winter's day, almost everyone who turns up to wave a Palestinian flag is either a hard-core antisemite or an anti-Zionist Jew.

There is a gulf between someone who protests some actions of the State of Israel, and movements like BDS that seek Israel's destruction.<sup>12</sup>

The intention of groups like Jewish Voice for Peace (JVP) and Jewish Voice for Labour (JVL) is to blur those lines.<sup>13</sup> This research helps to expose and address this relationship. It is important that people who are enticed by those who speak of 'human rights' are shown the true nature of those promoting BDS and opposing the State of Israel.

## INTRODUCTION

I have been fighting the encroachment of antisemitism into mainstream British politics for several years. I watched it advance. I have seen how difficult it is to fight and most importantly I have seen how it defends itself. Recently I have witnessed signs of this move to mainstream in the United States.

Antisemitism defends itself by attacking Jews and creating schisms in society. To do this effectively today they need to deploy anti-Zionist Jews. A fringe group of unrepresentative Jews who are reminiscent of the Russian Yevseksiya.<sup>14</sup>

**Anti-Jewish racists align with anti-Zionist Jews and together they attack the Jewish state.**

This history of this research was simple. I had begun to write a report but was moved to change direction after an incident in the US.<sup>15</sup> It resonated and I recognised that the Jewish community in the US is under attack, just as we in the UK have been.

I am not a psychologist and do not intend to attempt to explain why some Jews do not see what is directly in front of their eyes in flashing neon lights, nor what makes a Jew an 'anti-Zionist'. I am not someone who uses terms such as self-hater and I believe the underlying causes of Jewish anti-Zionism are manifold. The why is a question for someone else.

**What is of interest** to the research is the blindness or disregard of antisemitism; the clear alliance between antisemites and anti-Zionist Jewry; and finally, the deploying of a Jewish identity which defends and legitimises the racists who attack Israel.

This research was conducted to highlight that this relationship exists and to provide enough examples of such total blindness as to make its denial impossible.

This research should also act as a guiding light to liberal Jews, especially in the US. There is a huge gulf between disagreeing with some Israeli policies and joining forces with those who hate us. It is vital that we all see what is behind the mask of anti-Zionist activism.

Antisemites and neo-Nazis are not our friends, whatever clothes they are wearing. It does not matter what flag they wave or how they describe themselves. Behind closed doors there is a truly sickening alliance taking place. Maintain your criticism of Israel if that is where you political align, but **do not cross that divide**. BDS, anti-Israel activism, these people walk with the Nazis. Any alliance with these groups makes them stronger and Jews weaker.

This is not guilt by association. Guilt by association is suggesting someone is guilty just because they know someone who is. I am not accusing these anti-Zionist Jews of being antisemitic. I am suggesting there is a **conspiracy of denial** surrounding antisemitism and this report exposes the ideology of some of the people leading it.

## PALESTINE LIVE- a recap

Anti-Zionist Jewish activist Roland Rance had this to say about Palestine Live:

***“Anyone who actively participated in it... should have been able to see what an antisemitic cesspit it was”.***<sup>16</sup>

Palestine Live is a Facebook group with (as at 31/1/2019) 3000 members. That is a drop of almost 10% since the original Palestine Live report was published:<sup>17</sup>

Anti-Israel activist Elleanne Green created the group on 2 August 2013:

<sup>16</sup> Taken from comment made by Rance in a Facebook group shortly after the Palestine Live report was published, March 2018.

<sup>17</sup> On the day Palestine Live report was published, the group had 3288 members

It changed from 'Closed' to 'Secret' in early November 2014:

Elleanne Green is an admin of the group, and the most prolific contributor. She is well-linked with other activists across the globe. Possessing an impressive networking skillset, Elleanne Green turned Palestine Live into one of the largest, and best-connected of the anti-Israel groups. Palestine Live contains high-placed representatives from almost every anti-Israel activist organisation.

The aim of the group:

*'Created not so much for long and detailed discussion of words used and semantics but to gather together a group of good friends all of whom wholeheartedly support the people of Palestine in their struggle'<sup>18</sup>*

The description also contains the usual deflective comments about not being 'anti-Jewish' but being against 'racism and intolerance'.

Within days of the group's creation, there were dozens of members, most of whom were carefully hand-picked by Elleanne Green.

Secrecy and privacy were central elements of the group. Note Jacqueline Walker's comment and Elleanne Green's response:<sup>19</sup>

One of the first members was Pam Arnold (Pam Hardyment). These are two images from Arnold’s Facebook timeline (not the group). There are dozens, if not hundreds of such posts<sup>20</sup>:

<sup>21</sup> Seymour Alexander has long been connected to Kingston and Richmond PSC. See page 31 of the February 2017 PSC report, for examples of problematic posts [http://david-collier.com/wp-content/uploads/2017/02/170222\\_palestine\\_solidarity\\_campaign\\_report.pdf](http://david-collier.com/wp-content/uploads/2017/02/170222_palestine_solidarity_campaign_report.pdf)

<sup>22</sup> Alison runs the website 'If Americans Knew' see <http://ifamericaknew.org/> it has a distinct 'support Israel at America’s peril' attitude. 2013 Anti-Defamation League report here <https://www.adl.org/education/resources/profiles/alison-weir>

Within days, there were shares with links to antisemitic sites such as Rense.com. Within five days, someone had uploaded a copy of the notorious antisemitic forgery, Protocols of the Learned Elders of Zion.<sup>23</sup>

Many of the initial members were problematic. The issue seems to have been that the central figure of the group, Elleanne Green, is not best placed to decide what or who is antisemitic. These are her comments on Gilad Atzmon:

Note from the response in the first image, that Gilad Atzmon was a member of the group<sup>24</sup>.

The early days defined the future of the group. There was an exchange between Gilad Atzmon, and Mick Napier, based on an Atzmon article posted on 16<sup>th</sup> October 2013 that centred on antisemitism. Napier is Secretary of the Scottish Palestine Solidarity Campaign<sup>25</sup>.

<sup>23</sup> <https://www.britannica.com/topic/Protocols-of-the-Elders-of-Zion>

<sup>24</sup> Atzmon was born in Israel, lives in the UK, and has a long history of antagonising the Jewish community. See [https://en.wikipedia.org/wiki/Gilad\\_Atzmon#Reception](https://en.wikipedia.org/wiki/Gilad_Atzmon#Reception) for accusations of antisemitism. He has been rejected by almost all anti-Israel activist groups as an antisemite.

<sup>25</sup> The SPSC (see my report), is itself embroiled in difficulty with antisemitism. See also <http://www.telegraph.co.uk/news/2017/09/30/jeremy-corbyn-backed-groups-activists-hounded-jewish-business/> This makes Palestine Live too toxic even for groups knee deep in antisemitism themselves.

Napier was almost evicted from the group at the time. The group sided with Atzmon. From this moment, it was clear that rabid conspiratorial white supremacist websites were welcome, and their supporters were underpinning the group.

There are scores of posts of Elleanne either sharing Gilad’s work, or complimenting him. Perhaps if one asked some very basic questions, they might learn the truth about the HOLOCAUST. Most people have accepted the story given out by a group of people who have in reality EVERYTHING TO HIDE. They were talking about 6,000,000 (6 million) dead for at least 50yrs before Hitler came to power in 1933.

Here is a video about one persons awakening to the truth. He started out like everyone else by accepting the popular narrative then he asked the basic questions and came up with THE REAL TRUTH. 😊

When on the 14 August 2013, Khaleel Mohammed, professor of Religion at San Diego State University shared views in a post that were contrary to 'Greater Palestine', Elleanne Green became immediately offensive, calling him an "Agent Provocateur". When Pam Arnold attacked the professor and then threatened to leave the group, this is how Elleanne responded<sup>28</sup>:

 **Elleanne Green** 🇺🇸 It makes me rather sad that someone I don't know has driven away someone I have known quite a while and value - and to be honest I have much sympathy with the way she has reacted ...

This sense of seeing value within the views of those like Gilad Atzmon or Pam Arnold over more diverse or moderate voices, shaped the group. The Palestine Live group did not become corrupted through an increase of size, or over time. It was corrupted from the very beginning by the blind-to-anti-Jewish-racism attitude of its founder.

## PALESTINE LIVE – QUANTIFICATION

In early 2018, research was conducted to analyse the number of Palestine Live members who share antisemitic ideology with their friends online. Strict criteria were laid out. The content had to reflect hard-core antisemitic ideology (such as Holocaust denial or Rothschild conspiracy). The person must also have shared at least three separate antisemitic posts (the antisemitic posts did not have to have been shared within the Palestine Live group)

A two-week period was analysed. 794 posts were logged involving 86 different members. The results showed just how much of an antisemitic cesspit, Palestine Live was:

Of the 794 posts, 64% were shared by those who also share hard-core antisemitic ideology with their friends. When the Jewish contingent was removed the level jumped to 73%.

Over half of all the people who were active within the group (53%), shared hard-core antisemitic material with their friends. When Jewish posters were removed from the calculation, this jumped to 64%.

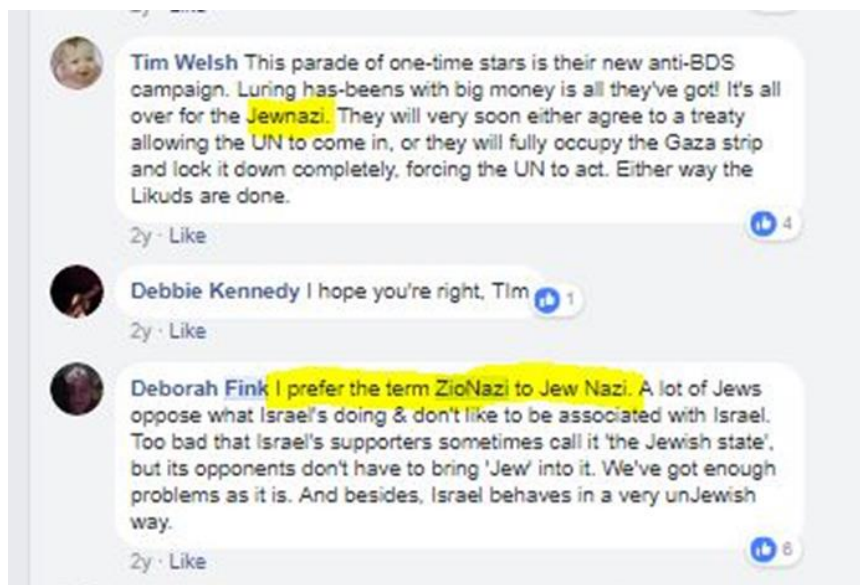

This creates an image of distinct groups of people. The antisemite, the Jewish person who legitimises the antisemitism and a third minority group, of naïve people who have been fooled by an endless stream of anti-Israel propaganda.

The union between groups of hard-core haters and Jewish people is not accidental. This is a post by anti-Zionist Deborah Fink taken from inside Palestine Live:<sup>29</sup>

An acknowledgement of the value of the anti-Zionist Jew as a political weapon.

Inside the group there was even evidence of collusion. Here is a post where a clearly antisemitic remark was met not with opposition, but with instructions about how to make it more palatable for a wider-audience. Deborah Fink creates a good Jew / bad Jew formula. This is a Jewish person teaching an antisemite how to cover up his antisemitism:<sup>30</sup>

## ELLEANNE GREEN

On the next few pages are examples of posts by founder and admin, Elleanne Green.

There is no need to go through the content of every post, but Israel is linked here to 9/11 and the terror attacks in Paris. Of note is the image on the top left, from 'Rehmat.com'. Rehmat is a blatantly antisemitic site and this post is clearly directed towards Jews and not Israel or Zionists. The article contains a video by 'Brother Nathanael' titled 'Satan at the Wailing Wall'.<sup>31</sup>

<sup>31</sup> Brother Nathanael is a well-known antisemite, who is dealt with suspicion by white supremacists only because he is a 'biological Jew'. See [https://rationalwiki.org/wiki/Nathanael\\_Kapner](https://rationalwiki.org/wiki/Nathanael_Kapner). The video discusses modern Judaism as a satanic ritual. It should be seen by any of those that suggest this is anti-Zionism and not antisemitism. <https://www.youtube.com/watch?v=94rcOVJBMQ>

Elleanne often shares stories from sites that are outlets for Holocaust Denial

Veterans Today, was often shared on Palestine Live. The founder editor is James Fetzer ‘an all-round conspiracy theorist’ who promotes Holocaust Denial<sup>32</sup>. The site often treats the Holocaust as a complete hoax<sup>33</sup>.

‘The Ugly Truth’ is a WordPress site that uses the tag-line ‘intelligent antisemitism for thinking gentiles’. It places the word ‘antisemitism’ in single quotes<sup>34</sup>. It is overladen with antisemitic images, Holocaust Denial and ‘Jews as the problem’ articles<sup>35</sup>.

Globalresearch.ca is a geopolitical conspiracist website<sup>36</sup>. If something goes wrong, then the ‘Jews’ did it<sup>37</sup>. The website 'politicalvelcraft', is described by Rational Wiki as 'ragingly racist and promotes bigotry of all kinds, including homophobia, Islamophobia and anti-Semitism'<sup>41</sup>.

The article is a historical retelling of the Rothschild Conspiracy, in which to create the 'New World Order', Rothschild becomes the evil villain behind every major conflict of the last 150 years<sup>42</sup>. Here is an example quote from the article:

*'1913 – SOCIAL DICTUM – Jacob Schiff sets up Rothschild's Anti-Defamation League (ADL) [Anti-Semitism] in the United States to Hide Behind: This was way before Hitler Was Killing Catholics & Jews In The Ovens Of Rothschild's Second Attempt At NWO Called WWII.*

*This organization is formed to slander anyone who questions or challenges the Rothschild global conspiracy as, "antisemitic." Rothschild is not a practicing Jew by Judaism or By Blood Line. He is a common Khazarian thug, but he likes to hide behind the word Jew as the coward he is when absconding people's wealth.'*

<sup>43</sup> O'Keefe appears in a video on the 'Crane Report', a conspiracy show run by conspiracy theorist Ian R Crane. See from 35<sup>th</sup> minute <https://www.youtube.com/watch?v=fPUoLFpQomg> O'Keefe is popular in conspiracy websites. When you listen to O'Keefe, Israel is generally at fault for everything. The Palestine Live site contains many examples of Holocaust denial, but not as many as might be expected given the quantity of Holocaust Deniers / Revisionists who are (or were) members.

Elleanne's response:

She did comment several times on this. **Note how the opposition is never to the subject, but to its presence in the group.**

Because of her importance to the group, and her centrality to several issues, there will be more examples of Elleanne's comments, shares and likes, throughout this report.

## PALESTINE LIVE – AFTER THE REPORT

Following the publication of the original Palestine Live report, about two hundred members removed themselves from the group. Two of the three admin changed, Tony Gratrex and Carol Foster were replaced by two Jewish members, Howard Cohen and Peter Cohen.

British / Israeli Howard Cohen was a member at the time. Cohen, incredibly, wrote a long letter in support of the group and alongside Elleanne Green, spent serious effort trying to have it published in the media:

**Howard Cohen** ▶ PALESTINE LIVE  
14 Mar 2018 ·  · Im thinking of sending off the letter to Electronic Intifada to see if it can get published there. We have had no luck with MSM - which perhaps is not surprising. What do people think of Electronic Intifada. Is it relevant to what is going on in the UK wrt the McCarthism taking place here...

Howard Cohen was born in the UK, lived for a long time in Israel and now seems to reside in France.<sup>44</sup> Cohen has written for Mondoweiss.<sup>45</sup>

In January and February 2018, Cohen posted only once in the group. In April, one month after publication, he posted fifty-three times. Who sees all that antisemitism and chooses to protect those that shared the hate sites? Here is Howard Cohen with Elleanne Green:

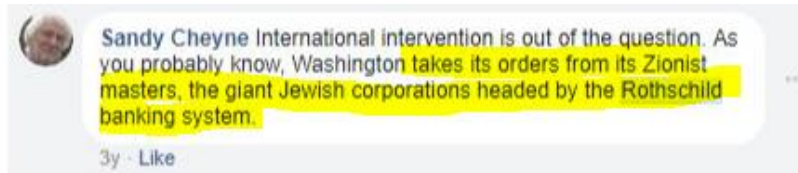

The fact he was willing to take on the role, having seen Elleanne Green's activity is bad enough, but there are many examples of total blindness or indifference to antisemitism. This is Cohen discussing the arrival of Jewish Voice for Labour on the scene:

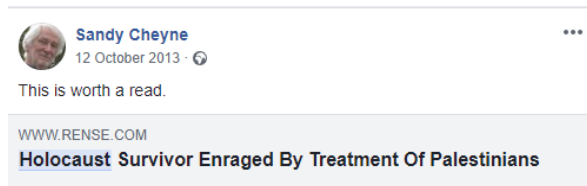

In that image Cohen responds to Cheyne, without criticism. So even though 'they know' who owns the MSM (mainstream media), the voice 'will pierce'. Who is Howard Cohen plotting against Jewish Zionists with? Who is Cheyne? Here is another of Cheyne's comments:

<sup>44</sup> <https://www.facebook.com/howard.cohen.505>

<sup>45</sup> See <https://mondoweiss.net/author/howard-cohen/> although why it describes Cohen as living in Israel is unclear. Mondoweiss is an online anti-Israel news outlet that has been described as a 'hate site' <https://www.washingtonpost.com/news/volokh-conspiracy/wp/2015/05/04/mondoweiss-is-a-hate-site/>

Here is Cheyne sharing Rense.com:<sup>46</sup>

Cheyne has also shared numerous Rothschild Conspiracy articles from Globalresearch.ca and yournewswire.com.

Here is another post, this time from Elleanne Green:

A visit to the homepage will soon show links to various white supremacist websites.

We see Howard Cohen once more in a thread, where comments are made about those who 'own' banks, politicians and 'thus' the world. Yet he carries on as normal. There is no need to post any more of Elleanne's posts. The 'owning the banks' comment was made by Rosemary Henke. Here are some of the posts she shares with her friends:<sup>47</sup>

Besides Cohen and Green, three people are present, Jo Anne Van Datta, Jonathan Adams and David Elkins.

Jo Anne Van Datta’s Facebook profile is behind tight privacy settings, so a search is restricted. Gilad Atzmon does tag her though and she responds to his posts. Nahida Izzat also tags Van Datta.<sup>52</sup>

Both Jonathan Adams and David Elkins dabble in conspiracy theory. Adams has scores of posts:<sup>53</sup>

These two are both more sinister than they look at first sight. The image on the left is not a deliberate antisemitic share, but is a reminder of a common theme, in which Holocaust images are used and misrepresented by anti-Israel activists.<sup>55</sup> The image on the right is a video of a talk by conspiracy theorist Ken O’Keefe. The event took place at ‘the London Forum’, a neo-Nazi, white supremacist group in London.<sup>56</sup>

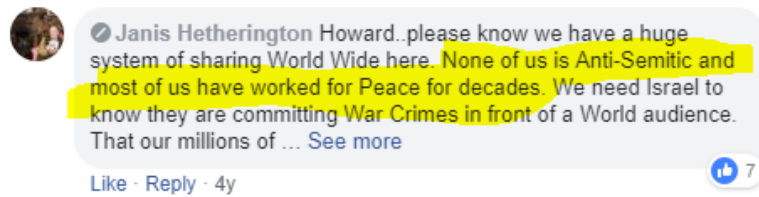

Here is another common scene. The anti-Zionist Jew using the antisemitic swamp to dogpile artists who have decided to perform in Israel. Other requests can be to sign a petition or write a letter of complaint. In this post Cohen is mobilising Jew-hate to attack the Jewish state:

<sup>55</sup> The image is actually from the liberation of the Nazi concentration camp at Nordhausen – see [https://upload.wikimedia.org/wikipedia/commons/7/7c/Corpses\\_in\\_the\\_courtyard\\_of\\_Nordhausen\\_concentration\\_camp.jpg](https://upload.wikimedia.org/wikipedia/commons/7/7c/Corpses_in_the_courtyard_of_Nordhausen_concentration_camp.jpg) for story about manipulation of image see <https://www.jns.org/pa-holocaust-abuse-photo-of-concentration-camp-victims-misrepresented-as-arab-victims-of-jews/> If you image search ‘Deir Yassin’ you will see how common this is.

<sup>56</sup> The video link Elkins used is no longer available but is still accessible elsewhere. The video is full of talk of Jewish power. See [https://www.youtube.com/watch?v=i7aB5-vMG\\_k](https://www.youtube.com/watch?v=i7aB5-vMG_k) A Mail article on the London Forum can be seen here <https://www.dailymail.co.uk/news/article-3045115/Nazi-invasion-London-EXPOSED-World-s-Holocaust-deniers-filmed-secret-race-hate-Jews-referred-enemy.html>

This welcome message was directed towards Howard in the very first thread he entered, when he joined the group:

Yet Janis has a fixation with non-Zionist Jews and has 'known for decades' about the Jews of North London, 'protected' by the 'evil' Board of Deputies, who work for Mossad.<sup>57</sup>

<sup>57</sup> The report can be seen here <https://www.independent.co.uk/news/world/americas/ultra-orthodox-rabbis-ban-women-from-going-to-university-in-case-they-get-dangerous-secular-a7204171.html> - this has nothing to do with Zionism at all.

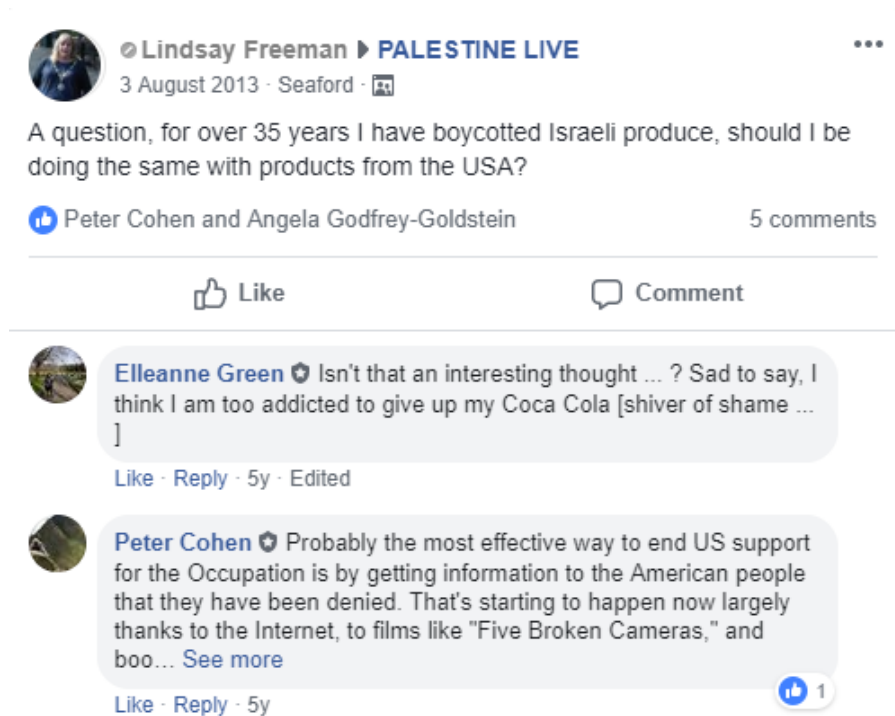

It would be possible to post hundreds of examples involving Howard Cohen in the presence of antisemites in a group he chose to defend. Strangely, although Howard Cohen is always surrounded by antisemitism in the group or those that share it, he almost never sees any of it.

The other new admin, American Peter Cohen, had originally helped form the group with Elleanne but had returned to 'help' at the difficult time.

The same question arises. Look at the original Palestine Live report. What type of Jewish person would look at the report, see evidence of hundreds of people who share hard-core antisemitism material and 'want to join the group'?

This is the first article I could find, that Peter Cohen had responded to in the group. 3<sup>rd</sup> August 2013, within hours of the group's birth:

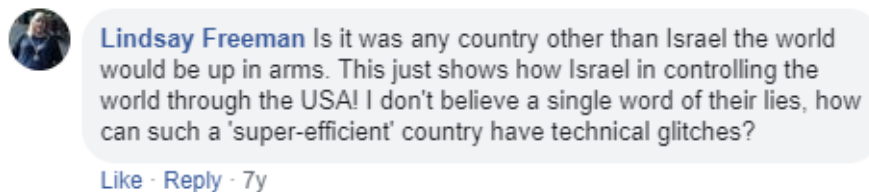

A discussion over the boycott. Cohen giving advice to Freeman and Green about how best to end US support for Israel.

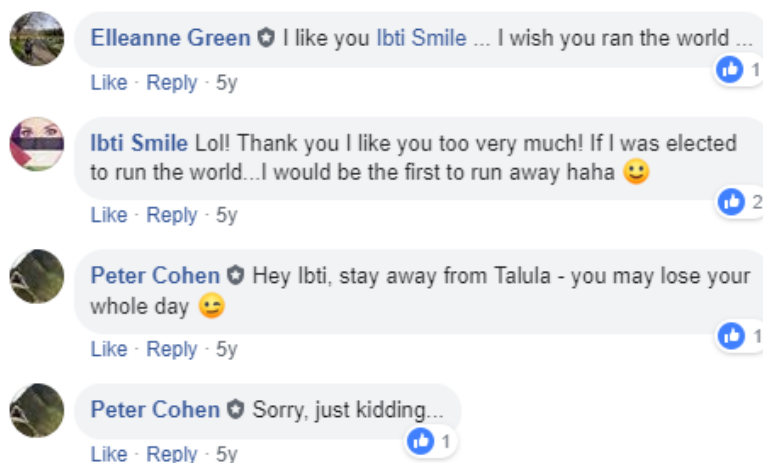

This is one of Freeman’s posts: Talking about Palestinians as the true ‘Semites’ and Israelis as ‘fake Jews’.

As a point of note. Lindsay Freeman appears to be a **sitting councillor of the Lib-Dem Party for Seaford South**.<sup>58</sup> Lindsay is a long-time believer that Israel ‘controls the world’.<sup>59</sup>

Which means that in that thread Peter Cohen is advising two people who clearly share antisemitic ideology how best to strategise. Another thread from 2013, from his first stint in the group. These are not selective, it is possible to take almost any thread from the group given the members.

<sup>58</sup> <https://twitter.com/lindsayfreeman7> and <https://www.seafordtowncouncil.gov.uk/news/Elms-for-Armistice-Project.aspx> and [https://www.leweslibdems.org.uk/town\\_councillors](https://www.leweslibdems.org.uk/town_councillors)

<sup>59</sup> I released these images before the publication of this report. Since the publication, Lindsay Freeman was suspended by the Lib-Dem. <https://www.theargus.co.uk/news/17476254.lindsay-freeman-suspended-from-lib-dem-party-after-online-comments/>

Paris is under lockdown due to multiple attacks, already we are hearing that the gunmen have shouted "this is for Syria" "Allah Akbar" ....

While its sad to hear that innocent ppl have been killed, and others injured, and reports say, there are hostages taken.

I want to point out that the last attack on Paris using the Charlie Hebdo cartoon as to attack... israel called out for all French Jews to come to Palestine, BUT French Jews told israel "Fuck off".

Strongly believe ONCE AGAIN as israel has ALWAYS done ... false flag ... israel wants the French Jews been dying to get the French Jews ... they wouldnt ask for the American Jews, they need them in America ... but any attack in Europe ... israel calls the Jews to come to Palestine ... usually when one illegal settlement has passed and been completed.... Which it has and been waiting for occupancy for year and a half.....to be called "French Settler Quarters."

The Rothschild article is here <https://politicalvelcraft.org/2014/10/14/rothschild-czar-bill-gates-to-face-trial-in-india-millions-of-children-poisoned-by-vaccine/> Remember, these websites promote Holocaust denial. The posted 'false-flag' comment is following the November 2015 Paris attacks, Tarin also 'liked' several other posts suggesting ISIS attacks in Europe were Israeli false flag attacks.

<sup>63</sup> There were scores of qualifying Zoe Foster posts. She also appears to run two accounts, with the other visibly worse than this one. A firm believer in global 'Zionist' power and the drive for the 'Greater Israel' project.

Just months before 9/11, the World Trade Center's lease was privatized and sold to Larry Silverstein.

Silverstein took out an insurance plan that 'fortuitously' covered terrorism.

After 9/11, Silverstein took the insurance company to court, claiming he should be paid double because there were 2 attacks.

Silverstein won, and was awarded \$4,550,000,000.

Which means that everyone in that thread, in which Peter Cohen was asking for support, promote antisemitism.

It would be possible to use dozens of examples, filling hundreds of pages to highlight how Peter Cohen swims with antisemites. Just to press home the argument, I will provide one more. In both these images, Peter Cohen responds to a post by Tony Gratrex:

The image shows two side-by-side screenshots of Facebook posts. The left screenshot shows a post by Tony Gratrex from May 24, 2018, sharing a link to the group 'PALESTINE LIVE'. The post text asks, 'The idea for one democratic State is not new. But is it attainable?'. Below the text is a photograph of a wall with graffiti and two white doves. The post is titled 'The one-state solution is the only solution' and includes a comment from Peter Cohen: 'The problem is that the Israelis have no incentive to change. That is why only sufficient pressure must be applied, as it was with South Africa.' The right screenshot shows a post by Tony Gratrex from May 18, 2018, sharing a link to the group 'PALESTINE LIVE'. The post text says, 'It's taken Justin Trudeau Canada's Prime Minister usually a defender of Israel rather a long time to finally become "appalled" by Israel's behaviour.' Below the text is a photograph of a medical professional attending to a patient on a stretcher, with a 'MEDECINS SANS FRONTIERES' sign in the background. The post is titled ''Appalled' Trudeau calls for inquiry after Canadian doctor wounded in Gaza' and includes a comment from Peter Cohen: 'I saw some Canadian Zionists discussing how to get rid of him.'

Gratrex has a '9/11 truth' profile picture and was an admin of Palestine Live until the report was published and exposed the antisemitism in the group. Gratrex likes his conspiracy stories:

The image shows two screenshots of Facebook posts by Tony Gratrex. The top post is dated 16 November 2015 and contains the text: 'Not all are duped. Policital author Gearoid Colmain discusses Parris attacks with RT International'. The bottom post is dated 15 November 2015 and contains the text: 'The Paris Terrorist Attacks and the "Official Story": The Matrix Extends Its Reach.'

Tony is also fixated on the notion of 'Jewish power'.<sup>68</sup>

This issue of a small fringe group of Jewish people swimming with antisemites is an important one. It confuses ‘outsiders’ and blurs lines when Jewish people like Peter Cohen stand with Holocaust Deniers and Rothchild Conspiracy theorists. Here is Peter Cohen, coming down on the side of the antisemites, in the argument over antisemitism in the Labour Party.<sup>70</sup>

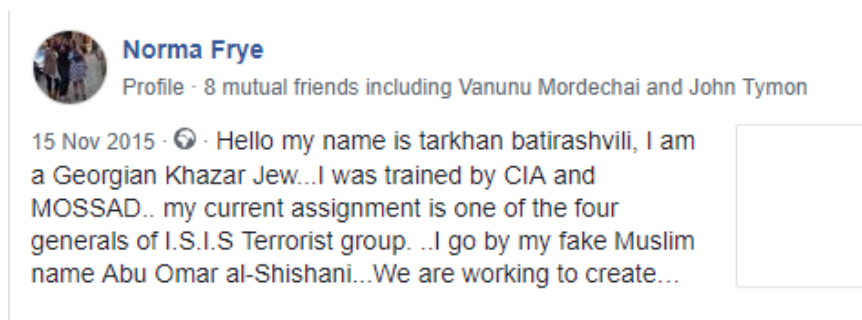

Both of those visible names above who ‘liked the post’, Elleanne Green and Anna Elliott, have shared material from hard-core racist websites that even promote Holocaust Denial. No wonder they applaud him.

The only other change inside Palestine Live that took place ‘post-report’ was that Elleanne Green began to publish a welcome message to anyone new she invited into the group. A message to welcome the newcomers to the ‘non-racist’ group. Cosmetic lipstick on an antisemitic pig. Here is Elleanne welcoming Norma Frye:

Norma Frye is just more of the same:<sup>71</sup>

<sup>71</sup> The Holocaust denying website Frye links to no longer exists. A quick look at the site and article as it appeared in November 2015, leaves little room for doubt <https://web.archive.org/web/20151130223740/http://www.localterror.com/hello-my-name-is-tarkhan-batirashvili-my-fake-muslim-name-abu-omar-al-shishani>

The Website Sonja most frequently used - stopdebezetting.com (end the occupation) seems to have been closed. The website ran into trouble when The Center for Information and Documentation Israel (CIDI) and the Dispatch Center for Internet Discrimination (MDI) filed a complaint against the foundation for antisemitic articles

The Internet is the new front in the war against the Jewish propaganda and disinformation. Sites like Radio Islam, IHR (Institute for Historical Review) spread facts that the Zionists try to hide, and that to a wide and steadily growing audience. In panic - seeing their lies exposed - the Jews use dirty means like sabotaging web pages and threatening Internet providers. They also try to impose "hate" legislation and special computer filters against information that hurts their propaganda. They also organize - via Israel's government - Jewish groups all over the world to monitor and control information in Wikipedia and Youtube.

Apart from that many of the main instruments of Internet usage are in the hands of dedicated Zionist Jews like Google (Sergey Brin, Larry Page), Facebook (Mark Zuckerberg, Sheryl Sandberg, Dustin Moskovitz) Yahoo! (formerly Terry Semel), MySpace (Tom Anderson, Richard Rosenblatt, Travis Katz), Wikipedia (Jimmy Wales, Larry Sanger, senior editor David Miller aka Shankbone), eBay (Jeff Skoll).

The Jews have also organized special sites like MEMRI and the SITE-institute to propagate Israeli propaganda and to generate hatred by Westerners against Muslims and Arabs. The scope of this Jewish effort was clearly seen during and immediately after the 2008-2009 murderous assault on the Palestinians in Gaza.

Welcome to 'non-racist' Dan Frank:

This unbelievable post has no link but was shared 112 times. 'Zionists' controlled the slave trade. With what, with their Tardis?

I stop because the point has been proven. There is no need to go through every addition to the Palestine Live group. These people were all accepted into the group within weeks of the Palestine Live report being published. All welcomed with a message opposing racism.

Nothing changed in Palestine Live. Two Jewish admin were added, both blind to antisemitism and willing to happily swim with hard-core antisemites. Those two admin knew about the report but still chose to add legitimacy to the group by giving it the 'Jewish' defence. And Elleanne Green welcoming racists with a meaningless cosmetic message. Palestine Live is as much a swamp for antisemites as it was before.

## METHOD

The primary source for the research was the membership of the Facebook group Palestine Live. The group is toxic; has a high concentration level of antisemites; is off-grid; and secret. It is a contained group so there are no casual visitors; everyone inside has been invited to the party. This creates a test-tube environment.

The research looked at the activity of high-profile anti-Zionists. Many of them are Jewish. It recorded the alliances that were clearly exhibited and then proceeded to identify how many of the non-Jewish participants actively share antisemitic material, with extra attention paid to those sharing neo-Nazi or white-supremacist websites.

**Not all the shares referred to took place inside Palestine Live.** The research is not trying to suggest every share of white supremacist material took place inside Palestine Live. However every website referred to at one time or another has been shared within the group. Participants in the conversation inside Palestine Live had their wider Facebook activity checked and examples of antisemitic shares that were found have been presented.

Apart from the high-profile activists, there was no attempt to identify people outside of the virtual world. Antisemites for the purpose of this research are a concentration level or statistic. Their real-life identity has no relevance.

To maintain integrity and accuracy there was almost no attempt to cross platforms. For this reason, **it should be assumed the research provides a conservative estimate of the concentration levels of people who share antisemitic ideologies and neo-Nazi material.** Some Facebook profiles are not accessible, and there are those who are active on Twitter but keep their personal FB page relatively clean.

The description 'neo-Nazi' or 'white-supremacist' was taken from websites that monitor such behaviour, such as Mediabias/Factcheck, RationalWiki or Wiki itself.<sup>77</sup>

The designations 'right-wing' and 'left-wing' have been dropped completely. The researcher no longer accepts these as reliable measures or a workable distinction. Whether or not they ever had historical relevance, they are redundant in today's political environment and entirely distort the image of the societal forces at work.

Holocaust Denial is defined as the denial of a systematic industrial genocide of the Jews.<sup>78</sup> Historical revision - the result of serious scholars analysing historical material and making new findings - is a legitimate academic exercise. The type of post anti-Zionist activists share is clearly denial and viciously antisemitic.

Dormant members, that is people who are members of Palestine Live but have not posted inside it - are either excluded entirely from the research, or if mentioned, their inactivity is explicitly highlighted.

In May 2011, Prime Minister Benjamin Netanyahu's speech to the Joint Session of Congress on Tuesday was disrupted by a protester calling to stop the Israeli occupation in Palestine.<sup>79</sup>

The heckler was identified as Rae Abileah. from an organization called 'CODEPINK'. Abileah is a member of Palestine Live:

On the next 50 pages, we set out evidence of Codepink activists in contact with sharers of hard-core antisemitism; Codepink activists aligning with antisemites to attack Israel. We begin with **Jodie Evans** because in her profile picture she has cynically deployed the #togetheragainstantisemitism hashtag:

This is a rare image inside a group in which '9/11 truth' profiles rule the day. This means Evans would see antisemitism and be able to identify who the antisemites are - right? As you will see in the following thread, such an assumption would be wrong.

Green's antisemitism is well documented. Inside the comment stream are also Derek Dunbar and Maxwell Ryder. Derek's profile is under tight privacy conditions, so access to his posting history is limited.

He does however have clear issues with Jews:

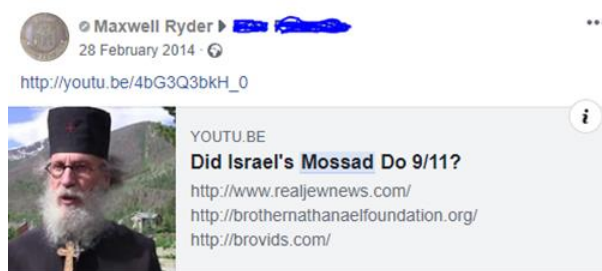

Here is another:

Maxwell Ryder is not so shy:

Rehmat1 is a rabidly antisemitic website.<sup>84</sup> In the 'about section', the author proudly boasts of his articles being shared on websites such as 'rense.com', 'veteranstoday' and mycatbirdseat (now defunct).<sup>85</sup> Here is Ryder sharing Brother Nathaniel.<sup>86</sup>

Jodie Evans might use a hashtag that suggests she is ‘together against antisemitism’ but given the associations here, perhaps ‘together with antisemitism’ would be more appropriate.

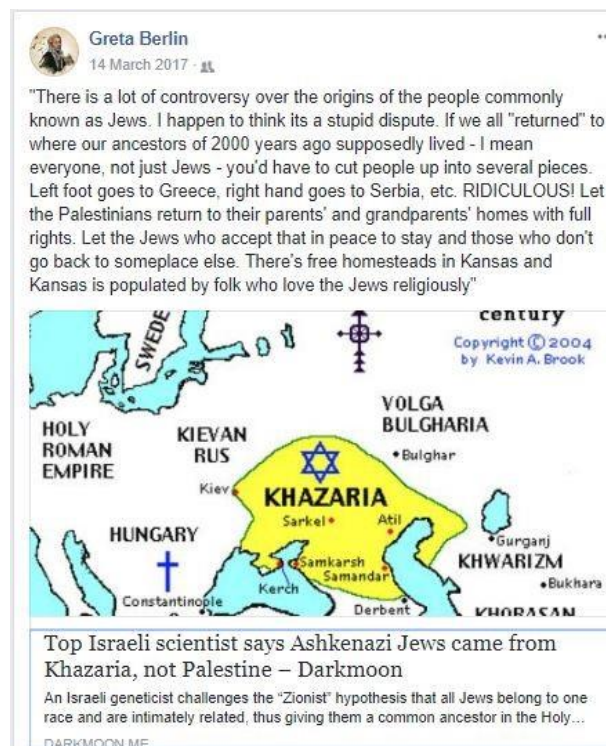

**Medea Benjamin** co-founded Codepink. Here is a message from Medea to Jackie Walker, who is currently under suspension from the British Labour Party over allegations of antisemitism. Walker has been suspended twice and faces an expulsion hearing in March 2019.<sup>87</sup>

This is Medea posting her ‘love’ to Greta Berlin:

Here is one of Greta’s posts:

Greta shared Darkmoon. Darkmoon is a rabidly racist, ‘white-supremacy’ website. The most recent article on the Darkmoon website was about *'Refugees from all over the world'* and asked *'What can we do to stop this invasion of our homelands?'*.<sup>88</sup> ‘Darkmoon’ also writes for the white separatist, holocaust denying, Renegade Tribune<sup>89</sup>

And of course, Medea and Elleanne are friends:

Medea can be seen responding to dozens of Elleanne Green posts. Here is one comment, when Green announces Jeremy Corbyn has won the 2016 leadership election.<sup>90</sup>

There are more LGBT people than Jews in the country, where is their 'special' voice ? There are more pen where's their influence, more black and Asian, who speaks them? Those Jews that feel this way are also the ones who steadfastly silent about the incremental genocide taking place in the illegal state of Israel. The people of this country know right wrong, they are choosing truth, justice and transparency, J Corbyn will see they get it.

Remember this image of Elleanne and Medea taken whilst Benjamin was in London?

Well these are the comments underneath:

So Elleanne and Medea are two of Ariel Gold's 'favourite people'. A reminder of an Elleanne Green comment. Just one of hundreds:

Here is Green under a David Duke post. The article was in Dailystormer, another American neo-Nazi, white supremacist, website shared inside Palestine Live:<sup>97</sup>

It is time to look at Gold's activity in the antisemitic swamp with members of Palestine Live. Ariel Gold turns to the antisemites of Palestine Live looking for support:

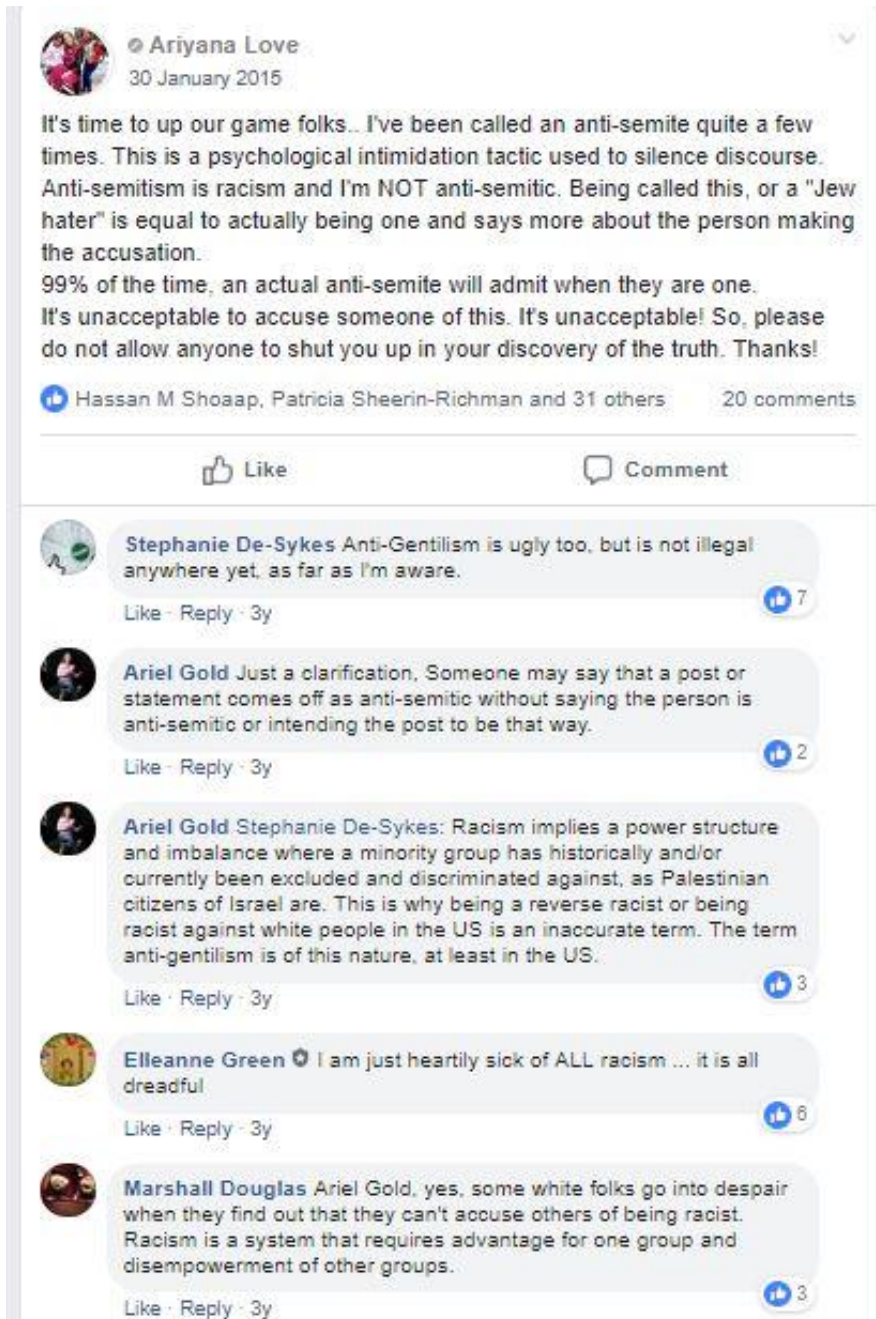

Gold is another one who disgracefully virtue signals with a 'together against antisemitism' profile picture at the same time as she hangs out with antisemites to demonise Israel:

<sup>97</sup> [https://en.wikipedia.org/wiki/The\\_Daily\\_Stormer](https://en.wikipedia.org/wiki/The_Daily_Stormer) for article see <https://dailystormer.name/81855/> for David Duke see [https://en.wikipedia.org/wiki/David\\_Duke](https://en.wikipedia.org/wiki/David_Duke)

This cannot be said often enough. **Not one of the Codepink activists in this report was seen identifying or hitting back against antisemitism even once inside Palestine Live.** A group that is overrun with hard-core antisemitism. They didn't see it? They chose to ignore it? Which of these excuses is acceptable?

So how does Ariel Gold act around allegations of antisemitism? Look at this thread:

This is a discussion of 'racism' and 'antisemitism'. Four people are visible in this thread. Ariyana Love, De-Sykes, Green and Douglas. Let's look at who Ariel Gold is playing with.

Ariyana Love suggests she has been called an antisemite ‘a few times’, this is some of what she has posted:

Holocaust Denial.<sup>98</sup>

She also shared the same post inside a group called ‘Exposing the Rothschilds’. This is part of the exchange that followed:<sup>99</sup>

Blatant Holocaust Denial. The Red Cross myth of 300,000 victims.

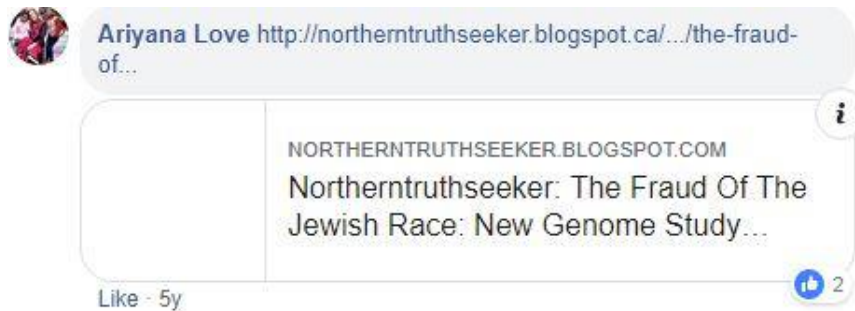

<sup>98</sup> See article <http://www.middleeastrising.com/international-red-cross-report-confirms-holocaust-six-million-jews-hoax/> Holocaust discussion where professional historians engage in debate over specific details is legitimate and can be called ‘revision’. Rewriting history, blaming Jews for the Holocaust, creating a conspiracy around the events of WW2 or suggesting only a small number of Jewish people died – that is denial.

<sup>99</sup> The Facebook group is found at <https://www.facebook.com/groups/1461478934108274/> the post was made on 27 October 2016

Rothschild Conspiracy.<sup>100</sup>

Not sure what antisemitic category to put this one:<sup>101</sup>

And another Holocaust denial post:<sup>102</sup>

<sup>100</sup> See article from Middle East Rising <http://www.middleeastrising.com/brief-summary-rothschild-crime-syndicates-activities-middle-east-elsewhere/>

<sup>102</sup> See original article <https://theuglytruth.wordpress.com/2013/12/23/i-dont-deny-any-holocaust-do-you/>

Next in the thread with Ariel is Stephanie De-Sykes. This is some of what she shares. We start with the Charlie Hebdo conspiracy:

And a little further down the comment section:

Or in this one. Conspiracy theorist Tony Gratrex shares an article written by Alan Hart published on the website 'redressonline'. It's a triple whammy. Stephanie's comment to such an antisemitic environment is simply to congratulate Tony for positing the article and to say, 'spot on'.<sup>103</sup>

<sup>103</sup> <http://www.redressonline.com/2015/01/how-western-policy-assists-the-transformation-of-anti-israelism-into-anti-semitism/>? Also see on Alan Hart, ADL report page nine <https://www.adl.org/sites/default/files/documents/assets/pdf/anti-semitism/united-states/911-conspiracy-theories-2011-8-30.pdf> and an example of the leaning of the redressonline site, an article by Gilad Atzmon defending Holocaust denier Alison Chabloz. <https://www.redressonline.com/2018/06/the-zionist-lobbys-erosion-of-freedom-of-speech-in-uk-the-case-of-alison-chabloz/>

The next comment is on a 9/11 'all roads lead to Israel' video.<sup>104</sup>

After Ariel comments in the thread, Elleanne Green does. There is no need to reproduce dozens of examples from Elleanne's portfolio. I'll just repost one:<sup>105</sup>

An article that blames the Holocaust (and every other major event) on the Jews. Far-right conspiracy. An extract:

*"1913 – SOCIAL DICTUM – Jacob Schiff sets up Rothschild's Anti-Defamation League (ADL) [Anti-Semitism] in the United States to Hide Behind: This was way before Hitler Was Killing Catholics & Jews In The Ovens Of Rothschild's Second Attempt At NWO Called WWII. This organization is formed to slander anyone who questions or challenges the Rothschild global conspiracy as, "antisemitic." Rothschild is not a practicing Jew by Judaism or By Blood Line. He is a common Khazarian thug, but he likes to hide behind the word Jew as the coward he is when absconding people's wealth."*

<sup>104</sup> <https://www.youtube.com/watch?v=oU769fPCWSo>

<sup>105</sup> See <https://politicalvelcraft.org/2014/08/05/rothschilds-state-of-israel-the-midnight-cowboy/#more-100239>

And yet Green is one of Gold's 'favourites'. Here they are together again in another thread as Gold uses the haters of Palestine Live to generate support for boycotting Israeli products.

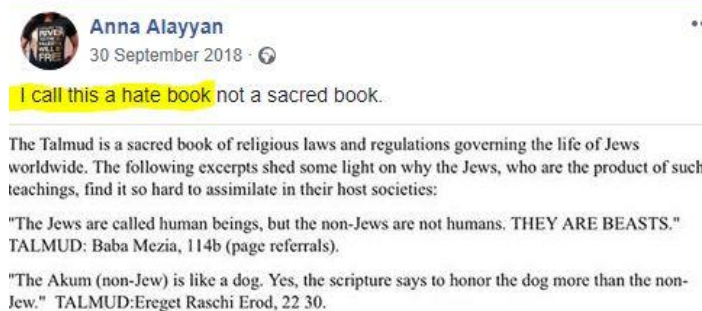

Every time you see an action against Israel, how much of the support is coming from people who share hard-core antisemitic ideology?<sup>106</sup> Green is telling everyone to support the GreenStar boycott, by using the image provided and sharing on your wall. Jews and antisemites working together to attack the Jewish state.

<sup>106</sup> See report on Ithaca boycott. <https://legalinsurrection.com/2015/05/huge-bds-loss-greenstar-food-coop-rejects-israel-boycott/>

Here is the type of support for that GreenStar boycott that posts in Palestine Live bring - antisemites following orders. Anna Alayyan shares the image in solidarity:

And here is Anna Alayyan sharing Holocaust denial, Khazar myth and endless antisemitism:

**David Birkett** Good ol' Noam, and of course you must be aware Jacqueline that plainly and simply put, Israelis and NOT Semites. Israels are merely European Colonists. As I say to my dwindling number of Jewish friends, "I'm more Semite than any AshkeNazi Jew could ever be."

As an "historical fact, and across the last century, far from being persecuted; Zionist, Bolshevik Communist Jews have been at the very forefront of persecution and attempted destabilization and overthrow of various countries throughout Europe. Helping to bring about their own German government's defeat 1918 and Declaring War on Germany in 1933.

Holocaust: Not even one body, of thousands autopsied by US medical examiners across ALL camps after World War II exhibited any signs of dying from ANY type of "Gas"poisoning. Nor evidence of any viable gas chambers for the purpose of killing humans. And NO verifiable death toll above that of which was stated by the sealed official Red Documents discovered in 1979 of 273,000 for ALL prisoners of which Jews were the vast majority. But very much less than many other ethnic groups.

Yet it is a historical fact that the 80% Jewish dominated Bolshevik Communist Soviet regime murdered in excess of 60 million Russian Christians between 1919 and 1953. So Israeli behavior towards Palestine is nothing new in the history of Jewish Zionist Bolshevik behavior.

Nobel Laureate Aleksandr Solzhenitsyn wrote:  
"You must understand, the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human sla all time. The fact that most of the world is ignorant and un about this enormous crime is proof that the global media i hands of the perpetrators."

You cannot get away from it within the group. Wherever you are, whoever you post alongside. There is hard-core antisemitism. This a share from Jake Moose Turner:

**Why would the Jews make up the 'holocaust' ?**  
**Jews want you to feel sorry for them ... why ?**  
Because any group of people viewed as "victims" tend to be allowed much leeway within society.  
Perceived "victims" get away with doing all kinds of questionable acts (simply consider what Israel gets away with) because of human tendency to side with the perceived underdog/victim.  
Hence, most people naturally think, "oh give them a break... haven't those poor people suffered enough..."  
This tactic works like a charm.  
**smoloko.com**

Since the Pittsburgh shooting, Smoloko (last image on previous page) \*finally\* seems to be offline. A favourite for a certain type of anti-Israel activist, it was described as a far-right/Nazi apologist/neo-fascist/white nationalist/white supremacist/anti-Semitic' website.<sup>111</sup>

Just to show the link to the Neo-Nazis is not accidental, here is another Moose Turner post to the Renegade Tribune:<sup>112</sup>

<sup>113</sup> Part of the Codepink action [https://www.codepink.org/women\\_s\\_march\\_on\\_the\\_pentagon](https://www.codepink.org/women_s_march_on_the_pentagon)

In total, twenty-three activists are tagged into that action on the Pentagon:

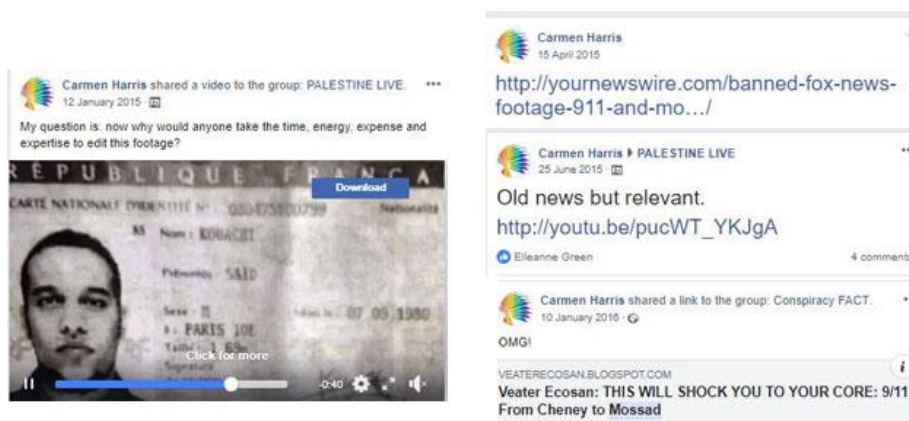

An astonishing eight, are members of Palestine Live: Josie Lenwell, Leslie Harris, Ann Wright, Medea Benjamin, Jody Evans, Tighe Barry, Ariel Gold, Paki Wieland. Eight activists. All members of an antisemitic swamp. Remember, not one of these people was ever seen confronting antisemitism in the group. Ariel Gold even responded to a post by someone who shares hard-core antisemitic ideology, with some watered down 'clarification' message.

Here is Lenwell responding to a post by another Palestine Live member Carmen Harris:

Harris likes her conspiracy theories. She shares posts blaming Israel for everything from 9/11 to Princess Diana:<sup>114</sup>

Another Lenwell comment on a thread, this time on a post by Noorhei R Evonlady:

Noorhei Evonlady doesn't always share material about Jimmy Carter:

Holocaust denial, Rothschild conspiracy and neo-Nazi websites. The article on the left blames everything on the Jews, suggesting *'those most responsible for the deaths of Jews in WW II were in fact the Rothschild Zionists, the Ashkenazi fake Jews'*.<sup>115</sup> The article on the right is also Holocaust denial, this time from the defunct and virulently antisemitic 'endzog'. Evonlady also shared material from the rabidly antisemitic website politicavelcraft.<sup>116</sup>

You'll note unlike most, she was not added to the group by Elleanne Green. Gilewski was added by Brian Edouard Curdy.

Here is Gilewski commenting on a post by Elleanne Green (on her personal FB page):

In the thread is Amber Gilewski, telling Elleanne Green, an activist who has shared every conceivable type of antisemitic post, to 'give AIPAC hell'.

Elleanne Green, Max Blumenthal, Robert Martin and Miko Peled are in the image (all Palestine Live members).

Teaming up against AIPAC in the thread are Green, Steve Goossen, Maggie Roberts, Lorna Singh and Nes Lowe. Of those listed, only Maggie Roberts does not seem to have also been a member of Palestine Live:

There is no need to add another Green post at this stage, so we can start with Steve Goosen:

The above is a Facebook post from 'If Americans Knew'. Hardly surprising seeing as Alison Weir is a member of the group. The post pushes 9/11 conspiracy and points the finger of blame towards Israel.<sup>120</sup>

The video above is no longer on YouTube. Like many of the rancid conspiracy videos, it has been deleted or the account removed. There is no way to know exactly which one it was, but at the time, the 'acronym' ISIS as Israeli videos were popular.<sup>121</sup>

Back to the thread. Lorna Singh has tight privacy settings, but some of her comments leave little doubt about support for conspiracy theories.

Check Singh's second one, that leaves American Jewish support for civil rights as part of a grand scheme to manipulate others into supporting Israel. There's also ISIS as Israel conspiracy, Jews believing they should 'own everything' and a statement that 'Zionists are responsible for all the wars in the world':

The second comment is from Lorna Singh, replying to Susan and stating "Why call it propaganda? They do believe that they are superior and should own everything." This second comment is highlighted with a yellow circle.

And finally, there is Nes Lowe, who gives a brief account of her understanding of Rothschild Conspiracy:

**Nes Lowe**  
11 February 2015 · 🌐

The Rothschilds (German Jews) had more money than governments and didn't want it confiscated, they needed a safe haven to protect their wealth. The Rockefellers and Rothschild Zionists set up their "Federal" Reserve in 1913 along with their criminal collection agency the IRS. The Balfour Declaration of 1917 showing the intent to make a "Jewish" state in Palestine, against the Torah.

("...United Kingdom's Foreign Secretary Arthur James Balfour to Baron Rothschild (Walter Rothschild, 2nd Baron Rothschild), a leader of the British Jewish community, for transmission to the Zionist Federation of Great Britain and Ireland. His Majesty's government view with favour the establishment in Palestine of a national home for the Jewish people...")

Then the Rothschild and Rockefeller families create the UN and about 1948 take over Palestine using their alliance with the British and the UN; Party A (Britain) gives Party B's property (Palestine) to Party C (Rothschild's Zionist Israel). Israel is the head of the snake and the "Federal" Reserve. – Nicky Nelson

At the end of her post, Nes Lowe credits 'Nicky Nelson'. Nelson is a 9/11 truther, a member of Palestine Live and a commentator who appears on websites such as the 'Liberty Beacon'.<sup>122</sup> She is also an admin of the FB group 'Truthers against Zionist lobbies'.<sup>123</sup> Which Jewish person should be aligning with this crew to attack AIPAC?

From the start (the person who added her to Palestine Live), through her interactions with Elleanne over AIPAC and the activity of almost everyone who was also in the thread – Gilewski was surrounded by antisemitism.

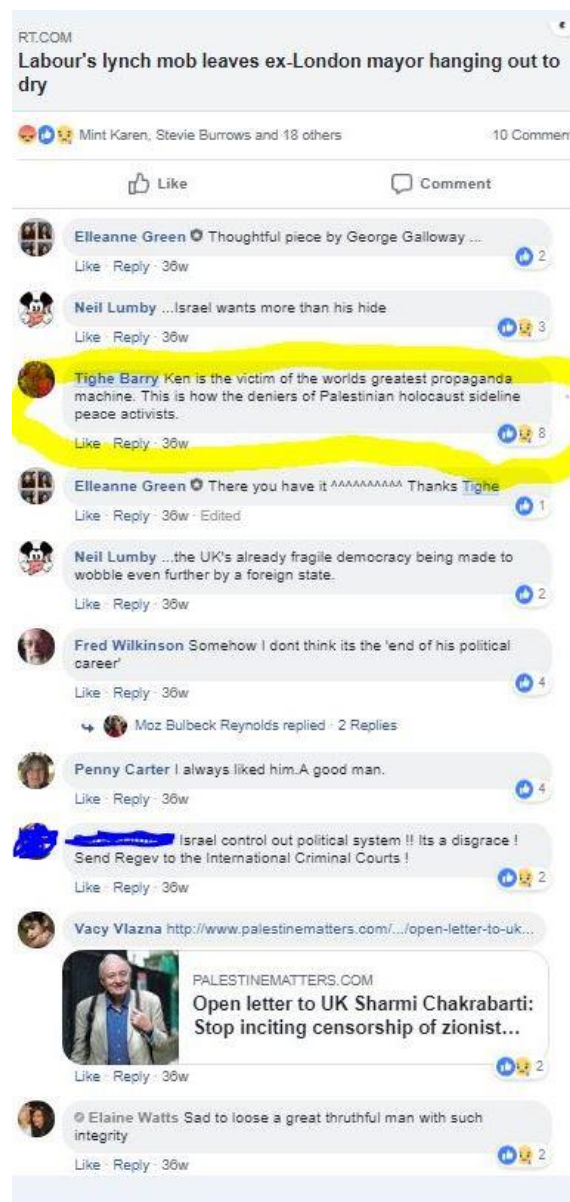

<sup>122</sup> See Nicky Nelson author page on Liberty Beacon <http://www.thelibertybeacon.com/?s=Nicky+Nelson> see rating of Liberty Beacon as a far right biased conspiracy/pseudoscience website <https://mediabiasfactcheck.com/the-liberty-beacon/>

Tighe Barry is another Codepink activist who is a member of Palestine Live:

This is a thread that Tighe Barry commented on. It was the share of an article in Russia Today by George Galloway.<sup>124</sup> Russia Today is Russian funded and is a known distributor of propaganda.<sup>125</sup> George Galloway is a UK political figure with a long history of support for regimes hostile to the west.<sup>126</sup>

<sup>124</sup> <https://www.rt.com/op-ed/427424-ken-livingstone-london-uk/>

<sup>125</sup> <https://mediabiasfactcheck.com/rt-news/>

<sup>126</sup> [https://en.wikipedia.org/wiki/George\\_Galloway](https://en.wikipedia.org/wiki/George_Galloway)

In this thread along with Tighe Barry are Green, Neil Lumby, Fred Wilkinson, Penny Carter, Vacy Vlazna and Elaine Watts. As no evidence of antisemitism (as defined by this research) was found against one of the contributors, their identity has been protected,

The article was about the suspension and eventual resignation of Ken Livingstone from the British Labour Party. Livingstone had stated that *'Hitler was supporting Zionism before he went mad and ended up killing six million Jews'*.<sup>127</sup>

Tighe Barry suggested Ken was a victim of the *'world's greatest propaganda machine'*. That this is just a smear by *'deniers of Palestinian holocaust'*. So, who was he talking to?

Examples of posts from Elleanne Green have already been highlighted in this report. This leaves Penny Carter, Neil Lumby, Fred Wilkinson, Vacy Vlazna and Elaine Watts. Let's see who Tighe Barry is attacking British Jewry with.

This is a RECENT Penny Carter post, spreading the conspiracy that Mossad agents were leading ISIS and behind 9/11:<sup>128</sup>

<sup>127</sup> [https://en.wikipedia.org/wiki/Ken\\_Livingstone#Suspension\\_from\\_the\\_Labour\\_Party](https://en.wikipedia.org/wiki/Ken_Livingstone#Suspension_from_the_Labour_Party)

Who else was Tighe Barry belittling antisemitism with – Neil Lumby:

Both posts are Rothschild Conspiracy from the extreme racist website ‘Politicalvelcraft’.<sup>129</sup> Then there was Fred Wilkinson:

The Dailycrusader website (Mossad false flag article on left) no longer exists (archive link provided). The article on the right is from a neo-Nazi website.<sup>130</sup>

<sup>129</sup> <https://politicalvelcraft.org/2013/08/28/hungary-kills-the-rothschild-imf-banks-ordered-to-vacate-country/> and <https://politicalvelcraft.org/2011/05/08/greece-to-exit-from-rothschilds-european-union-banking-scheme/>

<sup>130</sup> Dailycrusader was a rabid conspiracy website. The next person in the thread with Barry was Vacy Vlazna. Vlazna is the ‘coordinator’ of ‘Palestine Matters’ a non-profit organization based in Sydney, Australia.<sup>131</sup> Vacy shared this post inside at least fifteen Facebook groups:

The article blames the Jews for everything. It creates a history in which the Jews provoked a reluctant Hitler into placing them into camps. The Holocaust is a made-up story.<sup>132</sup> The article was written by Holocaust denier Brandon Martinez.<sup>133</sup> Which just leaves Elaine Watts:

The article on the left is not accessible because the vile website ‘endzog’ no longer exists and it is not clear which article from the site was being shared. It is yet another example of a white-supremacist, neo-Nazi website being promoted in Palestine Live.<sup>134</sup> The video on the right is a talk by Holocaust Denier Eustace Mullins.<sup>135</sup>

It is difficult to understand how Tighe Barry can possibly justify belittling antisemitism in a secret group, alongside people who share such vile anti-Jewish ideology.

<sup>131</sup> See <https://www.facebook.com/JusticeForPalestineMatters/> or <http://www.palestinematters.com>

<sup>132</sup> The website no longer exists. The article is archived <https://web.archive.org/web/20170307120634/http://www.intifada-palestine.com/2014/04/century-deceit-iraq-world-wars-holocaust-mythology-zionist-militarism/>

Codepink activists are all over Palestine Live. Anna Kaminski is a member but does not seem to have done any more than like a few Elleanne Green posts.<sup>136</sup>

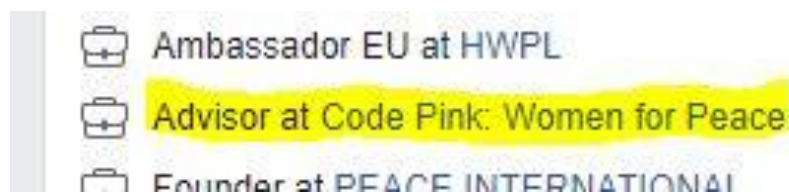

Leslie Harris another part of the Codepink / Palestine Live alliance:

Harris also seems to have done little more than post in the group once or twice:

Leslie Harris is also part of Veterans for Peace, who seem to work hand in hand with Codepink (David Ross and Dan Shea from Veterans for Peace are also members of Palestine Live).<sup>137</sup> Khan Usman Wpip is listed as an 'advisor' at Codepink, and he has been tagged into several of their posts.<sup>138</sup>

<sup>136</sup> See reference to Kaminski on Codepink's website [https://www.codepink.org/peace\\_activists\\_protest\\_aipacs\\_bellicose\\_policies\\_re\\_iran\\_and\\_palestine\\_during\\_aipac\\_summit](https://www.codepink.org/peace_activists_protest_aipacs_bellicose_policies_re_iran_and_palestine_during_aipac_summit)

He is also a long standing and highly active member of Palestine Live:

Like Leslie Harris, Khan Usman seems tied to several organisations. The ‘WPIP’ in his Facebook name stands for a ‘foundation’ he co-founded called ‘World Peace is Possible’.<sup>139</sup>

Usman made 100s of comments or posts in Palestine Live. Usman has of course responded to posts from the key players of the group.

Both Gratrex and Green have shared endless material from racist or antisemitic conspiracy-based websites. Here’s another example containing both:<sup>140</sup>

On the next page is another thread in which Usman commented. There were dozens of examples to choose from, but I did not want to use one with names I have presented before. Part of this exercise is to emphasise just how all-encompassing is the level of participation from people who share antisemitic ideology. Every thread one posts on is tainted by someone who shares racist material.

<sup>139</sup> This seems to be the Facebook group associated with WPIP <https://www.facebook.com/groups/WorldPeacelsPossibleOfficial/about/>

<sup>140</sup> The video is another hate video from ‘Brother Nathaniel’ [https://www.youtube.com/watch?v=4bG3Q3bkH\\_0](https://www.youtube.com/watch?v=4bG3Q3bkH_0) this one about the Jews being behind 9/11.

Remember, Palestine Live is a secret environment. People choose to be active inside, posting and commenting is voluntary, and membership is by invitation only. This isn't a public forum and therefore the existence on every post, in every thread, of people who share Holocaust denial and / or Rothschild conspiracy is a clear indictment of the problematic membership of the group.

Elleanne Green shares the Aljazeera article. Three new names can be seen in the thread; Mari Zadeh, Diana Beamish and Neal Bradley:

Much of Beamish's Facebook activity is behind privacy barriers, but her posting inside Palestine Live is ample evidence:

Another two comments from Beamish:

These from Mari Zadeh:

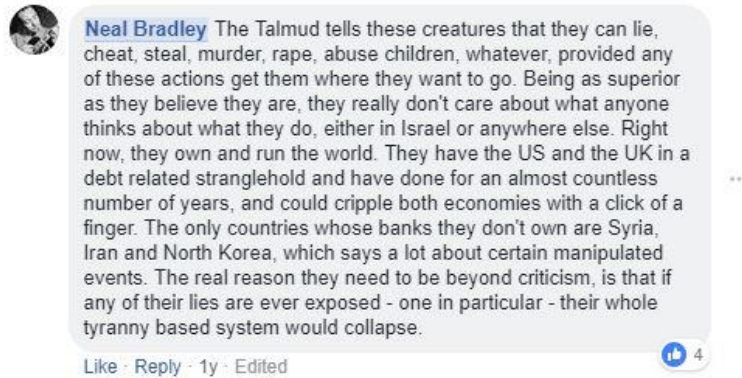

Both websites peddle Holocaust denial. The article on the left promotes the Khazar myth. It proposes that 80% of Israelis are from 'Khazaria' and therefore 'are void of Hebrew blood & so have no ancestral rights whatsoever to any land in the Middle East'.<sup>141</sup> The article on the right uses two sources to promote both Rothschild Conspiracy and Holocaust denial.<sup>142</sup>

<sup>141</sup> See article <http://gmmuk.com/the-truth-about-israel-zionists-the-khazarian-rothschild-banking-dynasty> The site seems to be the mouthpiece for antisemitic conspiracy theorist Michael Aydinian <http://gmmuk.com/> and engages in Holocaust denial <http://gmmuk.com/the-zionist-assault-on-freedom-of-speech-their-role-in-9-11-pedophilia-the-idf-the-financing-of-adolf-hitler/>

<sup>142</sup> The post quotes from John Coleman's 'The Rothschild Dynasty' <https://www.amazon.co.uk/gp/offer-listing/9333313427> before providing a link to a video of Benjamin H. Freedman see [https://en.wikipedia.org/wiki/Benjamin\\_H.\\_Freedman](https://en.wikipedia.org/wiki/Benjamin_H._Freedman) and the video, which blames the Jews for the Holocaust (which he argues never happened anyway) [https://www.youtube.com/watch?v=Y44IS\\_sOtaY](https://www.youtube.com/watch?v=Y44IS_sOtaY)

One of Neil Bradley's antisemitic rants inside Palestine Live can be posted without need for further comment:

Which means everyone engaged with that thread shares hard-core antisemitic ideology. Yet Khan Usman, like so many of the Codepink activists, is an active member of this group \*and has never\* challenged any antisemitic comment inside it.

Elleanne Green has travelled to the United States to engage with Codepink activists several times in the last few years. Normally this coincides with the AIPAC conference in March:<sup>143</sup>

<sup>143</sup> All Green's visits align with AIPAC dates. 2015 from March 1-3 <https://www.bethjacob.org/aipac-policy-conference-2015.html> 2016 from March 20-22 <https://www.jewishboston.com/events/join-us-for-the-aipac-policy-conference-2016-march-20-22-in-washington-d-c/> 2017 from March 26-28 <https://www.americanguesthouse.com/blog/2017/01/aipac-policy-conference-2017.html> and 2018 from March 4-6 <https://jewishphilly.org/event/aipac-policy-conference-2018/>

Elleanne Green did not go alone in 2017. She seems to have been accompanied by Carmen Lopez-Martin:

Carmen is active in the UK. She has been picked up in my research before. Here is Carmen sharing a rabidly antisemitic video that quotes from the Protocols of the Elders of Zion:<sup>144</sup>

Also tagged into that image are Palestine Live members Elleanne Green, Greta Berlin, Mary Hughes Thompson and Cathy Castro:

Cathy Castro was part of the Codepink demonstration to ‘shut down AIPAC’:

Some of Castro’s shares:

Both these websites push Holocaust denial. The link on the right is part of the Israel as ISIS conspiracy.<sup>147</sup> The article on the left may suggest it is talking about ‘Israeli’ false flags in the title, but the article is all about Jews. It does start by blaming Islamic attacks in London and 9/11 on Israel, but swiftly moves back to blame Jews for killing Jesus, causing the Pogroms, WW1 and WW2.<sup>148</sup>

<sup>147</sup> The Website ‘Tomatobubble’ no longer exists. Just to show this is a pattern, here is Castro sharing material from Smoloko.com, yet another rabidly antisemitic website that spewed Holocaust denial.

Castro is part of the official Codepink team.<sup>149</sup> For those who are not already aware of these partnerships, this image is shocking. It has four members of Palestine Live, most of whom share hard-core antisemitic material, standing alongside the Neturei Karta. Protesting together against the Jewish state of Israel.<sup>150</sup>

<sup>149</sup> See profile <https://www.codepink.org/digilantejane>

<sup>150</sup> The Neturei Karta are a fringe group of ultra-orthodox Jews who see nothing wrong in aligning with Iran & Hezbollah in their fight against the Jewish State. They even participated in a Holocaust event in Tehran. [https://en.wikipedia.org/wiki/Neturei\\_Karta](https://en.wikipedia.org/wiki/Neturei_Karta)

Wherever you look on Codepink’s timeline, it is always just a bunch of Palestine Live members acting out:

Blocking the door to AIPAC - Gilewski, Gold and Susan Abulhawa.<sup>151</sup> Abulhawa is a writer, activist and founded an NGO ‘Playgrounds for Palestine.’<sup>152</sup> Susan Abulhawa has been a member of Palestine Live since the day of its inception:

On 13<sup>th</sup> November 2015, coordinated terrorist attacks in Paris killed 130 people, 90 of them at the Bataclan theatre.<sup>153</sup> Palestine Live member Michael Lynch shared this post in the group:

<sup>151</sup> See original post with names of all three  
[https://www.facebook.com/permalink.php?story\\_fbid=10204307259121509&id=1829912564](https://www.facebook.com/permalink.php?story_fbid=10204307259121509&id=1829912564)

<sup>153</sup> [https://en.wikipedia.org/wiki/November\\_2015\\_Paris\\_attacks](https://en.wikipedia.org/wiki/November_2015_Paris_attacks)

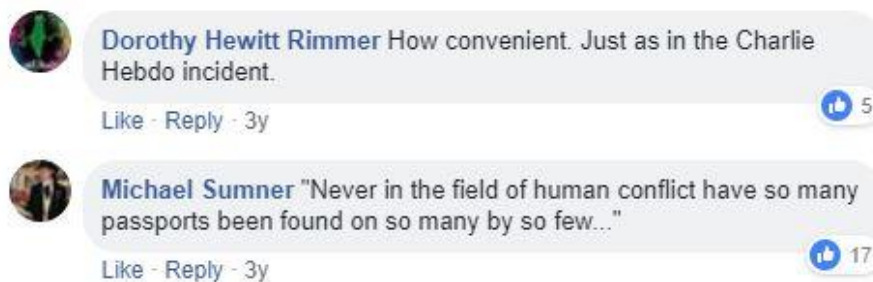

The article was from Fox News.<sup>154</sup> Lynch makes a reference to the passport that was found. This is a key message in many of the conspiracy theories, that passports are found is somehow evidence they have been planted by western intelligence organisations trying to cover up the ‘false flag’.

The post and comment section were full of conspiracy talk.

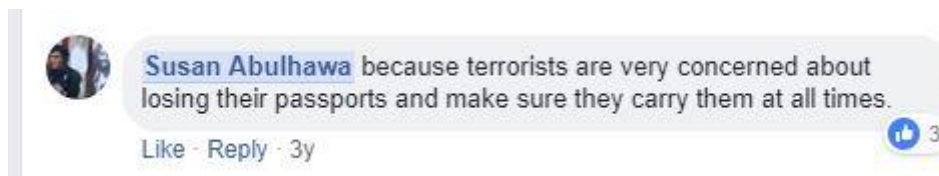

Unsurprisingly, the person who uploaded the article into the group, shares material that blames Israel for 9/11 and ISIS:<sup>155</sup>

These were the first two comments in the thread:

Abulhawa did choose to comment on the thread, bringing her own cynicism and suspicion to the party:

<sup>154</sup> See <https://www.facebook.com/FoxNews/videos/10153835216366336/>

<sup>155</sup> See <https://www.youtube.com/watch?v=LbkQddEDPs0&fbclid> for 9/11 video. The ISIS video has been removed from YouTube.

There is no need in this instance to go post by post on those that commented in this message stream. Who would choose to engage it in the first place? As is normal in Palestine Live, not one of the sixty comments in the thread went solidly against the ‘false flag’ and ‘conspiracy’.

Here is an Abulhawa comment in another Palestine Live thread:

The post was written by Felicity Arbuthnot. A prolific contributor to the globalresearch.ca conspiracy website.<sup>156</sup> In the comment thread are four people other than Abulhawa. Patricia Sheerin-Richman, Michael Sumner (who was also one of the first two to comment in the passport thread), Dave Carter and David Reilly

We can start with Michael Sumner. If anyone wants to debate the ‘Holocaust’, Michael Sumner is always eager to do so.<sup>157</sup>

Then there is Patricia Sheerin-Richman.<sup>158</sup>

<sup>156</sup> For Arbuthnot contributions on globalresearch see <https://www.globalresearch.ca/author/felicity-arbuthnot> Rational Wiki points out the websites antisemitism and suggests it is the ‘moonbat equivalent to Infowars’ <https://rationalwiki.org/wiki/Globalresearch>

<sup>157</sup> Sumner absurdly considers himself some sort of intellectual. There is a video of him sticking up for Irving and other ‘revisionists’ here <https://www.qallout.com/debate/3180-there-is-no-such-thing-as-a-serious-holocaust-denier> Sumner is clearly proud that he met Holocaust Denier David Irving <https://www.theguardian.com/guardianweekly/story/0,,1715580,00.html>

<sup>158</sup> The Mossad’s fingerprints video is another antisemitic attack by Brother Nathanael <https://www.youtube.com/watch?v=JTcidJRv7kQ>

Dave Carter: I highlight Carter for a different reason. Carter is British and a supporter of Jeremy Corbyn. He writes a blog and pushes back against accusations of antisemitism. This is what he wrote recently:<sup>159</sup>

Sadly, the line that is being put about, including recently by Nick Cohen in the Guardian ([Link](#)) maintains that one cannot be anti-Zionism without being anti-Semitic. I do wonder whether Nick needs to get out more. **Certainly his circle of 'anti-Zionists' is very different from mine.** For Cohen anti-Zionism is a 'call for the total destruction of the world's only Jewish state', whereas for me and my friends it is a cry for Judaism to redeem itself and for the peoples of the Near East to find ways of living together that are both Just and Peaceful.

Given he is mixing with Holocaust deniers in Palestine Live, one wonders what 'circle' he is referring to. To nail that down for him even further, we can have a look at the next person in that comment stream, David Reilly:

Both posts are from rabidly racist website 'politicalvelcraft'.<sup>160</sup> In the article on the left, notice the earrings of Queen Elizabeth.<sup>161</sup>

At every turn, Codepink activists and those that stand with them align with those spreading hard-core antisemitism, Rothschild conspiracy and Holocaust denial. Some of them share this material themselves. All of them members of Palestine Live. Not a single comment of protest was found.

## AIPAC AND THE HOLOCAUST MUSEUM PROTEST

Which brings us to this image, taken outside the Holocaust Memorial Museum in Washington DC during the AIPAC conference in 2017. It was a small crowd and does not seem to have numbered more than twenty:

Elleanne Green is in the image. Four other people are tagged. Ty Ebright, Jamy Jamel, Erika Reif and Rich Siegel. I do not need to stress the inappropriateness of such a demonstration at the Holocaust Museum, even without the added element of antisemitism.

Rich Siegel is not visible in the image above but was at the demonstration.<sup>162</sup> All those tagged are active members of Palestine Live:

What sort of person takes part in an anti-Israel demonstration outside a Holocaust Memorial Museum? **Ty Ebright** does:

The article on the left is from Gilad Atzmon, someone the left-wing peace activists shunned years ago because of his obsession with Jewish power.<sup>163</sup> The article on the right is part of the Rothschild Conspiracy network, and this one comes from Rhemat1, a website which links back to neo-Nazi sources.<sup>164</sup>

<sup>163</sup> Atzmon article can be found at <https://www.gilad.co.uk/writings/2018/2/2/holocaust-laws-backfire?>

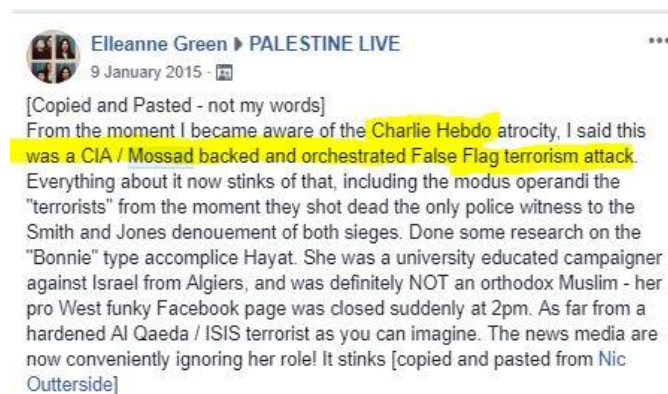

Information about Atzmon can be seen here <https://www.haaretz.com/opinion/why-are-leftists-promoting-an-anti-semitic-holocaust-denier-1.5461152>

**Carmen Lopez Martin:**<sup>165</sup>

**Elleanne Green.** Green has posted every sort of conspiracy, so it becomes an exercise in avoiding repetition. Here is a Charlie Hebdo conspiracy post I haven't used before:

**Erika Reif.** Posts 9/11 conspiracy, Mossad as ISIS and some Rothschild Conspiracy. Here is one of her 'Mossad killed JFK' posts:

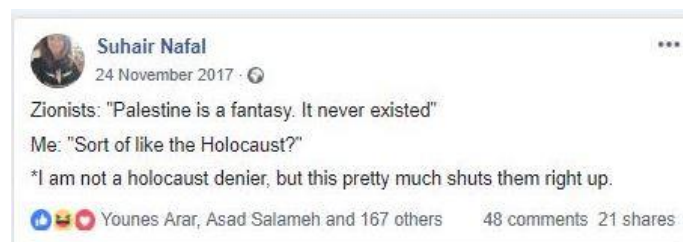

<sup>165</sup> Carmen's post is explicitly antisemitic Rothschild Conspiracy. This strand focuses on turning the Jews into the aggressors of WW1 and WW2, leaving those poor Germans as unwilling participants in a devilish scheme by 'Zionists'.

More of Erika's posts:

David Icke (left) is a well-known British conspiracy theorist who seems to believe that Rothschild Zionists, who are some type of lizard, rule the world.<sup>166</sup> The article on the right is 9/11 conspiracy.<sup>167</sup>

**Suhair Nafal** started this thread:

Nafal doesn't seem to believe the information we have been fed, especially the '6 million Jews part':

<sup>166</sup> See article at <https://www.facebook.com/davidicke/photos/a.164527493841/10152404450758842/> for more on Icke see <http://david-collier.com/evening-david-icke/>

<sup>167</sup> See video at [https://www.youtube.com/watch?v=xv5s\\_VEMzD0&sns=](https://www.youtube.com/watch?v=xv5s_VEMzD0&sns=)

And then she 'liked' this 'no gas chambers' comment:

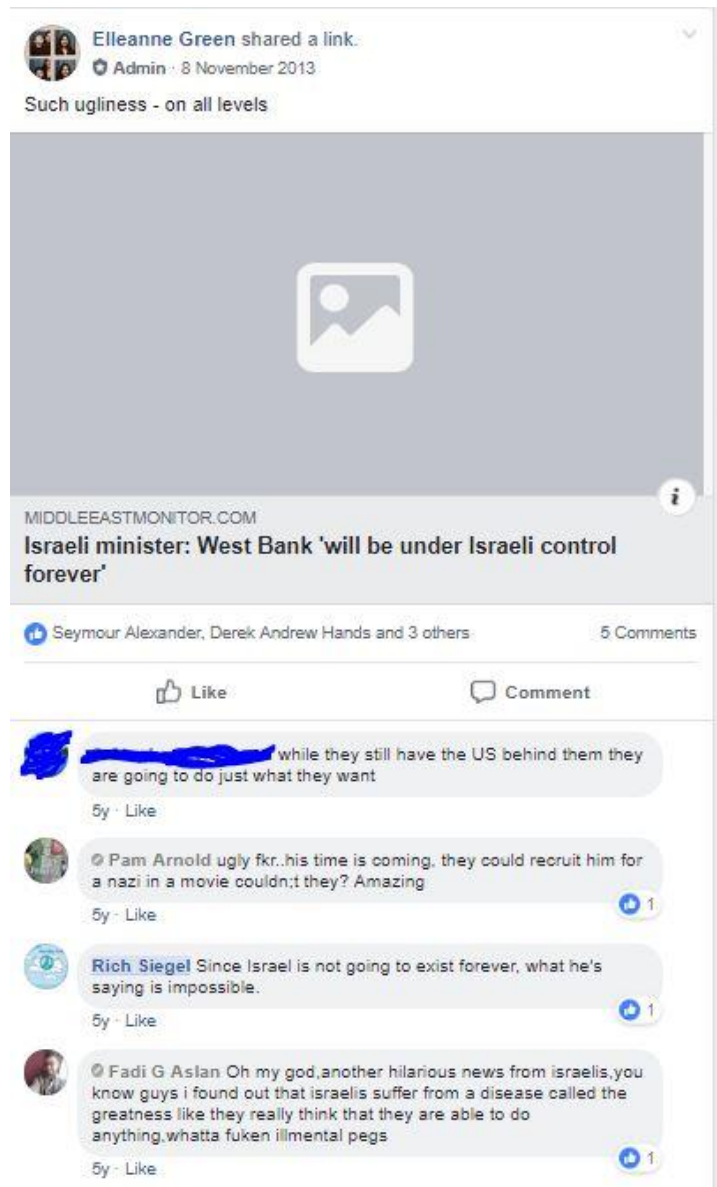

This is not just about those who share antisemitic ideologies. It is about the blindness and tolerance of those around them. Everyone present is a member of Palestine Live.

### Gracie Falestina:

That one is quite clear cut. Gracie posts an image and video of Brother Nathanael. He is virulently antisemitic. He isn't a 'truther' at all, but someone who views Jews as 'Satanic'. Falestina responds that she 'loves' him, going on to tell someone to check out his YouTube channel.<sup>168</sup> ADL has described him as 'rabidly antisemitic'.<sup>169</sup>

**Rich Siegel** has been a member of the group at least twice. Although his profile suggests he joined in March 2017, here is a post from 2013 on which he commented:

<sup>168</sup> Nathanael Kapner is Brother Nathanael – see [https://rationalwiki.org/wiki/Nathanael\\_Kapner](https://rationalwiki.org/wiki/Nathanael_Kapner) - his YouTube channel can be seen here [https://www.youtube.com/channel/UCtBqVgzL\\_cDv\\_t9o2hFiXXg](https://www.youtube.com/channel/UCtBqVgzL_cDv_t9o2hFiXXg) - this is his most popular video [https://www.youtube.com/watch?v=yIe\\_qeeOIMA&bpctr=1549791800](https://www.youtube.com/watch?v=yIe_qeeOIMA&bpctr=1549791800) that deals with the way Jews mock Christ. His politics is very far from 'left-wing' and if he was to talk about any other minority group, the way he talks of Jewish people – nobody would go near him. He blames everything – 9/11, Charlie Hebdo, ISIS and all the troubles of the world – on the Jews.

<sup>169</sup> <https://www.adl.org/news/article/rense-web-site-promotes-anti-semitic-view>

To reinforce the understanding that the level of antisemitism in this group is so overpowering I will show some examples from the names visible in that thread. Fadi G Aslan, Pam Arnold, Elleanne Green and the two visible likes, Seymour Alexander and Derek Andrew Hands.

Which leaves just **Fadi Aslan**:

**Back to the original demonstrators.** Those standing outside the Holocaust Museum. In 2013, during the early struggle between the people who wanted to try to maintain some level of decency and those who thought posting Protocols was acceptable, someone published a post calling for less 'generalisation' (read racism). Siegal called it 'bullshit' and 'censorship' - and then posted this:

Which argues that they need to permit discussion of Jews, because they (Jewish Zionists) manipulated Christians, vet every politician of note in the US and control or own all the media. There is little he doesn't say. In another post he suggests "*Judaism is a pernicious cult infected with a narcissistic tribal self-worship sickness. They are guilty, as a group, of committing ethnic cleansing in Palestine. They are guilty, as a group, of influencing governments to support the Zionist agenda.*" He is wordier than I am (which is something), so I show simply this part of a post as evidence:

agenda. If Jews lead some homosexual organizations, fine. You will find other homosexual organizations led by non-Jews. Judaism is a pernicious cult infected with a narcissistic tribal self-worship sickness. They are guilty, as a group, of committing ethnic cleansing in Palestine. They are guilty, as a group, of influencing governments to support the Zionist agenda. That's really bad stuff and it's important to oppose it. But you LOSE ALL CREDIBILITY when you accuse them of stupid shit like promoting a non-existent homosexual

Just what is a Jewish 'poster boy' doing inside a thread with so many people who clearly have a thing about Jews? He is siding with them. Rich quotes from both Paul Eisen and Gilad Atzmon on his page.

Here is Rich with Elleanne (although given the posts above I hardly think this is a surprise):

Some of those not yet mentioned have their profiles hidden behind privacy walls. Even so, comments like this one from **Emman Kidd** can still be found:

This post suggests that France, the UK and Belgium have been victims of ISIS attacks because they took an action in support of Palestine. ISIS = Israel in this theory of course. Here is Kidd pushing the white-separatist website, 'renegadetribune':<sup>172</sup>

<sup>172</sup> [https://en.wikipedia.org/wiki/Renegade\\_Tribune](https://en.wikipedia.org/wiki/Renegade_Tribune) for article see <http://www.renegadetribune.com/jewish-supremacist-boasts-on-israeli-tv-aipac-rules-america/>

Finally, **Gerald Bowen**. Here he is on Twitter, responding to an article reporting the cancellation of a contract with an Israeli company for the 2016 Brazil Olympics:<sup>173</sup>

And on Zionist control of banks, government and media:<sup>174</sup>

Which means that many of those that participated in the demonstration outside the Holocaust Museum share Holocaust denial, Rothschild conspiracy, antisemitic tropes and link to neo-Nazi websites.

The demonstration outside the Museum, was part of a wider protest against AIPAC. We can now turn our attention to that.

<sup>173</sup> See article <https://electronicintifada.net/blogs/charlotte-silver/brazil-cancels-2-billion-contract-israeli-security-firm-2016-olympics>

## AIPAC- case study

When I began this research, I was not aware of the size of the American contingent inside Palestine Live. It was the anti AIPAC demonstrations that changed that. On top of twelve already mentioned outside of the Museum, scores of Palestine Live Members were in Washington to protest against AIPAC.

Several Code Pink activists have already been counted. Alison Weir, Greta Berlin, Max Blumenthal and Miko Peled are four others. In total, around SIXTY Palestine Live members took part in the protests or anti-AIPAC conference that took place in Washington DC in March 2017.

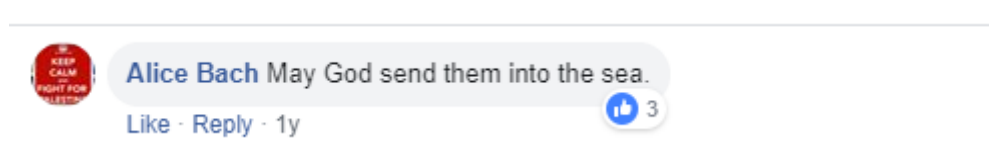

The following is a list of those members. Whilst it may contain one or two errors (not everyone who says they were there, or were tagged ,actually attended). But there is more than enough evidence to show that the vast majority of these people were in Washington at that time.

Alia Ameiche, Alice Bach, Alison Weir, Amar Al Masri, Ann Wright and Ariel Gold:

Rather than come at this from a peace-loving, humanitarian angle, Bach's comments have a distinct vengeful tone attached to them. This is what she said about Zionists:<sup>176</sup>

Maybe I should stop defending myself when people call me anti-Semitic because I am pro-Palestinian.

Important to add that all those responses came under posts shared by Elleanne Green, Tony Gratrex and Anna Ruiz, people who all share hard-core antisemitic messages.

**Alison Weir** is the founder of 'If Americans Knew (IAK)' and president of the 'Council for the National Interest (CNI)'.<sup>177</sup> Weir's' associations with white-supremacists led to Jewish Voice for Peace cutting ties.<sup>178</sup>

Both **Ann Wright** and **Ariel Gold** were mentioned in an earlier section of this report. Ann Wright is Codepink staff, a retired United States Army colonel and has participated in the 'Free Gaza Movement' alongside Greta Berlin.<sup>179</sup> Ariel Gold is a key activist for Codepink.

Regarding 9/11, Friend Leo O'Brien wrote something I had not known or maybe have forgotten. Thanks, Leo:  
 "ZIM, a global Israeli shipping company, vacated its office of 10,000 square feet in the North WTC Tower a week before 9/11, breaking its lease to do so. The Israeli government owns 49% of ZIM. The lease was in effect until the end of 2001 and it would have cost ZIM \$50,000 to break the lease early. Later, FBI agent Michael Dick, who was investigating Israeli spying before and after 9/11, was looking into the suspicious Zim move. He was removed from his duties by the head of the Justice Departments' criminal division, Jewish Zionist Michael Chertoff. Chertoff later became head of Homeland Security.  
 With ZIM balling out in time, the only Israeli company left in the building was software developer ClearForest who employed 40 people in New York. Of the 40 employees, only 3 were present on 9/11 and those 3 managed to escape. ClearForest was located on the 47th floor of Tower One. A year after 9/11, the relocated ClearForest operation was selected by the FBI to supply data to unearth information related to terrorism.

Carmen advises readers to 'listen' to the video. I did. More than half the video is of the rabid antisemite Brother Nathanael, who explains in detail how 'Jews own the media', and David Icke who delivers his message about 'Rothschild Zionism'.<sup>182</sup> No surprise that Brother Nathanael was also at the anti AIPAC demonstration.

**Catherine Strout** is another of those activists who proudly supports Codepink petitions.<sup>183</sup> This article is full-blown Rothschild conspiracy, with an article that originated at Rense.com and a video that includes Holocaust Denial and blames the Jews for everything.<sup>184</sup>

<sup>185</sup> The video links back to David Icke's Rothschild Zionism video – see <https://www.youtube.com/watch?v=Uo-UXZ-1ups> The 'condition red' article is from the antisemitic website 'theuglytruth'. It suggests that because Germany may have taken an action against Israel's wishes, it is likely to be the target of an attack. Debbie Kennedy is yet another anti-Israel activist with a fetish for anti-Jewish conspiracy theory.<sup>187</sup>

Dee Zined provides a different sort of evidence:

This is meant to be a ‘peaceful’, humanitarian movement. But as Sandra Watfa agrees that the coming of an ‘Arab majority’ and the collapse of Zionism will leave Jews a ‘persecuted’ or ‘slaughtered’ minority. Dee Zined prays that this will come to pass sooner than expected.

<sup>187</sup> The shared post on the left states ISIS is run by Israel and Israel it is the Zionists slaughtering people in Europe rather than radical Islamists. Watfa is the spokesperson for the UK based Islamist group 'Inminds'.<sup>188</sup> Just to show there was no mistake in the association with violence:

Watfa sings her praises to the leader of the radical Islamic movement Hezbollah. Dee Zined reinforces the praise. Watfa of course spreads antisemitism and Holocaust denial:<sup>189</sup>

Jafar Ramini: Good day to you all,  
Something very sinister happened to my timeline early this morning. Yesterday I posted here a short clip on how the Zionists used their money, power and connections to push the USA into WWI on the side of Britain and Russia. Money talks as the saying goes. In this case money was whispering in the ears of American leaders at the time and the Zionists won. USA entered the war.  
The Zionists scored another very important victory. They extracted from Britain a big prize for their conniving and treachery. The prize was PALESTINE as a homeland for the Jews. This infamous document was in a form of a letter written by Lord Balfour, an English Christian Zionist lord to another English Jewish Zionist lord, Lord Rothschild. The rest is history  
The people at the helm in FB, for reasons only known to themselves decided to remove that post off my page.  
All of you who know me must realize by now that I am not easily swayed, intimidated or cowed. Thanks to a very dear friend, Donna Ross, I found the complete version of Mr Benjamin H. Freedman's speech. Here it is for your consideration. Please make sure it's protected and shared far and wide.

Thank you to my dear friend and brother Jafar Ramini for this:  
Good morning to you  
**It's 9/11.** Today, 14 years ago the world changed beyond recognition. And not for the best. In fact that momentous attack on the Twin Towers of the World Trade Centre in the heart of New York City has immersed the world in bloody, costly wars that are still raging today and the repercussions are reverberating around the globe.  
Whether you believe the conspiracy theories or the scientific evidence on who actually did this and why is a matter of personal choice. **The evidence is there** and if you take a few minutes to Google 9/11- What Really Happened – or go into Youtube, you will be overwhelmed by what you find. I am not a scientist, nor am I a researcher or a documentary maker. **I am just an observer and I find the evidence is there that Israel in conjunction with the Neocons who were running the White House, the Ministry of Defense, the Pentagon and the State Department at the time, were responsible for this appalling act. Israel wanted America more firmly on its side and Israel wanted to drag America into proxy wars on its behalf to bolster its expansionist programme that will eventually lead to the creation of Greater Israel. At the same time, the Neocons in Washington wanted to put their doctrine of the New World Order into place.**

<sup>190</sup> The video of Benjamin Freedman's talk can be seen here <https://www.youtube.com/watch?v=HhFRGDyX48c> This is Khazar and Rothschild Conspiracy and Holocaust denial all wrapped into one in a speech that blames the Jews for all and any suffering caused. There is a transcript that is worth reading to understand the full force of the anti-Jewish hatred contained within <http://www.sweetliberty.org/issues/israel/freedman.htm> The written post on the right is 9/11 conspiracy and blames the Jews by suggesting Israel was behind 9/11 because it needed to 'drag' the US into 'proxy wars'.

**Donna Ross** is the person Jafar Ramini personally thanks for bringing the Benjamin Freedman speech to his attention.<sup>191</sup> Ross had scores of qualifying posts, here are just two. The first was about Zionist control of the government and media, reinforced with an image from the Nazi apologist, white supremacist, hate website Smoloko.com.<sup>192</sup>

This recurring theme of self-titled ‘left wing progressives’ consistently flirting with neo-Nazi white-supremacist material has to pose serious questions for any anti-racist campaigner willing to associate with these groups.

It cannot be put down to a coincidence that dailystormer.com, whiteresister.com, smoloko.com, renegadetribune.com and other neo-Nazi websites of this type are shared by so many of these activists. The other noticeable trend is that they are shared without meeting much, if any, resistance at all from friends or group members.

The post on the right, is part of the conspiracy that suggests Zionists are ‘Talmudic Jews’ and are ‘satanic’, whilst the ultra-orthodox anti-Zionist Jewish group are true ‘Torah’ Jews. It forms the basis for Rothschild conspiracy.

<sup>191</sup> If you check the Donna Nasser video post on the last page, you will see Ramini, who shared the speech personally thanks Donna Ross for helping him find the video.

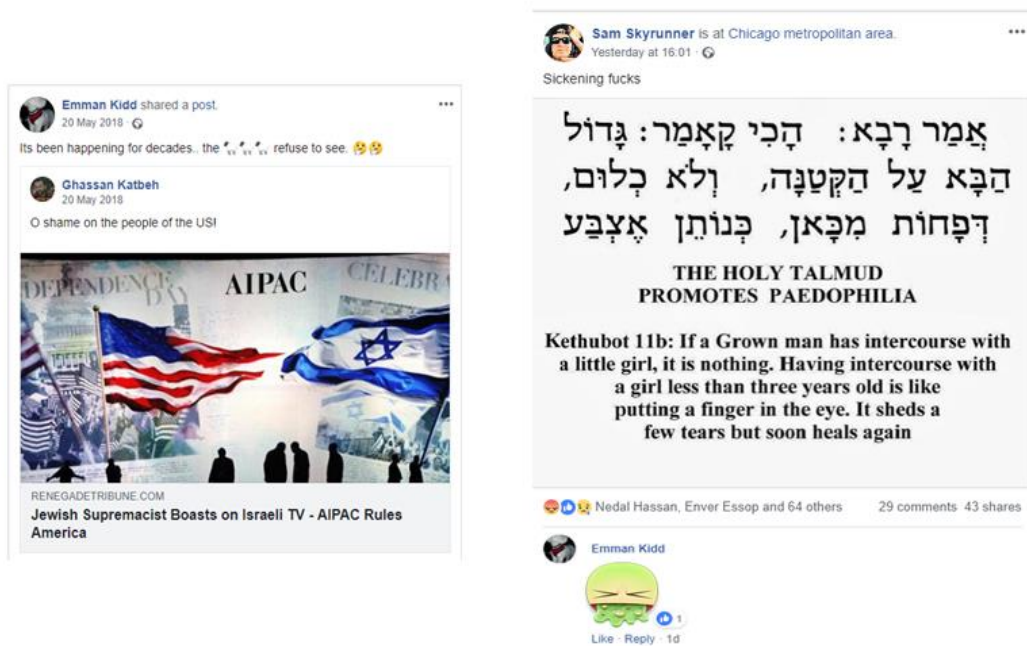

<sup>192</sup> See [https://rationalwiki.org/wiki/Smoloko\\_News](https://rationalwiki.org/wiki/Smoloko_News)

Through my research I have made public over 150 screenshots of antisemitic posts **Elleanne Green has shared**. Dozens included already in this report. Here is one more, where she responds to the Holocaust denier, Paul Eisen:<sup>193</sup>

**Emman Kidd** continues the trend of sharing white-separatist material under the umbrella of anti-Israel activism. The post on the left is from the neo-Nazi website ‘*Renegadetribune*’.<sup>194</sup> The image on the right is typical of the distortion and misrepresentation these activists engage in over the Talmud. The question to ask would be, what has any of this got to do with Palestinians?<sup>195</sup>

<sup>193</sup> See Eisen’s own writing on the subject <https://www.righteousjews.org/article27a.html>

<sup>195</sup> The Talmud is the source from which the code of Jewish Law is derived. It discusses every aspect of Jewish life (pleasant and unpleasant) and in this section was not promoting sex with young children but dealing with rules surrounding dowries and virginity. The fixation with the Jewish religion, as if it were somehow ‘evil’ is clearly the issue here. Zionist control of governments and the media is a theme **Mark Roberts** has been selling for years:

The Zionists Have Controlled the U.S. Government for a Long time. They Want Us To Blame Their Puppets Instead Of Making Sure We Help People To See The Puppeteers. Only puppets approved of by the Zionists are allowed to be President of the U.S. The Israel Lobby which includes wealthy Zionist oligarchs, gives large political campaign contributions to nearly all members of the U.S. Congress, and candidates live in fear of the Zionist-controlled mainstream media because the Zionists can destroy any candidacy through their control of the media. These 2 things make it extremely difficult, if not next to impossible, to be elected to the U.S. Congress without support from the Israel Lobby. And, the American public is brainwashed by the Zionist-controlled U.S. mainstream media into fighting Israel's wars.  
The Israel Lobby is a Threat to world peace and must be exposed and Defeated.

This morning we added an update to my article, linked below. It reads: "On the morning of September 21st Phil Giraldi was fired over the phone by The American Conservative (TAC), where he had been a regular contributor for fourteen years. He was told that "America's Jews Are Driving America's Wars" was unacceptable. The TAC management and board appear to have forgotten that the magazine was launched with an article by founder Pat Buchanan entitled "Whose War?" which largely made the same claims that Giraldi made about the Jewish push for another war, in that case with Iraq. Buchanan was vilified and called an anti-Semite by many of the same people who are now going after Giraldi."

I seem to be on the e mail list for the T'ruah organization, which sent out a blast asking for support and stating that they are "bringing Jewish values to the streets". I felt motivated to write back as follows:

Question for you Rabbi Michael:

I'm not sure how I got on this mailing list. And I won't be supporting your organization.

Because I think the fact that you cite "Jewish values" is evidence of the Jewish tribal narcissism that is symptomatic of the nasty relationship between Jews and non-Jews through history.

I don't think "Jewish values" exist. And if they do, they are to be found in the Talmud where we are told to treat non-Jews very differently from how we treat other Jews, and where we are even told to spit on the cross, which

I love how Jews have favorite expressions for describing "Anti-Semitism". I keep hearing about "anti-Semitic tropes", and recently again, this is what the esteemed congresswoman allegedly used. But I couldn't figure out what she said that could be considered a trope so I looked it up: Trope: a figurative or metaphorical use of a word or expression. OK so I guess in their view, something she said "smacked" of anti-Semitism. That's another one. How does a statement "smack" of anything? Seems like people with an agenda tend to invent language.

It is so terribly and dramatically disturbing to have been raised Jewish and Zionist, and to see the death and destruction that my people are bringing to the world. It is so frustrating to say, "Grow as I have grown, see what I see" and to only hear the same broken record of Jewish victimization and accusations of "self-hating Jew" in response. If I, as one born and raised in this death-crazed narcissistic cult, don't know how to resolve this desperate situation, how will anyone else figure it out? Please- Jews- my people- you are desperately sick. The whole world sees this and knows it, and yet so many are afraid to say so for fear of being called "Anti-Semite", while you kill children and refuse to be embarrassed by your blatantly evident tribal mental illness. But the world will stop being afraid of you, and cease to tolerate your murderous narcissism, and the result will be terrible for you. Please, please stop before this happens. Stop before you kill another child in Palestine! STOP THE KILLING IN GAZA!

I hate the way I was raised. I don't deny it. And I don't think there's anything wrong in saying that. What would you say about somebody who hated coming from Jonestown where 900+ people committed mass suicide with cyanide-laced koolaid? I'd say hating that is pretty sane. Now what would you say about being raised by atheists who built a synagogue and worshiped Jewish tribal identity and the Jewish state, and believe the whole world hates the Jews for no reason, and any Goy will stab you in the back sooner or later, and you better love Israel because you'll need it if another Hitler comes to power, and you better never deny being a Jew because they'll find you out anyway. One drop of Jewish blood will send you to the ovens. That's how I was raised. No cyanide-laced koolaid but not very healthy, and not based in logic or reality either.

Wikipedia tells us that the Communist state after the 1917 Bolshevik Revolution was "committed to the destruction of religion", and destroyed churches, mosques and temples — no mention of synagogues being destroyed — and that it "ridiculed, harassed and executed [Christian] religious leaders, flood[ing] the schools and media with atheistic propaganda."

Since the Russian Revolution was essentially a Jewish revolution, with an overwhelmingly high percentage of its leaders being Jewish, one can understand why synagogues were NOT destroyed. The animosity of the Jewish leadership was directed almost exclusively toward the Christian clergy and their churches. Monks, nuns and priests were put to death in large numbers, often after being cruelly tortured in the process, their eyes gouged out and in some instances being boiled alive.

**Suhair Nafal** identifies as a Palestinian American. If Palestinians in the west promote antisemitism, they tend to lean towards Israel as the global Jew (Mossad type conspiracy) rather than Rothschild conspiracy, but Suhair seems to dabble in both:<sup>208</sup>

<sup>208</sup> Top left is a comment made on top of a meme suggesting 'the ISIS leader was trained by Mossad'. The 14 November ISIS post is a clear reference to the attacks in Paris in Nov 2015 with the suggestion Israel was behind all of them to deflect criticism from its own actions. The Leaked cable post alleges Israel and Saudi Arabia colluded together to carry out 9/11. The Rothschild connection video is no longer available (always a bad sign), but in truth, it could possibly have been a legitimate video about Rothschild and Balfour. What is true, is that underneath the video was a stream of highly antisemitic comments, many of which Suhair 'liked'. As an example of one of these, Robert Rope made a comment which linked to the antisemitic Benjamin Freedman speech in 1961. Freedman was an apostate Jew, an antisemite and a Holocaust denier. See [https://en.wikipedia.org/wiki/Benjamin\\_H.\\_Freedman](https://en.wikipedia.org/wiki/Benjamin_H._Freedman) for video see <https://www.youtube.com/watch?v=HhFRGDyX48c>

Some of Ty Ebright's posts were highlighted in the section about the Holocaust Museum protest. Here is a more detailed analysis of one of them:

The key issue here is the website Ebright has shared and the quote he has used. To start with Rehmat1 is a Holocaust denying, antisemitic sewer. Ebright has quoted from the seventh paragraph, so he has clearly read the article. These are the second and third paragraphs:<sup>209</sup>

*“Strangely, the event was almost ignored by the **Jewish-controlled mainstream media**. Instead the media has been quite excited with Barack Obama’s choice of Stanley Fischer, former Governor of the Central Bank of Israel, as vice-Chairman of the Federal Reserve. Fischer is US-Israel dual citizen **and Jewish Lobby man**. He has been an ardent campaigner for continued \$billions USAID to the Zionist entity.*

*Between Janet Yellen, **the Jewish Chairwoman of the Federal Reserve and Stanely Fischer, the FED is totally Israelized and will become a powerful new anti-Iran Jewish front.**”*

In fact, Ebright butchered the seventh paragraph, only using the bits that were presentable publicly. This is the opening part of the seventh paragraph, Ebright chose to remove:

**“The Federal Reserve is a consortium of nine Jewish-owned and associated banking institutions with the Jewish Rothschild family at the head. Even the name “Federal Reserve” was coined by German-born American Jewish banker Paul Warburg (died 1932), an employee of the Rothschilds.”**

Which means Ebright must have known he was sharing a deeply antisemitic document. Yet he led with the words “I am sure you all knew this. Right?”

<sup>209</sup> See article <https://rehmat1.com/2013/12/31/federal-reserve-century-of-zionist-control-of-us-dollar/> Here is an example of Holocaust denial from the site <https://rehmat1.com/2015/08/06/uks-royal-mail-to-honor-an-holohoaxer/>

Vickie MansourHasan and Zaina Masri.

**Vickie Mansour-Hasan** identifies as a Palestinian, at the time of writing, she appears to have deactivated her Facebook account or changed her profile name. She has not been counted in the statistical analysis.

There were also attendees at the AIPAC events who were members of Palestine Live but have left the group. Like Christie Brink:

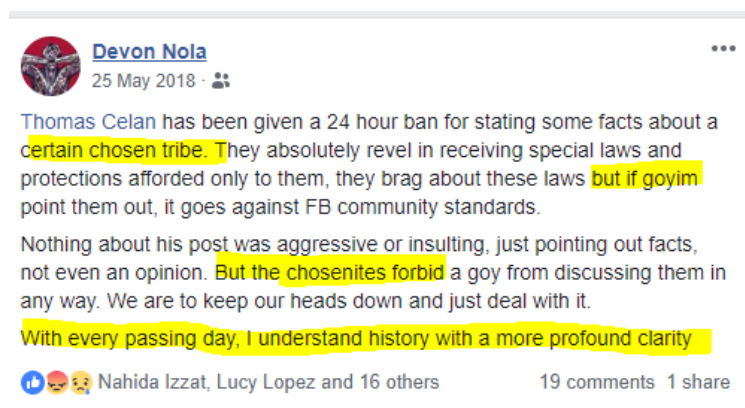

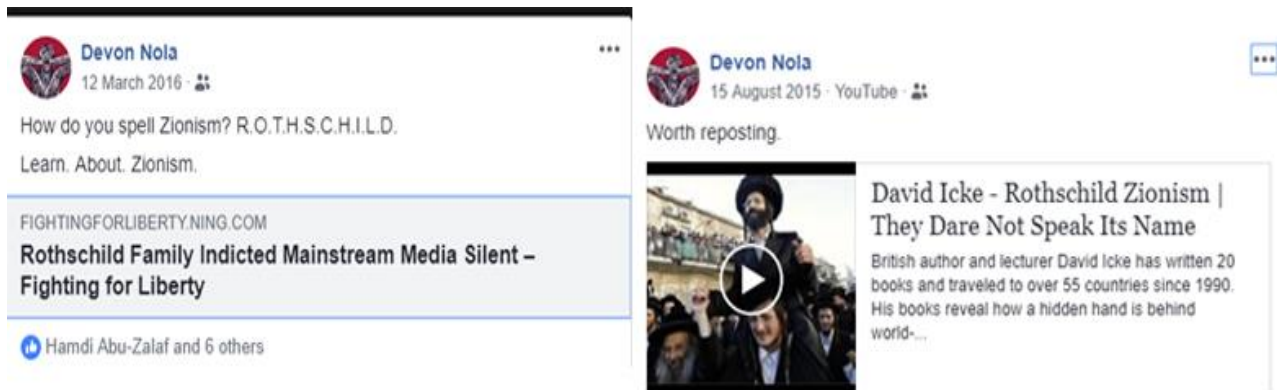

**Devon Nola** was also a member of Palestine Live. Nola has presented herself as an agent for Gilad Atzmon.<sup>210</sup> Nola has written for Atzmon’s blog. This is a piece she wrote on the AIPAC demonstration that is the focus of this research.<sup>211</sup>

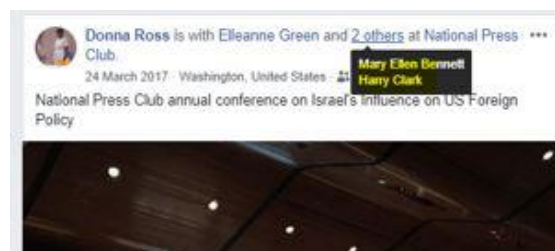

<sup>210</sup> In an exchange where Devon tried to arrange a debate for Atzmon, she suggested she handles “some of his bookings in North America” – see comment stream underneath the blog at <http://david-collier.com/gilad-atzmon-solidarity-reading/> Here is also a petition to support Gilad Atzmon, a petition Nola organized <https://www.change.org/p/devon-nola-gmail-com-hands-off-gilad-atzmon>

<sup>211</sup> See <https://www.gilad.co.uk/writings/2017/3/27/fighting-aipac-we-dont-plan-to-fail-we-fail-to-plan>

Here are some other examples of Nola's posts:<sup>212</sup>

And finally, **Harry Clark**:

In total, the research found 58 people who are or have been members of Palestine Live (having discounted Mansour-Hasan) who attended the anti AIPAC events. These events against AIPAC are rooted in the idea of an imbalance of Jewish power. The list of attendees contains ghouls from every extremity of the political spectrum.

<sup>212</sup> The 'fightingforliberty' website no longer exists. The archive of that article can be seen here <http://web.archive.org/web/20160414112642/http://fightingforliberty.ning.com/profiles/blogs/rothschild-family-indicted-mainstream-media-silent> although the video has also been removed. The website is clearly a hardcore- conspiracy site. The Icke video can be seen here <https://www.youtube.com/watch?v=0xe5cQD1bMs>

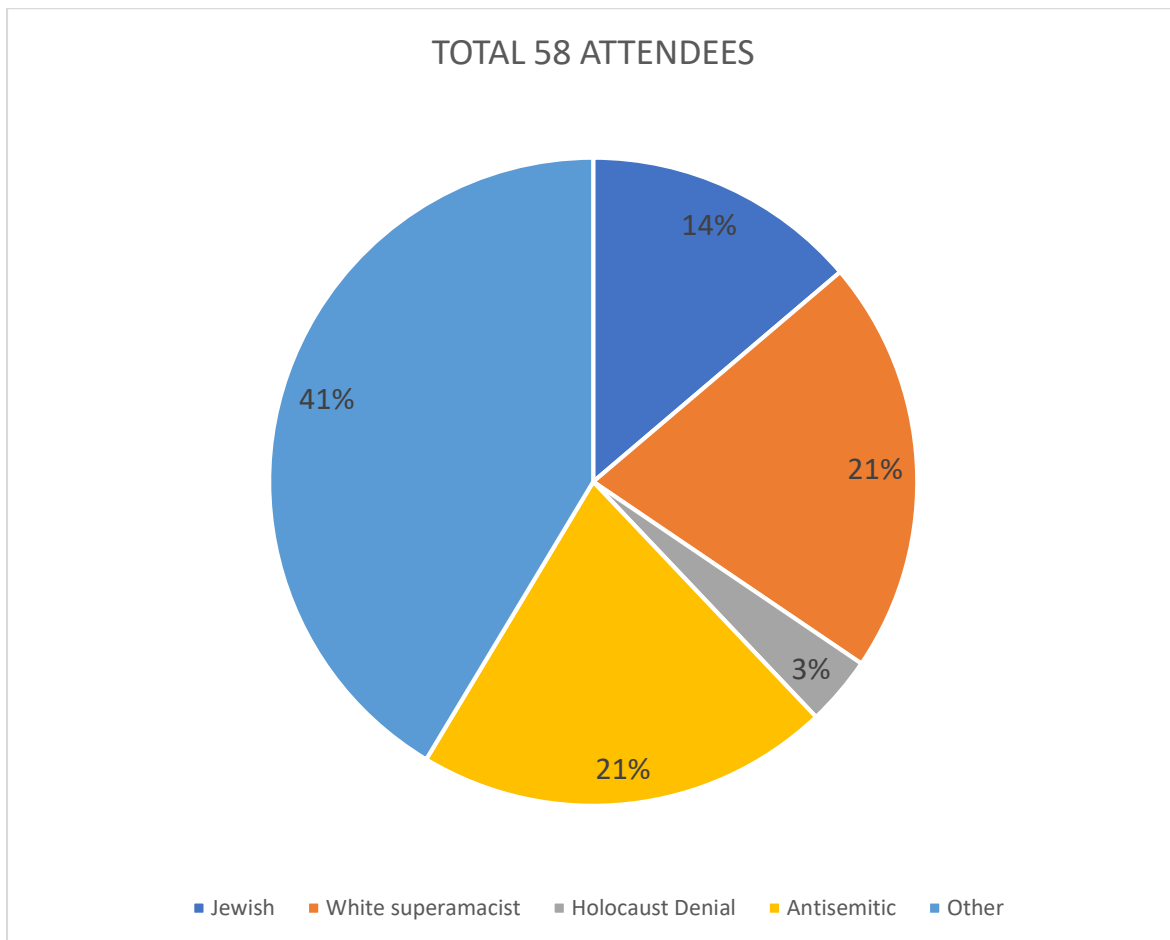

## QUANTUM

These events allow for an exercise of quantification. The attendees are all members of the same Facebook Group and all chose to attend the anti-AIPAC events.

Having sorted through these posts, I split the members into five groups. **Members could only be placed in one group regardless of how many they qualified for.** For the purpose of categorisation, **this was the hierarchy** that I used:

- Identify as Jewish
- Posted white supremacist / neo-Nazi websites
- Shared Holocaust denial
- Shared other antisemitic material
- Neither Jewish, nor were found sharing antisemitic material

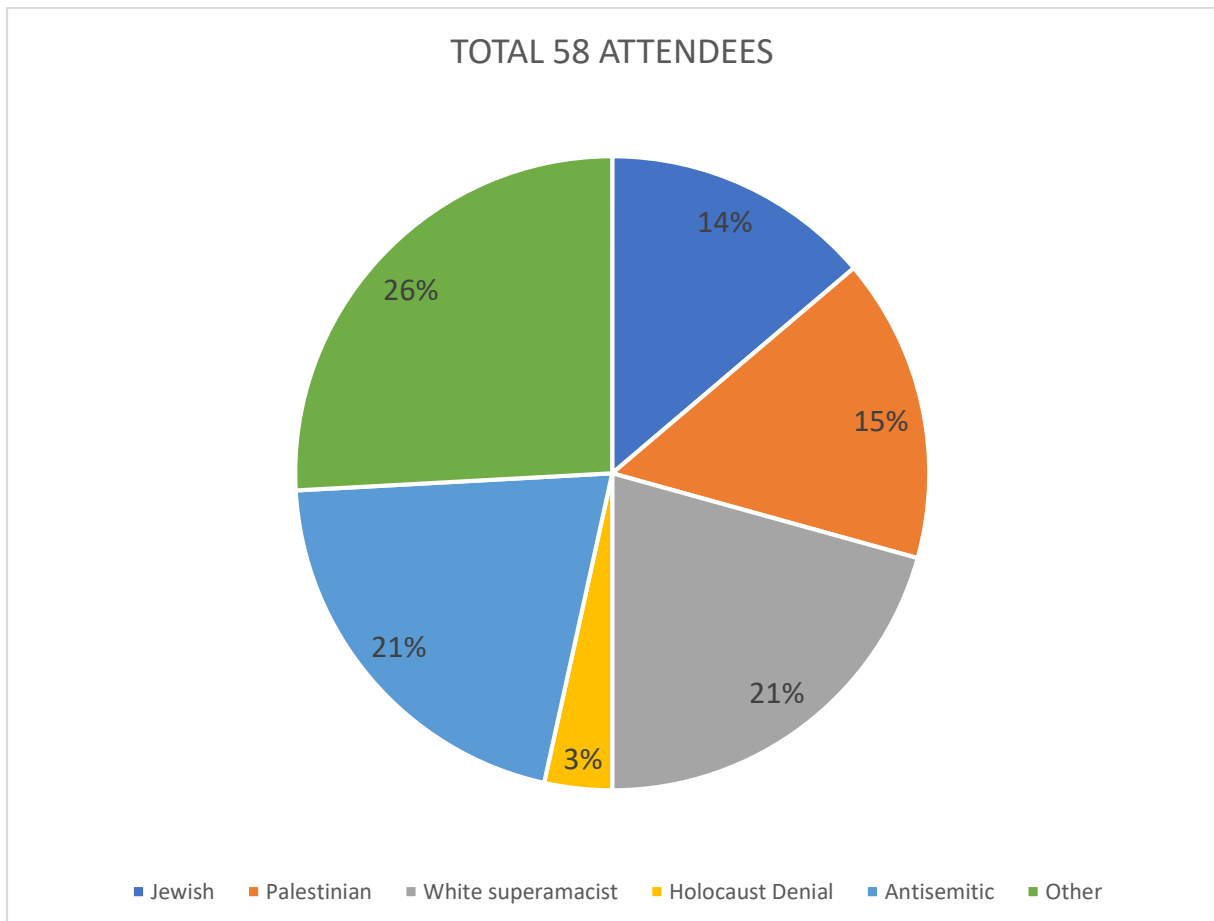

**One important note. I have included all accounts identified. Some of these accounts have content well-hidden behind privacy settings. This means the results are a conservative estimate of the total:**

Which means 59% of attendees are either Jewish or sharing antisemitic material.

I took it one step further. I added a new category, for the Palestinians.

- Identify as Jewish / Palestinian
- Posted white supremacist / neo-Nazi websites
- Shared Holocaust denial
- Shared other antisemitic material
- Neither Jewish, nor were found sharing antisemitic material

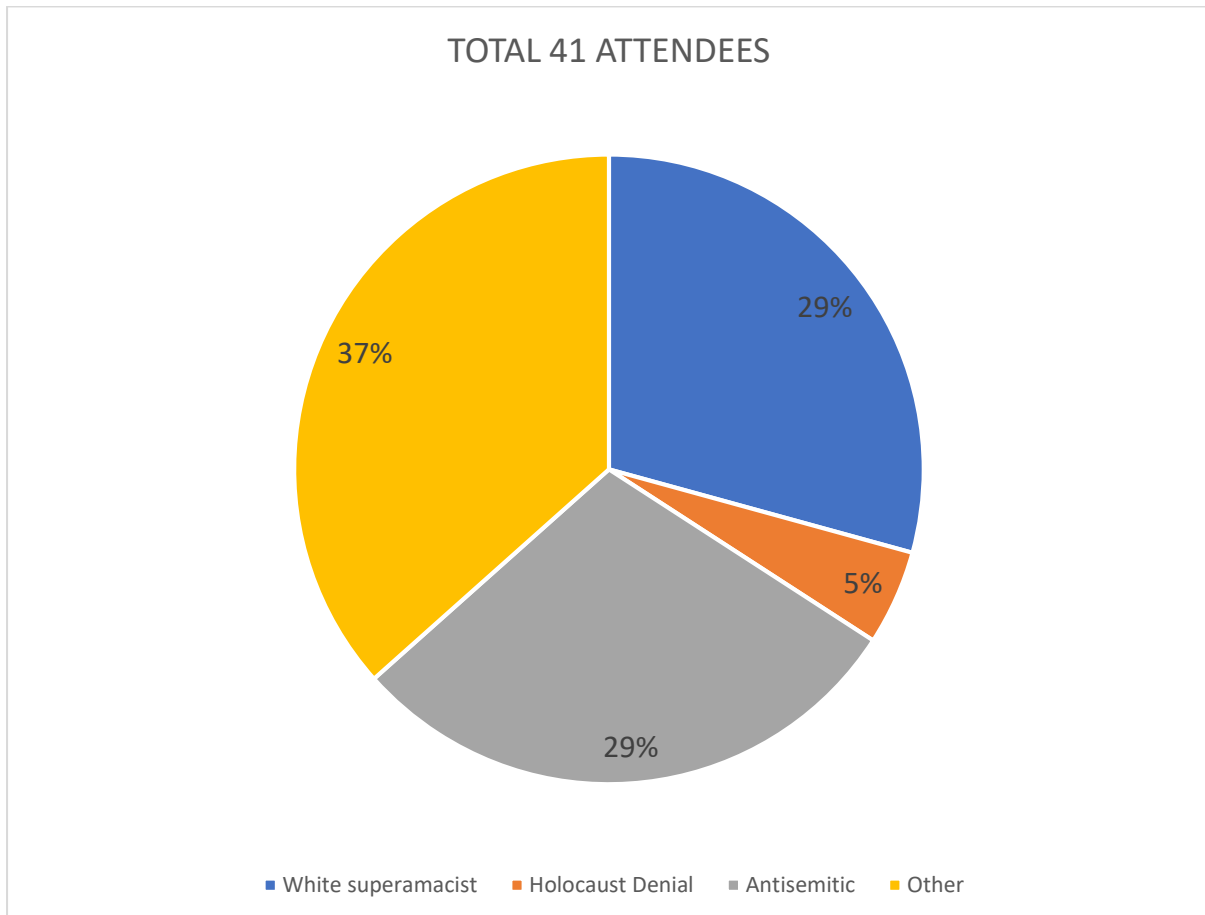

The shocking figure, that 21% of this crowd, share neo-Nazi or white-supremacist material should make everyone sit up and notice. When you add those sharing Holocaust denial to the mix (**remember, this is a hierarchy so many of those sharing white supremacy material, would also have been sharing Holocaust denial**), the figure rises to 24%. This is generous, considering much of Rothschild conspiracy also revolves around the historical revision of WW2.

But another statistic begins to take shape. What happens if we remove the Jewish and Palestinian contingent from the equation completely?

The Jewish and Palestinian contingent have been removed. Four categories remain.

- Posted white supremacist / neo-Nazi websites
- Shared Holocaust denial
- Shared other antisemitic material
- Neither Jewish, Palestinian, nor were found sharing antisemitic material

This chart is brutal. Once the Jewish and Palestinian participants are removed, 63% of those remaining, share antisemitic material. 34% share extreme white supremacist, Holocaust denial or neo-Nazi material. It must be remembered that this is a \*conservative\* estimate as some of the profiles of the remaining 37% are hidden and \*may\* also contain antisemitic content or may be either Jewish or Palestinian.

These figures refine the findings from the first Palestine Live report. **Those who display hard-core anti-Zionist tendency, and are neither Jewish, nor Palestinian, are more than likely to be sharing hard-core antisemitic ideology. This is what demonstrates outside AIPAC. An alignment of hard-core antisemites, holding hands with the anti-Zionist Jews as they combine forces to attack the Jewish state.**

We will now take a closer look at some of those inexcusably holding the hands of these extremists inside Palestine Live.

## Jewish Voice for Peace

As soon as the concentration levels of antisemites, especially those spreading white supremacist material, becomes evident, it becomes clear there is a deep sickness in anti-Israel activism. We turn our attention back now to groups who align with these extremists.

Jewish Voice for Peace have just publicly renounced Zionism.<sup>213</sup> This seem little more than a publicity stunt for an organisation that has been visibly anti-Zionist for years.<sup>214</sup>

In public they do try to keep up appearances. In 2012, Jewish Voice for Peace (JVP) distanced itself from Greta Berlin and the free Gaza Movement because of antisemitic Tweets that Berlin had made from the account:<sup>215</sup>

Rebecca Vilkomerson, the Executive Director of JVP is clearly aware she needs to distance herself and JVP in public from these antisemitic ideologies.<sup>216</sup>

Here is Vilkomerson publicly rejecting Miko Peled:

And JVP publicly rejected Alison Weir in an online post in 2015.<sup>217</sup>

So why on earth is Vilkomerson an active member of Palestine Live?

<sup>213</sup> See JVP statement <https://jewishvoiceforpeace.org/zionism/>

It is not as if Vilkomerson does not know who these Palestine Live members are:

Beyond these three well-known activists, the relationship between JVP and hard-core antisemites is a constant theme wherever one scratches the surface. In 2018, Vilkomerson organised an open letter from forty 'Jewish groups' rejecting the IHRA definition of antisemitism. It was an impressive sounding list and these actions, which legitimise real antisemitism are always widely spread globally. The article in the Independent was shared over sixty-two thousand times.<sup>218</sup> This doesn't count the shares of the original JVP statement.<sup>219</sup>

Even a basic search of the 'forty groups' mentioned in the list highlighted that many, if not most of these 'groups', were one-or-two activists with an 'organisational' name.<sup>220</sup>

The letter was published and is frequently used by enemies of Jewish people in order to suggest antisemitism is a 'ploy' used by Jews to stifle criticism of Israel.<sup>221</sup>

The visible face of ‘Scottish Jews against Zionism’ is Yolanta Hadzic, who seems to have ‘adopted’ a Jewish identity solely to attack Israel:<sup>222</sup> These are some posts from the public face of ‘Scottish Jews against Zionism’, one of the organisations that signed that JVP letter:<sup>223</sup> These are the people JVP align with to protect antisemitism:

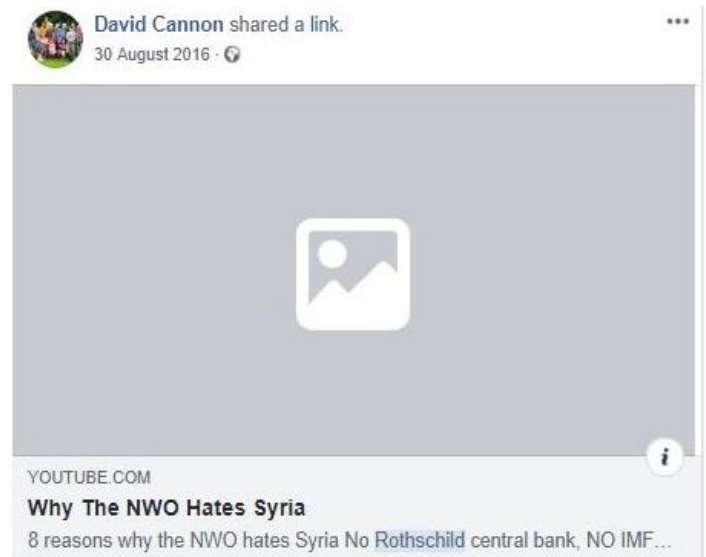

One of the groups in the open letter didn't really exist. It was an ‘unofficial’ JVP Branch in the UK, that apparently was formed by UK based ‘members of JVP’ - specifically in order to sign the letter.

<sup>222</sup> <http://david-collier.com/bbc-antisemites/>

<sup>223</sup> The video on the left can be seen here <https://www.youtube.com/watch?v=GK4QeY3BNDw> it suggests the 6 million figure is made up. The article on the right relies on fake / misrepresented documents. Jewish Voice for Peace UK eventually had an ‘opening event’ on September 2nd, 2018.<sup>224</sup> The person who organised the event and led it during the evening, was David Cannon. These are some of his posts.<sup>225</sup>

In 2017 and 2018, Tom Suarez was **sponsored by JVP** to tour and speak in the United States.<sup>226</sup>

Suarez spoke about a book he wrote called ‘State of Terror’. Both myself and fellow researcher Jonathan Hoffman followed in Suarez’s footsteps through the National Archives to check the sources that he used. Suarez demonises early Zionists by fabricating quotes, misrepresenting documents and cherry-picking sentences from data that entirely disagrees with the points he is desperate to make. A large and well-researched report was produced that entirely discredited the work as an antisemitic piece of fiction.<sup>227</sup>

<sup>225</sup> For ‘complete lists of banks’ article see <http://humansarefree.com/2013/11/complete-list-of-banks-ownedcontrolled.html> The site pushes Rothschild conspiracy, the Khazar myth and all manner of antisemitic conspiracy. It blames the Jews for the Holocaust and links to the most racist sites on the internet. The YouTube NWO video is no longer available.

<sup>226</sup> As a point of note, the group where Tom Suarez shared his ‘regret’ post is called ‘Labour Against the Witchhunt’. It is a secret Facebook group for people who have been suspended or expelled from the Labour Party for antisemitism.

<sup>227</sup> [http://david-collier.com/wp-content/uploads/2017/09/170904\\_V10\\_FINAL\\_Analysis-of-State-of-Terror-by-Thomas-Suarez.pdf](http://david-collier.com/wp-content/uploads/2017/09/170904_V10_FINAL_Analysis-of-State-of-Terror-by-Thomas-Suarez.pdf)

Not surprisingly, Suarez was - until recently- a member of Palestine Live:

In sponsoring Suarez, JVP are not walking with peacemakers, they are funding those who are rewriting the tragic history of the Jewish people during the 1930s and legitimizing antisemitic lies. They then spread this antisemitic poison amongst Jewish people in the United States.

Vilkomerson was active in Palestine Live. This is Vilkomerson hanging out with people who share Holocaust Denial material and all manner of hard-core antisemitic ideologies:

It is important to remember that Elleanne is not just 'anybody', it is her group, and created in her image. That is Rebecca thanking someone who has shared 100s of antisemitic posts. For Vilkomerson, Green is the ally and I am the enemy.

Vilkomerson is not the only JVP member in Palestine Live. Rabbi David Mivasair has been an active member of the group for four years. Mivasair is part of Independent Jewish Voices Canada.<sup>228</sup> He is also part of the JVP Rabbinical Council.<sup>229</sup>

Mivasair posted frequently in Palestine Live, asking the antisemitic group for advice and information:

He is talking here to Eleanne Green and Penny Carter. Green we know, this is Carter:

Everywhere that Rabbi David Mivasair stepped in Palestine Live, he was surrounded by antisemites.

Look at this tweet of his from October 2018:

'False charges'? Are Elleanne Green and Tony Gratrex not problematic enough? On the next page it becomes even more cynical.

This is a Rabbi, inside Palestine Live, mobilising antisemites on the issue of antisemitism:

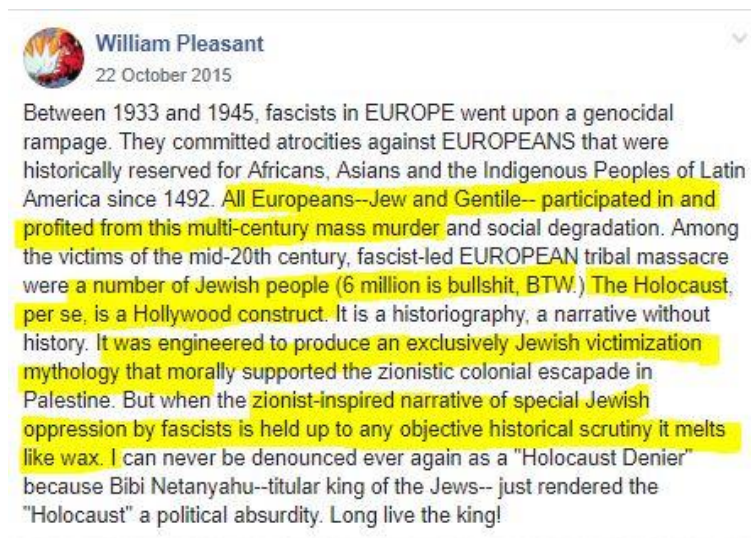

The (approx.) 70% levels of people who support antisemitic ideology are almost constant in Palestine Live. This turns Mivasair's activity in the group (which never ONCE extended to fighting an antisemite) into a truly sickening spectacle. Here is a thread where he mocks Canada's battle against antisemitism:

In the image, three people join him in making comment. Elleanne Green, Hamdi Abu-Zalaf and William Pleasant. What follows are examples of shares from the three:

Sharing neo-Nazi *Politicalvelcraft*?<sup>231</sup> Icke's 'Rothschild Zionism'?<sup>232</sup> People who think the Holocaust was engineered by Hollywood and Ken O'Keefe fans sharing an interview on the 'Crane Report'.<sup>233</sup> Just with whom is 'the good Rabbi' joking about antisemitism?

In the UK, it is always these blind-to-antisemitism Jewish people who are the most active. This seems to apply outside the UK as well.

Currently, Mivasair is behind a petition to remove charity status of the JNF in Canada:<sup>234</sup>

The image shows two overlapping screenshots. On the left is a screenshot of the Parliament of Canada's E-petitions website. The page title is "E-1999 (INCOME TAX SYSTEM)". It was initiated by David Mivasair from Hamilton, Ontario, on January 9, 2019. The petition is open for signature until May 9, 2019. The keywords listed are "Charitable organizations", "Income tax", and "Jewish National Fund of Canada". On the right is a screenshot of a Facebook post from Elleanne Green, dated 1 March at 03:13. The post says "Thank you Rabbi David Mivasair ... proud to know you ...". Below the text is a photo of Rabbi David Mivasair wearing a purple t-shirt that says "OCCUPATION IS NOT OUR JUDAISM". The post is from the group "PALESTINE LIVE" and includes a link to a petition campaign: "Petition campaign calls on the federal government to revoke the charitable status of the Jewish National Fund Canada |".

And of course, Mivasair went prowling for signatures in Palestine Live:

The image is a screenshot of a Facebook post by David Mivasair, dated 4 February at 21:13. The post is addressed to the group "PALESTINE LIVE". The text of the post reads: "Ontario MPP Rima Berns-McGown is clear. What other Canadian public figures will speak out for justice and upholding Canadian law? Canadian? Join her in signing the parliamentary petition to the Minister of National Revenue to revoke the bogus charitable status of the Jewish National Fund Canada. Fake news sites often do not last long, so there is no way of knowing what the original deleted post was. In any event, this is irrelevant. The exercise is to highlight just how these Jewish anti-Zionists, freely swim in a forum with a high concentration level of rabid antisemites. The people in the thread with Mivasair are Elleanne Green, Lara Dale, Joanne Town, Leisa Irwin, Ciara Maire Ni Heachain, William Matthews and Susan DePace Shaikh.

Before we address those posting in the thread, a reminder. This is a Rabbi who actively downplays antisemitism and **frequently uses his identity and his position** publicly to suggest that he knows what antisemitism is, and it is nowhere near him. Some of his posts on the subject:

So, who was in that thread? Elleanne Green we know. Next was **Lara Dale**.<sup>235</sup>

Israel's ties to the JFK assassination: Michael Collins Piper explains that when we "follow the money" behind the JFK assassination, we find Zionists holding the purse strings. New Orleans DA Jim Garrison discovered that the covert operators behind the JFK coup were financed by a black-ops bank called Permindex, a subsidiary of a Swiss bank owned by legendary Mossad financier Tibor Rosenbaum. Permindex itself was chaired by Louis M. Bloomfield, the Israel lobby chieftain and kingpin of the Bronfman family of Canada. The Bronfmans have long been associated with Meyer Lansky's crime syndicate, and are one of the biggest "money powers" behind Israel. So the Zionists were at the top of the money pyramid that "owned" the CIA black operators.

Contrary to Allied propaganda claims of the time, and Holocaust allegations in recent decades, though, these unfortunate prisoners were victims of typhus and starvation that were indirect consequences of the war – not of any deliberate policy. Everywhere Efrati appears, he is giving support to those that hate Jews:<sup>248</sup>

This is who Efrati was telling to ‘keep up the good fight’, Noohrie Evonlady:

Here is Efrati making plans with Elleanne Green:

28<sup>th</sup> March to 2<sup>nd</sup> April 2017: Anti-Zionist Jews and those who promote antisemitic ideologies, aligning to fight AIPAC.

Others listed on the JVP Board of Trustees are also in the group. Phyllis Bennis is another long-time member of the group (although not visibly active).

Bennis has a lot of nasty antisemites (and fellow Palestine Live members) in her Facebook friends list. Another JVP Trustee in the group is Beth Harris:

Harris turns to this group of antisemites for support. Once again, we have evidence of JVP- and other 'Jewish' organisations seeking to make their voice louder than it is, by relying on the motivation levels of those who hate Jews:

JVP's Seth Morrison is another JVP Trustee and extremely active. According to his profile, he manages JVP Las-Vegas:

**Seth Morrison**

Added by Elleanne Green on 24 June 2014

It would take an entire report to list the antisemites around who Seth Morrison seems comfortable. He has made a dozen posts in just the last few weeks. Four examples:

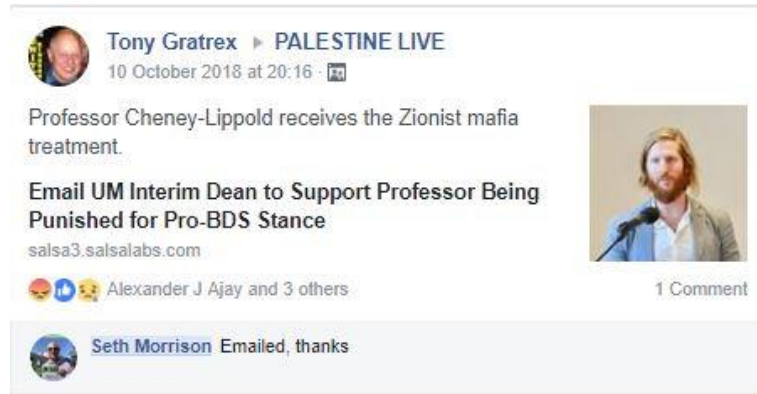

Some of his activity is disturbing. Take this comment from October 2018:

Putting aside the vile Amira Haas article.<sup>249</sup> Morrison seems to call for American Jewish leaders to stand trial in an international war crimes forum for their support of Israel. Note he does not refer to all Americans that have supported Israel, just the Jewish ones.

We have seen Morrison with Green, here he is with Tony Gratrex. The conspiracy theorist, with a '9/11 truth' profile picture, needs help in an email campaign, Morrison steps up:<sup>250</sup>

Like Elleanne Green, Gratrex has shared hundreds of posts that push international conspiracy theories involving 'Zionists'.<sup>251</sup> A reminder of Tony Gratrex shares:<sup>252</sup>

It must be remembered that Seth Morrison constantly uses his Jewish identity, the ‘as a Jew’ to fight against accusations of antisemitism. He waves the JVP badge protecting those that stand alongside him.

To understand how truly sickening these statements are, let us look at who Seth Morrison is helping, assisting and supporting:

Here is Morrison celebrating with Alexander Ajay:

This is another article Ajay shared:

The link is to Holocaust Denier David Irving's website.<sup>253</sup>

Here is a Morrison comment under an Alec Tredwell thread:

Here is an exchange that took place under a Roy Smart thread:

<sup>254</sup> <https://rehmat1.com/2017/08/18/mossad-behind-barcelona-van-attack/> Rehmat1 is brutally antisemitic

Who was Morrison helping to ‘boycott Israel’? These are a couple of Roy Smart’s shares:

The first article is a link to a website explicitly set up to deny the Holocaust.<sup>255</sup> The next article is to a website that no longer exists. The deeply antisemitic article was a retelling of Rothschild conspiracy that blamed the Jews for the Holocaust and all that is wrong in the world. It is still possible to view the article via an archive.<sup>256</sup>

Free yourself from a lifetime of Holo-brainwashing about "Six Million" Jews...

This is more blatant Jew hating, neo-Nazi, white supremacist propaganda.<sup>257</sup> Morrison had commented that 'they can't bear the truth'. Should he be asked which truth can't they bear? How can it be that time after time, Morrison is ganging up against Israel with these people? What you are seeing is the real face of JVP. Another one. Inlakesh had posted about CNN firing Marc Lamont Hill.<sup>258</sup> Who was Morrison instructing to complain to CNN?

**Robert Inlakesh** Yes there is two sides. 1 has been destroyed and subjected to apartheid and occupation, the other owns the banks, mainstream media, was responsible for the actions on 9/11, the attack upon the USS liberty, and enforces the apartheid, this side believes in complete and utter racial supremacy, they have been responsible for the deaths of many millions of people, they own Hollywood and brag about it, they control literature and most of the best selling books we read. These are the Jewish power elites that ran 85% of the Atlantic slave trade resulting in the deaths of 150 million people, both Columbus and Captain Cook were of this category. They were the young Turks who massacred 1.2 million Armenians and 750,000 Assyrians, they were the Bolsheviks who killed 60 million in Russia and 11 million within the space of a year in the Ukrainian Holodomor. In 1896 before the mass immigration of Jews to Palestine only 3 percent of the population was Jewish and the Palestinians and Jews had been living in peace and harmony together for 1700 years. In the latest Gaza bombardment, no innocent Israelis have been killed, over 2000 have been slaughtered of the Palestinian population. Even the 4 % of Jews that aren't brainwashed by Zionism hate Israel, look it up, Rabbis even burn the Israeli flag and wear the Palestinian one with pride .

These are just \*some\* of the occasions Morrison has commented directly on the post of someone who personally shares Neo Nazi material, Rothschild Conspiracy theories or Holocaust denial. This doesn't count dozens of other occasions that Morrison has commented within a thread, where hard-core antisemites can also be found inside.

Here is one more example, where Morrison has commented explicitly beneath an article shared from 'theuglytruth.com', another antisemitic conspiracy site that spreads Holocaust denial.<sup>259</sup>

As always, Morrison is surrounded by those who share far-right material. Elleanne Green needs no further introduction. You can see examples of Susan DePace comments and ‘likes’ earlier in the report. Morrison actively protects those accused of antisemitism – yet we can see that he appears unable to recognise neo-Nazis even when he is surrounded by them in an internet Facebook group. Instead he holds their hands and helps them to attack Israel.

Mark Levine is part of JVP's 'academic council'.<sup>260</sup>

And a member of Palestine Live:

Elleanne Green met LeVine at the Trinity College Dublin event:<sup>261</sup> These gatherings are created to legitimise anti-Israel attacks with an academic façade, they provide a good opportunity for people with anti-Jewish feelings to network and receive training into how to disguise their racism.<sup>262</sup>

The thread above is a good example of the make-up of Palestine Live and indeed much of hard-core anti-Israel activity. It is a mix of antisemites and the fringe elements of anti-Zionist Jewry. Gratrex the hard-core conspiracy theorist shares an article from Mondoweiss, a media outlet created by anti-Zionist Jews. Four people respond, antisemitism is clearly on display and everyone involved is either an anti-Zionist Jew or someone who shares antisemitic material.

Gratrex, Penny Carter, Tresa Archer and Kerry Oldfield join LeVine in this thread:

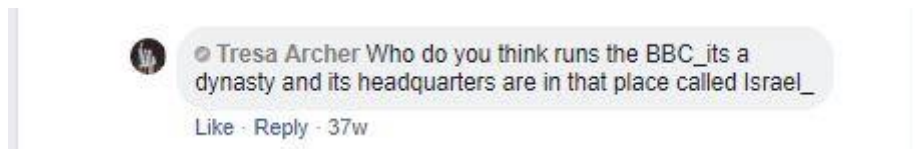

The 9/11 truth image has been Tony's profile picture for years and it would have been in place when LeVine chose to respond to both of his articles.

Earlier I highlighted **Penny Carter**'s Rothschild conspiracy and Israel as ISIS posts. This is how she responded when in the middle of an exchange under a post about 'Jewish-Zionist' media indoctrination, someone linked her to a video called 'a 6000 Year History of the Jew World Order'.<sup>263</sup>

**Tresa Archer**'s 'smart' comment in the original Tony Gratrex thread is a bit of a giveaway. Here is one other comment for any doubters:

**Kerry Oldfield** leads with the Khazar Myth. Let's add Holocaust Denial to that:

We can see comments from those already mentioned, Greta Berlin, Alison Weir and Elleanne Green. The other three comments in the thread are from Rich Forer, Marlene Newsri and Anna Ruiz.

Rich Forer is an 'activist and author' and apparently an American Jew. He featured in an award-winning documentary called 'Jews Step Forward'.<sup>266</sup> Marlene Newsri has been active for many years and also identifies as an American Jew.<sup>267</sup> Which just leaves Anna Ruiz:

I have no idea why Anna thinks Jewish folks want to 'cash in', nor why she believes we are 'pathetically insecure'. Perhaps it is because she relies on rabidly antisemitic conspiracy websites for news. Such as 'World Truth TV':<sup>268</sup>

<sup>266</sup> See <http://www.jewsstepforward.com/cast.html>

<sup>267</sup> See <https://jfprior.wordpress.com/2013/04/17/jews-for-palestinian-right-of-return-updated-list-295-signers-419-allies/>

<sup>268</sup> See <https://mediabiasfactcheck.com/world-truth-tv/> for article see <https://worldtruth.tv/russia-issues-international-arrest-warrant-for-rothschild-soros>

Or perhaps because the Holocaust denying, white supremacist, neo-Nazi website '*Renegade Tribune*' is also a source of news for Ruiz?<sup>269</sup>

In a list of six people posting in a thread, four flirt with hard-core antisemitism, white supremacy, neo-Nazi material or Holocaust Denial. So how can it be that the other two in the thread are anti-Zionist Jews? As was shown with the research into UK anti-Zionist Jews, these people are either blind or simply do not seem to care.

In the list of American Jews who participated in the documentary 'Jews Step Forward' are several Palestine Live members. Rae Abileah was \*recently\* made a member again (she was a member a few years ago, left and seems to have rejoined):

Abileah is a former Director of Codepink (see part one of this report).<sup>270</sup> Abileah's Facebook friends list includes people like Elleanne Green, the antisemitic Director of the Palestine Solidarity Campaign, Tapash Abu Shaim and Anna Elliott.<sup>271</sup>

<sup>269</sup> See article <http://www.renegadetribe.com/51-years-ago-the-us-covered-up-an-israeli-false-flag-attack-that-killed-34-americans-wounded-173> for Wiki see [https://en.wikipedia.org/wiki/Renegade\\_Tribune](https://en.wikipedia.org/wiki/Renegade_Tribune)

<sup>271</sup> For Tapash See <https://order-order.com/people/tapash-abu-shaim/> and <https://beta.companieshouse.gov.uk/company/05213508/officers>

Here is Elliott sharing David Duke and Dailystormer:<sup>272</sup>

And here she is sharing a link from 'The Mouse House':<sup>273</sup>

The link above blames the Jews for everything, including Kristallnacht. These people are not just dormant friends - Abileah likes and comments on their pages. Nobody is suggesting she likes or shares these antisemitic posts - but what are Jewish people doing hugging those who share David Duke posts at all?

Abileah may be a second time member to Palestine Live, but other participants of the 'Jews Step Forward' documentary are veterans. Alice Rothchild has been a member for years.

Rothchild also appears to be a dormant member. The same cannot be said for Jeff Blankfort, who was added on the second day of the group's existence:

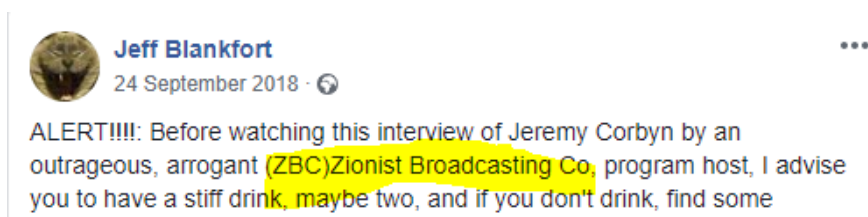

Jeff Blankfort

Added by Elleanne Green on 3 August 2013

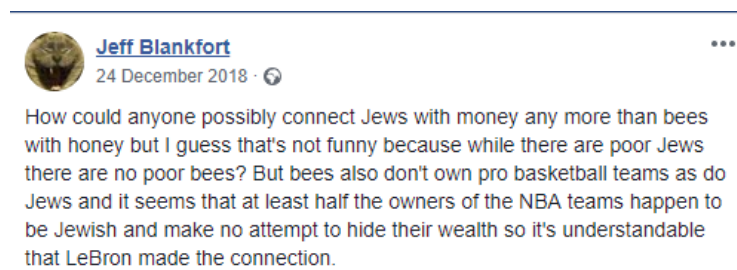

Blankfort is a radio producer.<sup>274</sup> Blankfort uses Nazi analogies himself:

And seems to refer to the BBC as the 'Zionist Broadcasting Co':<sup>275</sup>

And makes comments such as this:

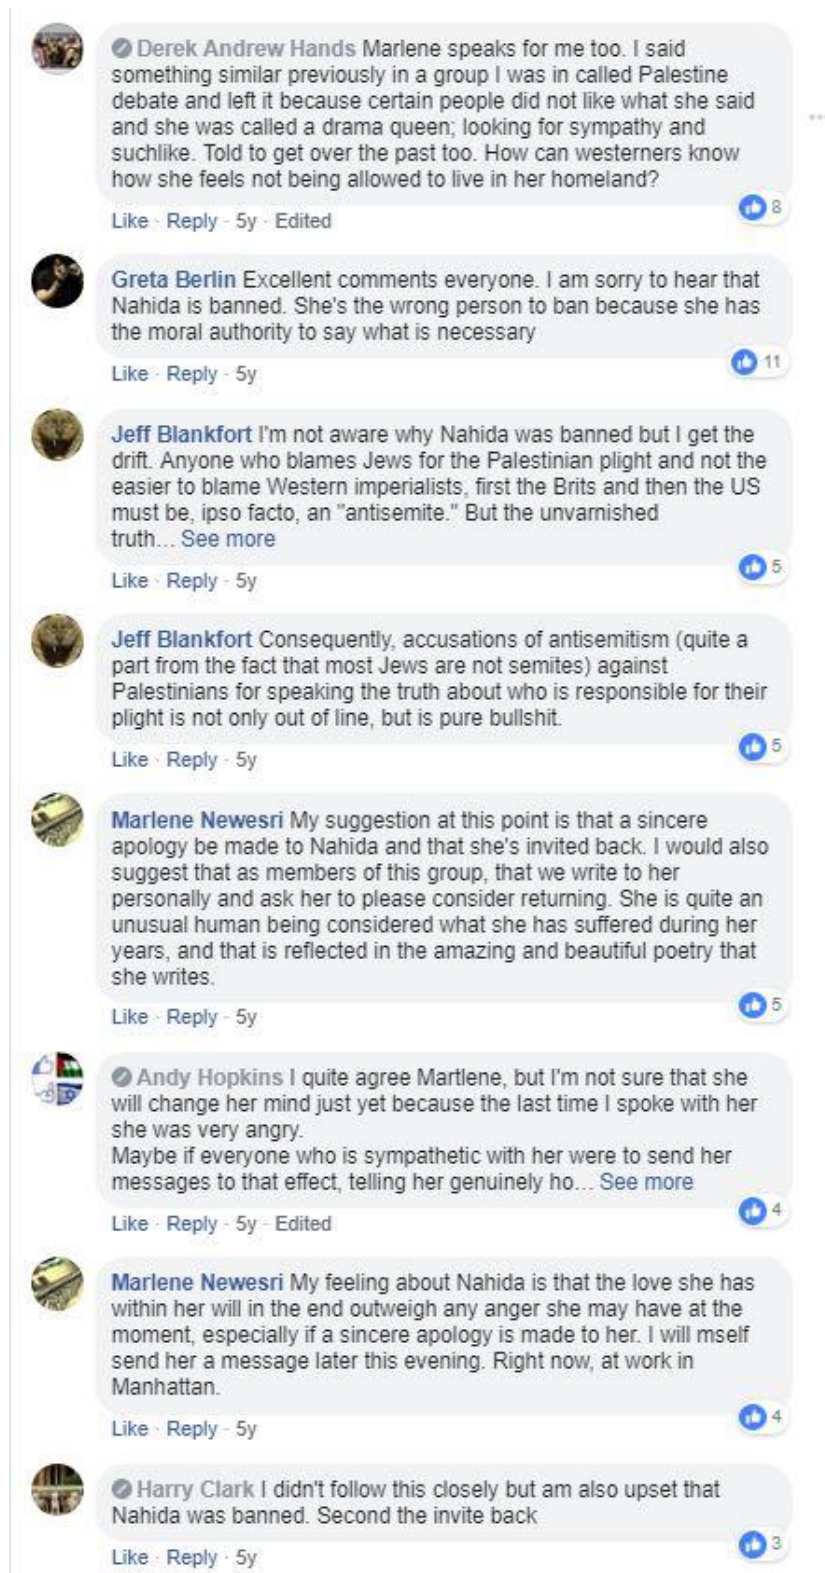

Blankfort has been highly active in Palestine Live. I wish to draw on a thread from the early days of the group's existence. A poster called Nahida Exiled had been banned, because she was considered obsessively antisemitic. These were crossroad days for the soul of the group, and it wouldn't be long before Elleanne Green came down on the side of the antisemites.

<sup>274</sup> See [https://www.sourcewatch.org/index.php/Jeffrey\\_Blankfort](https://www.sourcewatch.org/index.php/Jeffrey_Blankfort)

<sup>275</sup> Blankfort's comment linked to an Algemeiner article, the only video within was a BBC interview with Corbyn – see <https://www.algemeiner.com/2018/09/23/corbyn-denounces-former-uk-chief-rabbi-as-poll-shows-antisemitism-eroding-his-support/>

A thread was opened questioning Nahida's expulsion. The Original poster (Marianne Torres), Elleanne Green and Pam Arnold had made comments.<sup>276</sup> Then came this section

The screenshot shows a vertical list of eight Facebook comments. Each comment includes a profile picture, the user's name, the text of the comment, and interaction buttons (Like, Reply, Edited) with a like count. The comments are as follows:

- Derek Andrew Hands**: Mariene speaks for me too. - Greta Berlin**: Excellent comments everyone. I am sorry to hear that Nahida is banned. She's the wrong person to ban because she has the moral authority to say what is necessary (11 likes)
- Jeff Blankfort**: I'm not aware why Nahida was banned but I get the drift. Anyone who blames Jews for the Palestinian plight and not the easier to blame Western imperialists, first the Brits and then the US must be, ipso facto, an "antisemite." But the unvarnished truth... See more (5 likes)
- Jeff Blankfort**: Consequently, accusations of antisemitism (quite a part from the fact that most Jews are not semites) against Palestinians for speaking the truth about who is responsible for their plight is not only out of line, but is pure bullshit. (5 likes)
- Marlene Newsri**: My suggestion at this point is that a sincere apology be made to Nahida and that she's invited back. I would also suggest that as members of this group, that we write to her personally and ask her to please consider returning. She is quite an unusual human being considered what she has suffered during her years, and that is reflected in the amazing and beautiful poetry that she writes. (5 likes)

- Marlene Newsri**: My feeling about Nahida is that the love she has within her will in the end outweigh any anger she may have at the moment, especially if a sincere apology is made to her. I will mself send her a message later this evening. Right now, at work in Manhattan. (4 likes)
- Harry Clark**: I didn't follow this closely but am also upset that Nahida was banned. Second the invite back (3 likes)

This is clearly a Nahida fan club and everyone is on board about how Palestinians should be allowed to be antisemitic. Worthwhile pointing out too that Blankfort's 'most Jews are not Semites' comment is the type of ignorant rhetoric we hear from hard-core haters. Harry Clark rounds this section off:<sup>279</sup>

The next Clark example came underneath a post about Holocaust denial. Notice there is no outrage at the antisemitism, merely exasperation at the false logic and waste of resources.

Harry Clark left Palestine Live, not over the antisemitism in the group, but over Nahida's expulsion. Nahida was kicked out for a string of twisted, hard-core antisemitic comments in tandem with what even Green described as '*racist and hate filled private messages*'.

Look at Blankfort's contribution in the thread again. It was to dismiss and excuse the allegations of antisemitism. All whilst surrounded by those like Elleanne Green, Pam Arnold, Greta Berlin and Andy Hopkins.

-  **Jeff Blankfort** I loved that moment in Congress, which is probably still on You Tube when you challenged Donald Rumsfeld over the stand down of NORAD on 9/11 and when he couldn't handle the question, he turned to Chief of Staff Richard Murphy to answer you and he stumbled around trying and failing to give you a straight reply. How many Americans know about that stand down? Not many because even the liberal media are too afraid to discuss it.

This is an image Cynthia shared on her own FB page in March 2017:<sup>281</sup>

And like most in Palestine Live, McKinney seems to like to blame the Zionists for everything:<sup>282</sup>

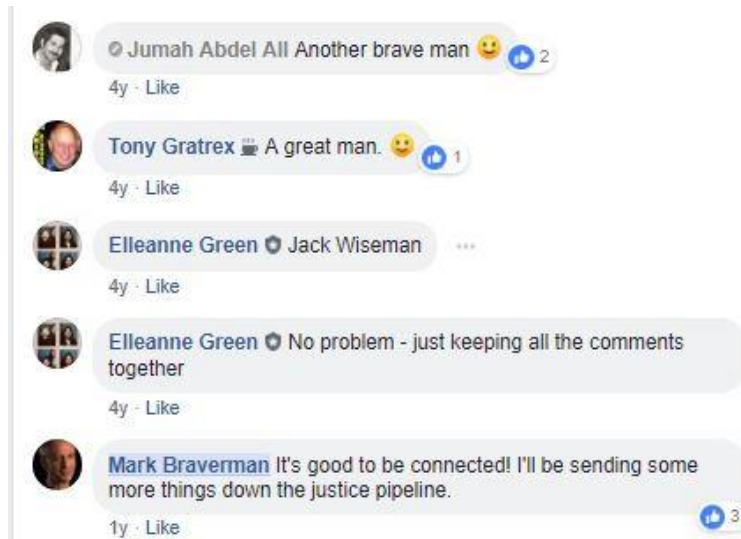

<sup>281</sup> The article comes from <https://www.globalresearch.ca/the-federal-reserve-cartel-the-eight-families/25080>? **Mark Braverman** was also in Jews Step Forward. Braverman is Jewish, he is also a leader of Kairos USA.<sup>283</sup> Mark joined Palestine Live in 2014.

This is his first post in the group, in a thread in which Elleanne announced his arrival:

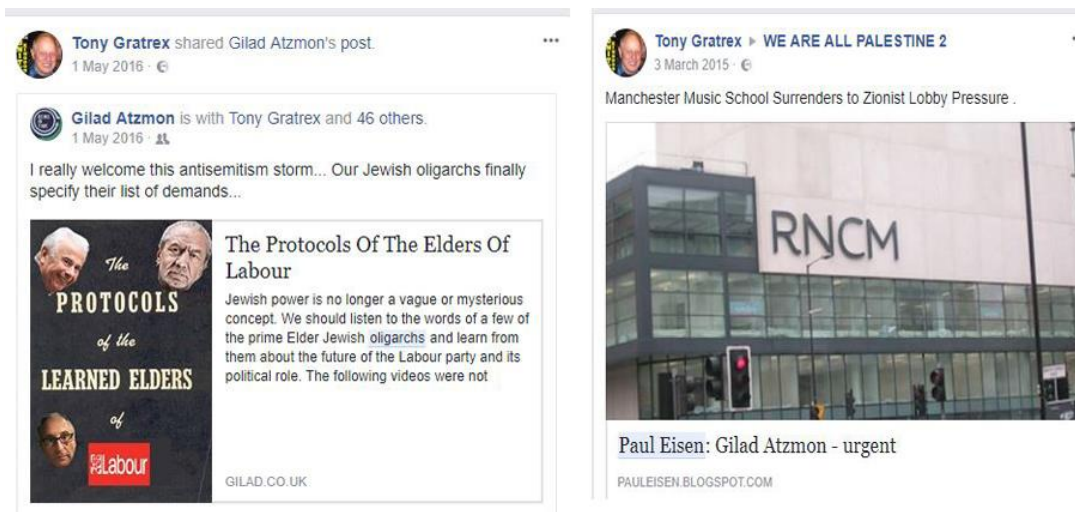

Elleanne we have met. The two other people in this image are Jumah Abdel All and Tony Gratrex:<sup>284</sup>

<sup>283</sup> See <https://kairosusa.org/>

<sup>284</sup> The Holocaust Denial post was probably the most popular post the Renegade Tribunal ever published. Tony Gratrex is known to all those who regularly follow antisemitism in the UK. A hard-core antisemitism conspiracy theorist.<sup>285</sup> He was for several years admin of the Facebook Group Palestine Live. He has made 100s of unacceptable posts:<sup>286</sup>

Gilad Atzmon and Paul Eisen? Gratrex has linked to every crackpot racist website on the planet. Whether he is aware of it or not, Mark Braverman is commenting on 'how good it is to be connected' to a bunch of antisemites, but the real damage is in posts such as this:

An article about how BDS is not antisemitic, written by Braverman. Given he is inside Palestine Live commenting on how good it is to connect with people, how is Braverman qualified to even discuss what antisemitism is and what it is not? And yet here he is supplying antisemites with the weapons they need to attack Israel.

Unlike many of the other members, Braverman was not added to the group by Elleanne Green. Braverman was added by someone named Catherine Strout.

Strout was already a FB friend, at the time, in May 2014, Green was not:

It seems as if Strout was already a friend. This are some of Strout's shares:

Above we have a share from 'Infowars'.<sup>287</sup> Horseshoe theory doesn't cover it. The conspiracy is based on the findings of 'rense.com'. At every turn, neo-Nazi ideology is starting us in the face.<sup>291</sup>

## Amnesty International inside Palestine Live

Alli McCracken from Codepink met Raed Jarrar from Amnesty international at an event. Alli became McCracken-Jarrar and they now both work for Amnesty International.<sup>292</sup> Raed Jarrar is Amnesty International USA's Middle East and North Africa Advocacy Director.<sup>293</sup> Alli describes herself as Amnesty's 'North America Campaigner'.

McCracken-Jarrar was a member of Palestine Live at the time I published the report in March 2018, whilst already wearing her 'Amnesty' hat: She left the group soon afterwards.

Alex Neve, Secretary General of Amnesty Canada, was a member at the time and left the group in 2018.

This post was proudly shared by Alli Jarrar inside Palestine Live:

What is interesting about this Codepink action is that Ariel Gold is standing alongside Farrah Shields:

<sup>292</sup> <https://www.nytimes.com/2018/04/28/fashion/weddings/love-not-war-resonates-for-two-activists.html>

<sup>293</sup> <https://www.amnesty.org.uk/press-releases/israel-denies-entry-amnesty-staff-member>

Who is standing with Ariel Gold helping her to boycott the Jewish state? This is Farrah Shields sharing Icke's Rothschild Zionism:<sup>294</sup>

And here she is posting conspiracy about the Mossad, Lockerbie and the horrific London 7/7 bombings:<sup>295</sup>

The website, '*uprootedpalestinians*' is an antisemitic website, which posts anti-Jewish hate, including Holocaust denial.<sup>296</sup> This is Shields sharing a white-separatist, neo-Nazi website:<sup>297</sup>

<sup>294</sup> <https://www.youtube.com/watch?v=HTwaly5E7OU>

<sup>295</sup> <https://uprootedpalestinians.wordpress.com/2014/08/26/a-slip-of-the-tongue-by-a-former-mossad-agent-about-the-london-bombings/>

And with reference to the discussion on 'Nahida Exiled' on the Jeff Blankfort thread – this is an article of hers on the site about the Talmud and Pedophilia

<https://uprootedpalestinians.wordpress.com/2015/01/09/talmud-where-paedophilia-is-the-law/>

<sup>297</sup> The article is here <http://www.renegadetribune.com/facebook-israel-officially-announce-collaboration-censor-social-media-content/>

These blind, foolish and naïve Jewish anti-Zionists are never more than half-a-banner away from hard-core antisemitism at every action they take. Jarrar made several posts inside Palestine Live. Ever wondered where the Airbnb campaign gathered momentum? In sewers like Palestine Live:

This isn't an afterthought. The Airbnb post was shared onto Codepink's timeline at 17:43 on 20<sup>th</sup> January 2016.<sup>298</sup> Jarrar shared it onto her own timeline at 17:45.<sup>299</sup> The post was shared into Palestine Live at 17:48:

This element of anti-Israel activism is never fully understood. When projects need momentum, when petitions need signatures, when any action needs support – groups like Palestine Live are used as launch pads. Trust the rabid antisemites to put a few hundred signatures onto a letter. Once that faux air of legitimacy has been provided, the more neutral activists, convinced the activity looks well supported, add their names. **Jewish anti-Zionists get nowhere without the antisemites.**

As Alli McCracken, Jarrar posted in Palestine Live for a period of three years. Every time she posted, those that responded share antisemitic material. This doesn't mean Jarrar shared it herself, but if these people really cared about anti-Jewish racism, then how can they exist in such a group, for such a long time?

<sup>298</sup> <https://www.facebook.com/codepinkalert/photos/a.192092444694/10153878135279695>

<sup>299</sup> <https://www.facebook.com/allimccrack/posts/10205470892506869>

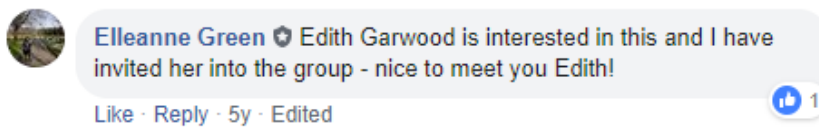

More to the point, if Amnesty is 'impartial', why is it recruiting hard-core anti-Israel activists?<sup>300</sup> Whilst there is no evidence that Jarrar or Neve ever posted as Amnesty employees, this cannot be said for Edith Garwood:<sup>301</sup> Garwood has been the 'Country Specialist' for Amnesty for over 30 years. She also manages an Amnesty Facebook Page.<sup>302</sup>

## Experience

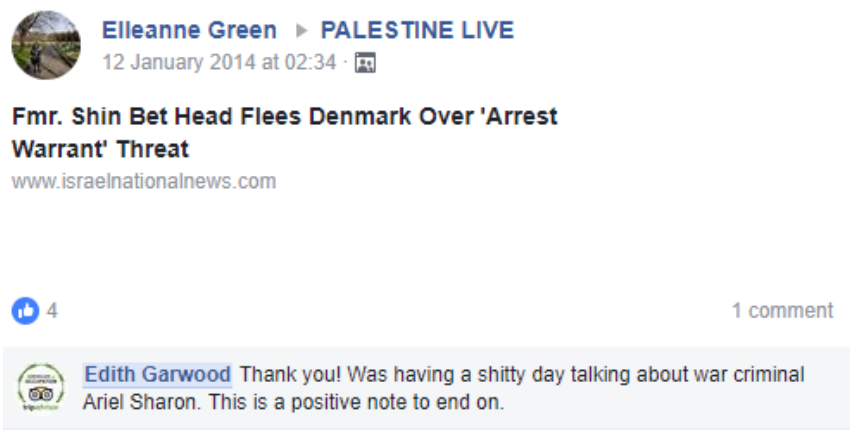

Country Specialist on Israel/OPT/State of Palestine(member leader)  
Amnesty International USA  
December 1987 – Present • 31 years 4 months  
U.S. section

Garwood was invited into Palestine Live on 7 January 2014, as news broke that the Rolling Stones were planning to play that summer in Israel:

Within a few days she was active in the group:

Much of Amnesty's core Statute, references the notion of impartiality.<sup>303</sup>

### What does Amnesty International do?

We work independently and impartially to promote respect for all the human rights set out in the Universal Declaration of Human Rights.

<sup>300</sup> <https://www.ngo-monitor.org/amnesty-usas-newest-anti-israel-hires/>

<sup>301</sup> <https://www.linkedin.com/in/edith-garwood-9a187b2b>

<sup>302</sup> <https://www.facebook.com/AmnestyUSAMENA/>

<sup>303</sup> See <https://www.amnesty.org/download/Documents/POL2072982017ENGLISH.PDF> and <https://www.amnesty.org.uk/frequently-asked-questions>

It claims impartiality, yet here are several employees who are all clearly anti-Israel activists engaged with a deeply antisemitic Facebook group. How is it that Edith Garwood, a 'Country Specialist' is inside a group like this? For how long? Five years and counting:

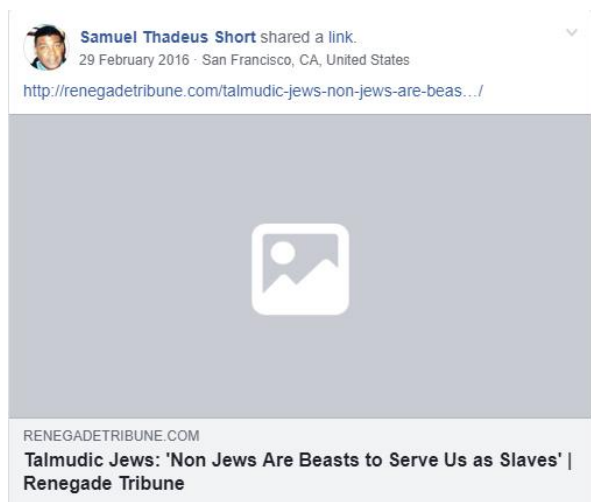

**Edith Garwood**  
Added by Eileanne Green on 7 January 2014

Like everyone else in Palestine Live, Edith hangs out with those who share vile racist material:

Samuel Short is another member of Palestine Live who shares material from openly neo-Nazi websites:<sup>304</sup>

<sup>304</sup> See <http://www.renegadetribune.com/talmudic-jews-non-jews-are-beasts-to-serve-us-as-slaves/> and <http://www.renegadetribune.com/this-is-what-treason-looks-like> for information about the website see [https://en.wikipedia.org/wiki/Renegade\\_Tribune](https://en.wikipedia.org/wiki/Renegade_Tribune)

An example thread with Edith Garwood activity:

A screenshot of a Facebook thread. At the top, Alexander J Ajay shared a link from NEWS.ANTIWAR.COM titled "White House: Israel Cherry-Picking Intel to Distort Iran Talks". The link text reads: "White House Press Secretary Josh Earnest says that Israel has been deliberately 'cherry-picking specific pieces of information and using them out of context' to try to put the US in a bad light in the negotiations." Below the link is a photo of two men, one of whom is Barack Obama. The thread shows several replies: Barbara Corr, Edith Garwood (with a link to a NEWSWEEK.COM article titled "Israel Flagged as Top Spy Threat to U.S. in New Snowden/NSA Document"), Scott Rickard, and Anna Ruiz. Edith Garwood's reply includes the text: "The U.S. NSA considers Israel one of the most aggressive foreign spy agencies on the U.S. yet we share all our raw data with Israel and use their communications facilities and technology. Ironically, we say that the ONLY communications captured by Israeli or shared with Israeli facilities..."

Here is a thread, in which the 'impartial' Edith Garwood responds to a post by Alexander J Ajay. Contributing to the thread are Ajay, Barbara Corr, Scott Rickard and Anna Ruiz. Garwood complaining that the US shares too much information with Israel, which it considers as 'one of our greatest spy threats'. Let us see with whom Amnesty International is spending its time?

"What the book does say is that: When New Orleans District Attorney Jim Garrison charged businessman Clay Shaw with participation in the JFK assassination conspiracy Garrison stumbled upon the Israeli Mossad connection to the murder of President Kennedy. Shaw served on the board of a shadowy corporation known as Permindex. A primary shareholder in Permindex was the Banque De Credit International of Geneva, founded by Tibor Rosenbaum, an arms procurer and financier for the Mossad.

What's more, the Mossad-sponsored Swiss bank was the chief "money laundry" for Meyer Lansky, the head of the international crime syndicate and an Israeli loyalist whose operations meshed closely on many fronts with the American CIA.

Barbara Corr is the least problematic of those in the thread. This is an assumption because much of Corr’s activity is behind privacy settings. Even so, some of her visible comments toy with 9/11, Israel conspiracy with ISIS, Israel buying off European capitals and the ‘Greater Israel’ myth:

Zionism is a misled political movement fabricated by elite Ukrainians, Kazakhs, Europeans, Americans and British religious Zealots in the late 1800s. Zionism was deliberately created to influence Christian and Jewish religious organizations to believe false prophecies of Zion in order to subjugate and occupy Palestine. Most Zionists are ideologically misguided Christian extremists.

Why on earth do Jewish folks want to cash in on everything and everyone being Jewish, and making ties that may at best be tenuous and quite probably only in Jewish minds?

I, for one, don't care who is and who isn't a Jew. (And certainly not David Bowie, Leonard Cohen and Bob Dylan, all who studied Buddhism and were/are activists and humanitarians.) There's nothing special about it. I do, however, deplore the ever-present willingness to make being Jewish a \*specialty\*.

Are Jewish folks really that pathetically insecure? Seeing themselves as ever-the-victim? The real life \*self-hating Jew\*?

**Anna Ruiz** Reminds me of the jokes about Russia during the cold war. Everything we did they did first and better. That was funny.

Wish there were some humour in the Jewish obsession with specialness.

A couple of Jewish friends chose to play "all things defensive about Jewishness"...

Sorry ladies, there's nothing to defend about a culture, unless the culture is indoctrinated into thinking it is above all other people while stealing, murdering other people living on the land Jews covet -- which is the definition of Zionism.

What we see here is Amnesty USA's 'Country Specialist' on Israel, spending her time attacking the Jewish state, inside a secret Facebook group, alongside people who share the Daily Stormer, Renegade Tribune, Rense and other vile antisemitic websites and ideologies.

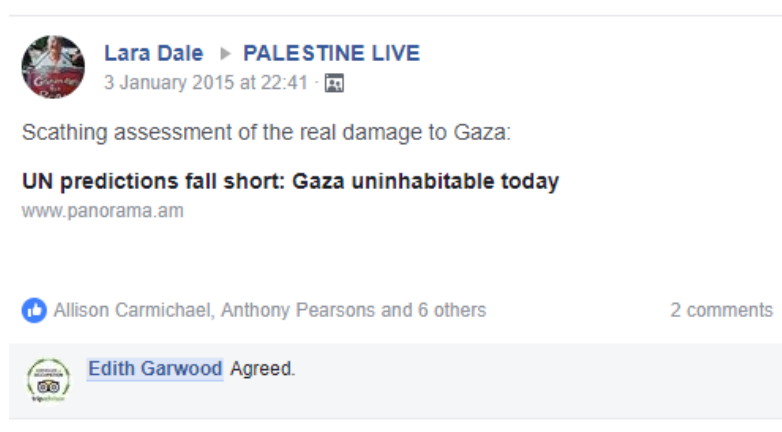

<sup>306</sup> A persistent trend, sharing websites such as Rense.com. See [https://en.wikipedia.org/wiki/The\\_Daily\\_Stormer](https://en.wikipedia.org/wiki/The_Daily_Stormer)

Of course, whilst Garwood shares space with those who share neo-Nazi material, Garwood also pushes the JVL line, denying that antisemitism is a serious problem.

Here is another comment, this time under a post of Lara Dale:

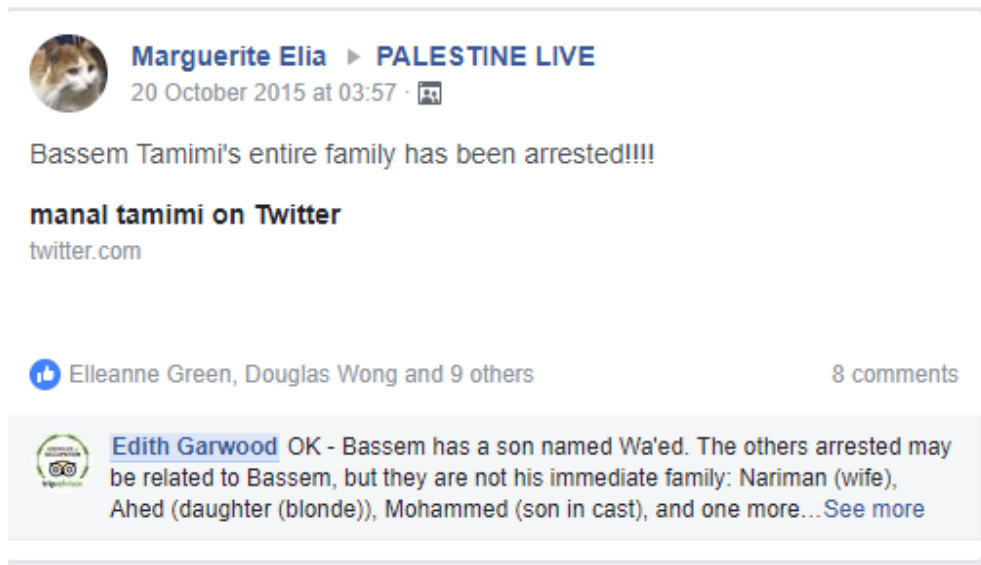

Some of Lara Dale's posts were presented earlier, in the section on JVP. Here is another one:<sup>308</sup>

<sup>308</sup> The article is from David Icke, the website is Rense.com. A highly toxic combination.

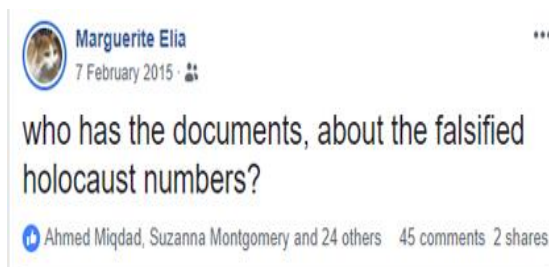

Another Garwood comment, this time under an article posted by Marguerite Elia:

A screenshot of a Facebook post by Marguerite Elia. The post is titled "PALESTINE LIVE" and is dated "20 October 2015 at 03:57". The main text of the post reads: "Bassem Tamimi's entire family has been arrested!!!!". Below this, there is a link to "manal tamimi on Twitter" with the URL "twitter.com". The post has received 8 comments and is liked by Elleanne Green, Douglas Wong, and 9 others. A comment from Edith Garwood is visible, stating: "OK - Bassem has a son named Wa'ed. The others arrested may be related to Bassem, but they are not his immediate family: Nariman (wife), Ahed (daughter (blonde)), Mohammed (son in cast), and one more... See more".

Some other posts by Marguerite Elia:<sup>309</sup>

A screenshot of a Facebook post by Marguerite Elia, dated "7 February 2015". The text of the post asks: "who has the documents, about the falsified holocaust numbers?". The post has 45 comments and 2 shares, with likes from Ahmed Miqdad, Suzanna Montgomery, and 24 others.

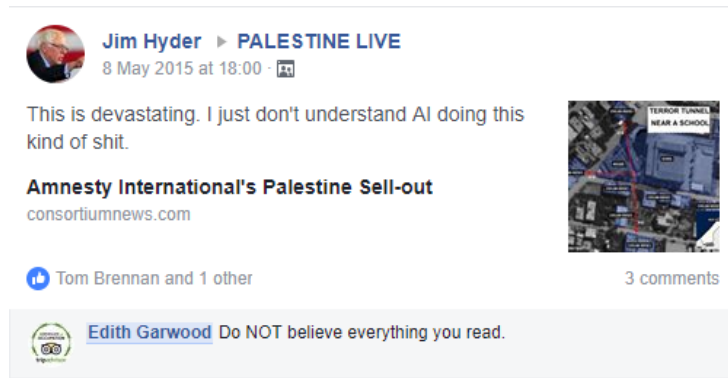

A screenshot of a Facebook post by Marguerite Elia, dated "23 December 2014". The text of the post reads: "THIS RABBI ADMITS THAT MOSSAD WIRED THE BUILDINGS AND HOW THEY ALSO MADE MONEY ON THE AIRLINES THAT CRASHED INTO THE BUILDINGS." A screenshot of a Facebook post by Marguerite Elia, dated "6 July 2015". The text of the post discusses the role of Zionists in World War I and the establishment of Palestine. It states: "the Zionists used their money, power and connections to push the USA into WWI on the side of Britain and Russia. Money talks as the saying goes. In this case money was whispering in the ears of American leaders at the time and the Zionists won. USA entered the war. The Zionists scored another very important victory. They extracted from Britain a big prize for their conniving and treachery. The prize was PALESTINE as a homeland for the Jews. There is little point in dragging this out.<sup>310</sup> Garwood commented under a post by Palestine Live member, Jim Hyder.

These are some examples of the type of conspiracy theories Jim Hyder shares:<sup>311</sup>

### Three logical alternative conclusions.

- Either Garwood is statistically unfortunate, and it is a complete coincidence that so many people she posts alongside, share neo-Nazi material.
- Or Garwood is aware these people share this type of ideology
- Or Garwood (along with those like JVP) are completely wrong and the concentration levels of antisemitism within anti-Israel activism is extraordinarily high.

Whatever the case, Amnesty International needs to look long and hard at all the material this particular 'specialist' has provided. Amnesty should also explain why they employ anti-Israel activists and how they can possibly claim to be impartial.

<sup>310</sup> Screenshots of all these posts have been taken and can be provided if necessary.

<sup>311</sup> There is no suggestion Garwood commented under one of these posts. Here is Eric Paul Hus sharing a post from Rense.com:<sup>317</sup>

The next one is an exercise in ignorance, antisemitism and irony:

In an attack on Jewish remembrance of the Holocaust (and German reparations) Hus references Stalin's Cheka. The antisemitism is clear. Just because some Jewish people may have been part of the Soviet Secret Police is not a 'Jewish crime' for which all Jews are responsible.<sup>318</sup> The true irony here is that these Jews would have been anti-Zionists and their direct ideological descendants are more akin to the Marxist Jews of the far-left, than anything to do with Israel.<sup>319</sup>

**ZEROHEDGE.COM**  
**Israeli TV Shows Footage Of ISIS Training Camp On Israel's Border**

This post plays on the ISIS = Israel conspiracy. The website Zerohedge.com was shown to be an East European conspiracy website. Its content has been classified as 'alt-right' and it

pushes a 'Vladimir Putin=greatest leader in the history of statecraft' message.<sup>320</sup> The next Blansett post is straightforward 9/11 conspiracy:<sup>321</sup>

And another Israel = ISIS post:

The next example is interesting. Green shared this video:<sup>322</sup>

The video discusses an extremist group of Muslims and focuses on two converts, both of whom were born Jewish. This type of video is popular amongst conspiracy theorists.

<sup>320</sup> See <https://mediabiasfactcheck.com/zero-hedge/> for article see <https://www.zerohedge.com/news/2017-10-13/israeli-tv-shows-footage-isis-training-camp-israels-border>

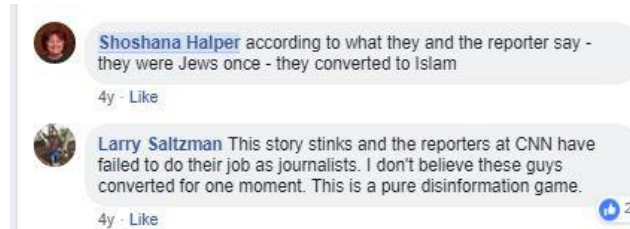

<sup>321</sup> See video <https://www.youtube.com/watch?v=FILBXO9Uujk>

<sup>322</sup> <https://www.youtube.com/watch?v=KpPC7TWBGO4>

However, the video presents blatant hard-core antisemitism. Not only does it claim Israel is behind 9/11, but plays this quote from Bobby Fischer:

*'Jews are antisocial, destructive, intolerant, mean-spirited, deceitful etcetera.'*

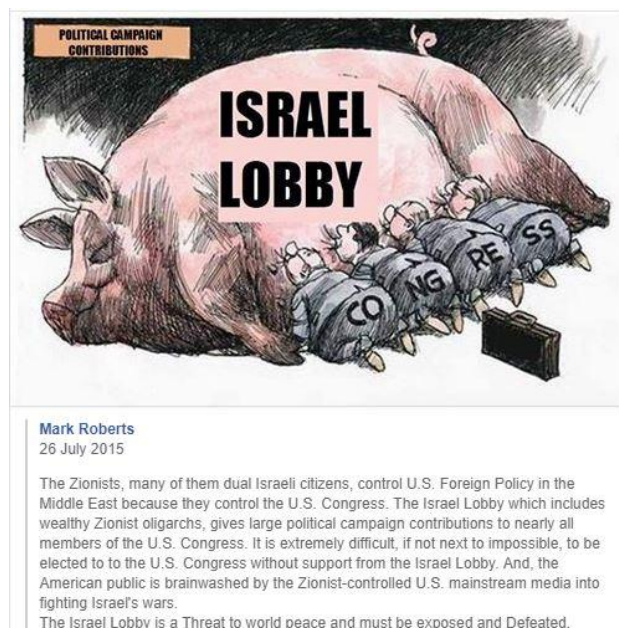

As is normally the case in Palestine Live when blatant antisemitism is presented, many people (sixteen in this case) commented – but not one referenced the antisemitism. That includes two Jewish posters:

Several of those in the thread have been shown to share hard-core antisemitism material. Four share Holocaust denial. Two Jewish people are present. One just points out the content of the article as a matter of fact, the other joins in with the conspiracy. Larry Saltzman.

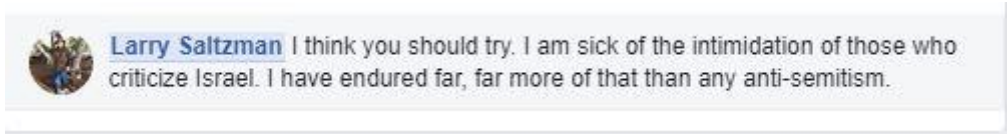

He claims to be Jewish and American but appears unaligned. The 'blindness' of these people is beyond understanding. He responded to this post about 'Zionist control' without blinking:

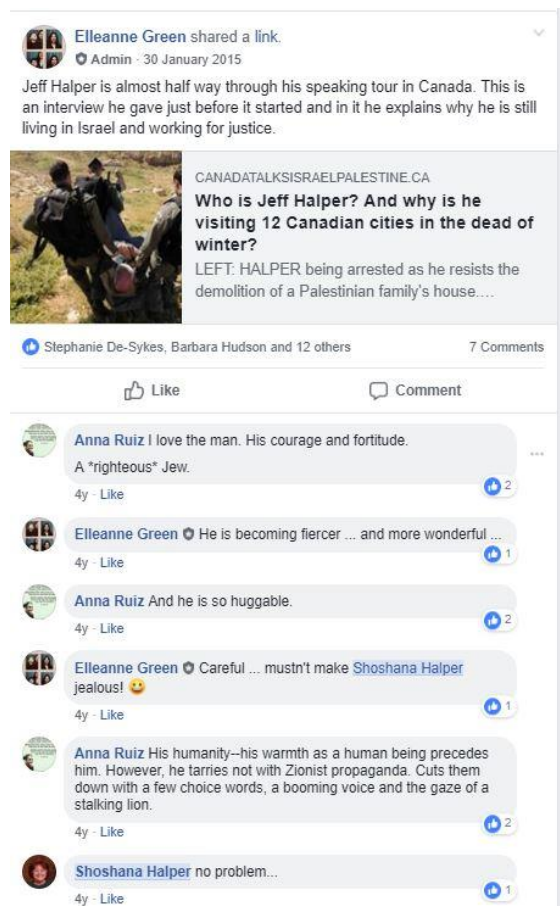

Perhaps it is unsurprising that someone who passes over that and Bobbi Fischer's antisemitism without comment, doesn't seem to see it anywhere.

Here is Shoshanna with Elleanne Green and Anna Ruiz:

A reminder:

**Jennifer Loewenstein** is a member of the USA board of the Israeli Committee Against House Demolitions and founder of the Madison-Rafah Sister City Project.<sup>323</sup> She was also another of those who joined the group the day it was created:

**Jennifer Loewenstein**

Loewenstein was instrumental in the attempt to ‘twin’ Rafah in Gaza, with Madison, Wisconsin.<sup>324</sup> During the Democrats’ nomination process before the last American election, a post with a picture of Hilary Clinton standing next to Netanyahu was shared with Palestine Live:

<sup>324</sup> <http://www.jcpa.org/phas/phas-fishman-f04.htm>

In the thread we can see comments by Farley, Lumby and Cheyne. Loewenstein follows with agreement. You cannot escape antisemitism inside Palestine Live:

Farley posts everything from Israel as ISIS, Mossad 9/11 and Rothschild Conspiracy:<sup>325</sup>

Lumby likes his Rothschild Conspiracy.<sup>326</sup>

Cheyne prefers to discuss power, 'Jewish greed' and the Jewish Lobby in his own words:

## IFNOTNOW

Ifnotnow claims to be a group of 'young' Jews angered by 'hawkish American Jewish organisations' and who want to 'end the occupation'.<sup>330</sup> In theory these Jews are Zionists, however the 'about us' page indicates they accept non-Zionists and anti-Zionists into the mix.<sup>331</sup> Like similar groups in the UK, this has resulted in some truly sickening episodes, such as saying Kaddish for Hamas terrorists who died whilst they were trying to hurt or kill Israelis.<sup>332</sup>

I do not have the names of 'ifnotnow' activists to work with, although it is unlikely many of the key people would be in Palestine Live.

**Opposition to Israeli policies is legitimate, but Zionism acts as a protective layer around the Jews inside Israel. Once you remove it as a central requirement, by not caring if members support BDS or Israel's core right to exist, you will inevitably dance with the devil.**

I came across this group because of the research into the AIPAC demonstrations of 2017.<sup>333</sup> 'ifnotnow' were there and they uploaded a video. The video they present has only a few people interviewed. Most did not give their full name. This is one of the very few that did:

The image is of Tzvia Thier. She is a member of Palestine Live:

<sup>330</sup> <http://ifnotnowmovement.org/about-us/> and <http://ifnotnowmovement.org/about-us/our-principles/>

<sup>331</sup> Editors note: It never ceases to amaze me how young relatively affluent students in the west can suggest to those living 1000s of miles away that all they need to do is 'end the occupation'. How exactly? It is naïve beyond measure and 'entitled' beyond description.

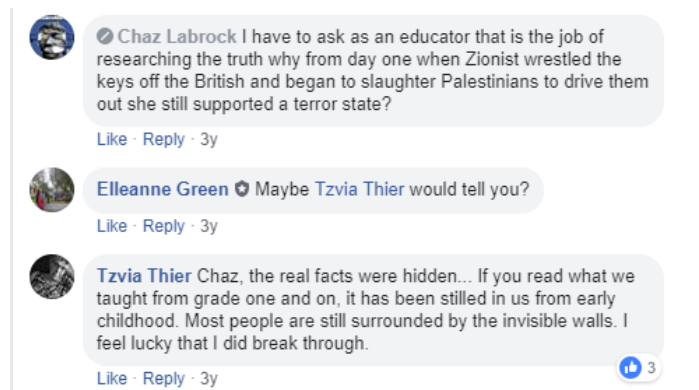

<sup>332</sup> For an example of ifnotnow Kaddish see

<https://www.facebook.com/IfNotNowOrg/videos/1741193885967572/> for similar event in UK see

<http://david-collier.com/yachad-kaddish-terrorists/>

<sup>333</sup> The video is here <https://www.facebook.com/IfNotNowOrg/videos/1319229271497371/>. The timestamp for Tzvia is 1:31:30

Tzvia is an anti-Zionist Jew. She seems to have ‘turned’ after the tragedy of losing her brother in Lebanon in 1983.<sup>334</sup> This is an exchange that took place inside Palestine Live, when Tzvia’s Mondoweiss article was shared:

Chaz Labrock asks a question, Elleanne Green tags Tzvia, and the Jewish anti-Zionist ‘dutifully’ appears to answer. Meet Chaz Labrock:<sup>335</sup>

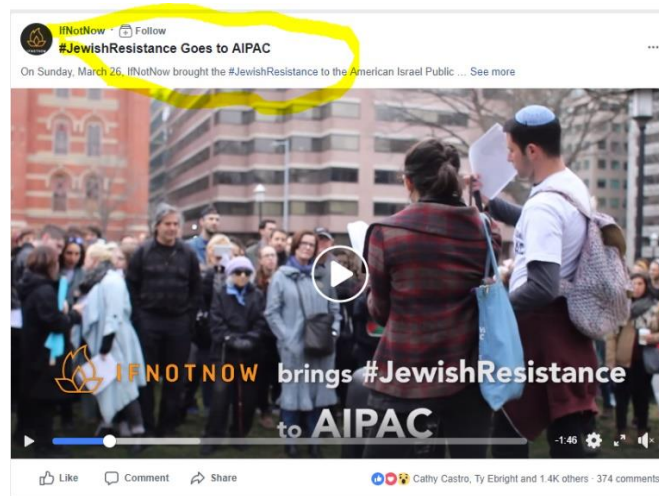

<sup>334</sup> <https://mondoweiss.net/2014/11/israel-thiers-story/>

<sup>335</sup> Neo-Nazi websites, clear-hard core antisemitism and Holocaust denial. See <https://politicalvelcraft.org/2013/11/26/911-world-momentum-italy-supreme-court-submits-zionist-911-crimes-against-humanity-to-international-criminal-tribunal/> and <https://rense.com/general76/france.htm?> And <https://rense.com/general96/starofevil.html> and <http://www.israelshamir.net/Contributors/Contributor24.htm>

As we have already seen, Elleanne Green has also shared neo-Nazi and Holocaust denial websites. We keep seeing this image, an anti-Zionist Jew helping people who have shared white supremacist, neo-Nazi material to attack Israel. What's worse, is that both Chaz and Elleanne can now say - 'some of our best friends are Jews'.

I did not choose to put Tzvia in the video, the video editors at 'ifnotnow' did. They too are blissfully unaware of the level of hate against Israel driven by hard-core antisemites. When they take actions, whether they know it or not, these are the people they align with.

This is another image from a video which 'ifnotnow' uploaded of the anti-AIPAC demonstration:<sup>336</sup>

A screenshot was also shared here:

There are immediate issues with this that will be covered on the next page.

<sup>336</sup> Video timestamp 13 seconds <https://www.facebook.com/IfNotNowOrg/videos/1319692804784351/>

The video does not seem to show ‘Jewish resistance’ but rather a few Jewish youths, putting on a show for others. If they are there, the students are barely visible. The front row places are taken by activists such as Mary Ellen, Ty Ebright and Gracie Falestina.<sup>337</sup> The Gracie Falestina who ‘loves’ Brother Nathanael and promotes his YouTube channel. <sup>337</sup> In the second image, Ty Ebright is clearly implying that we can see them in the image and that Gracie shot the video – therefore these people were all at the front. This is confirmed by the Falestina footage which will be referenced shortly.

It is worthwhile viewing the Gracie Falestina footage.<sup>338</sup> It shows the twisted relationship between these different groups of people. Two naïve Jewish students lead a chant, in which those standing in the front row, sharers of rabid antisemitic material, are driven into ecstasy by their performing Jewish ‘monkeys’. The Jewish students clearly revel in the ‘adoration’. It would be a curiosity, if there were not a truly sinister element to it.

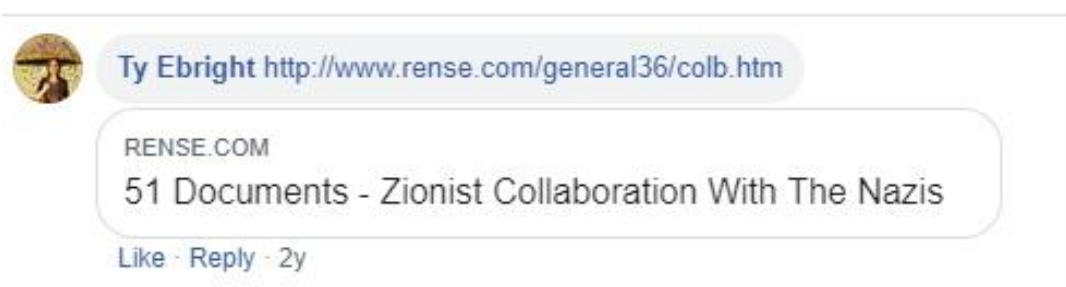

Ty Ebright was in the front row. A reminder of the vile antisemitic content Ty shares:

This is what someone responded to him when he posted it:

For whatever reason, Ebright felt no need to comment. Ebright has also shared Rense.com:<sup>339</sup>

<sup>338</sup> [https://www.facebook.com/permalink.php?story\\_fbid=410518682639783&id=100010449636855](https://www.facebook.com/permalink.php?story_fbid=410518682639783&id=100010449636855) see especially from timestamp 3:10

<sup>339</sup> The Rense article is here <https://rense.com/general36/colb.htm> A reminder about the neo-Nazi tendency of the website [https://en.wikipedia.org/wiki/Jeff\\_Rense](https://en.wikipedia.org/wiki/Jeff_Rense) and [https://rationalwiki.org/wiki/Jeff\\_Rense](https://rationalwiki.org/wiki/Jeff_Rense)

Here is Ty with 'ifnotnow'. He knows their names and they probably think they are all on the same side.

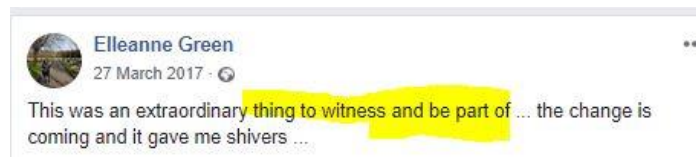

Mary Ellen Bennett was also in the front row. Another reminder of the neo-Nazi websites she shares:

The section on the anti-AIPAC demonstration clearly highlighted how dozens of those in this crowd share white supremacist and neo-Nazi material, more still engage in other classic antisemitic messaging. There is no need to list all their names again. These are the people, intended or not, for whom 'ifnotnow' perform and legitimise.

They even performed for Elleanne Green:

There is one more example to show.

Front row seats again for the Palestine Live members. The 'ifnotnow' activist, who seems to be the same one as was shown in the first video, is now performing for people like Carmen Lopez-Martin. A reminder of antisemitic shares from Carmen Lopez-Martin:<sup>340</sup>

<sup>340</sup> See <https://www.facebook.com/Visiondepalestina/photos/a.420625724742358/502408486564081/>

The reason for highlighting this example was an exchange that took place underneath:

GILAD.CO.UK

Arnold's clearly offensive comment is met by a 'calm down – these good Jews work with us' response by Lopez-Martin. These young naïve Jews are holding hands with this type of anti-Jewish hate, as they all work together to weaken Israel. If groups like 'ifnotnow' cannot see the antisemitism standing alongside them, there can be little expectation they can understand that it exists in Gaza or Ramallah.

The situation is absurd. These Jews believe Israel is paranoid and peace is achievable. Then they stand in Washington leading a sing-along with those who share neo-Nazi material. And they think Israel is the problem?

Of course she'd defend Ronit Sela, one of her fellow lovely people. But put herself on the line for Palestinians? Not a Chance. And Don't forget her sordid role in her roommate being raped in Milan a decade ago, which I reported in my blog.

The direct participants in the thread are Elleanne Green, Arnie Hindhaugh, Clea McIlraith, Erika Reif and Richard Silverstein. One person's name was redacted. As a point of fact, the person behind the redacted account was reported to the British Labour Party for antisemitism. However, the activity did not meet the threshold for this report (many examples of antisemitism are **wrongly** discounted by this research to negate the deflection that this is about silencing criticism of Israel).

So, who is Richard Silverstein attacking Israel alongside?

## They said Israel was created for the victims of the Holocaust

Foreign Office,  
November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet:

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

## But the Balfour Declaration that promises the Palestinian land to Zionists, was written in 1917

"HOLOCAUST THE FIRST FALSE FLAG"

They said Israel was created for the victims of the Holocaust but the Balfour declaration that promises the Palestinian land to Zionist was written in 1917 a long way before world war2 or Führer Adolf Hitler

Most probably some innocent Jews lost their life for Zionist greed. Yes, Holocaust was a falseflag. Zionist killed or let killed some innocent German Jews aiming Palestinian land.

Holocaust was the first false flag in history designed to deceive in such a way that the operations appear as though they are being carried out by NAZI than those who actually planned and executed them, the bloody Zionist

## Mondoweiss

Mondoweiss is a news website co-edited by journalists Philip Weiss and Adam Horowitz.<sup>353</sup> They are virulently anti-Israel in their outlook. The Algemeiner called them a ‘purveyor of antisemitic material’.<sup>354</sup> The Tablet has described one of the co-founders, Philip Weiss, as a ‘Jew-baiter’.<sup>355</sup>

Mondoweiss often provides a ‘Jewish’ defence for those accused of antisemitism. When my first report highlighted hard-core antisemitism in the Palestine Solidarity Campaign, Mondoweiss ran an article attacking it:<sup>356</sup>

When alongside Jonathan Hoffman, I wrote a report fisking the Tom Suarez book ‘State of Terror’, Mondoweiss gave the author a platform to ridicule the report:<sup>357</sup>

When I wrote about Jewish people in London saying Kaddish for Hamas terrorists, Mondoweiss wrote an article attacking me again.<sup>358</sup>

<sup>358</sup> See <https://mondoweiss.net/2018/05/prayed-mourners-zionism/>

After I had published the Palestine Live report, Peter Cohen wrote an article defending the group. Somehow Mondoweiss turned a report exposing high concentration levels of hard-core antisemitism in anti-Israel activism, into an article attacking Zionist racism:<sup>359</sup>

The screenshot shows the Mondoweiss website header with the logo and tagline "News & Opinion About Palestine, Israel & the United States". Below the header are navigation tabs for "Israel/Palestine", "Middle East", and "US Politics". The main article title is "It's time to talk about Zionism's racism problem" by Peter F. Cohen, dated August 10, 2018, with 30 comments. Below the article title is a grid of ten related article thumbnails, each with a title, author, and date. The thumbnails include:

<sup>360</sup> Cohen and Ofir are still members, Suarez left after I published the Palestine Live report. It is odd that someone who publicly states the antisemitism accusation is a smear would leave the group. If I am wrong – why leave? Despite his protestations it is almost a silent signal he accepts the problem is real.

<sup>361</sup> See search results <https://mondoweiss.net/?s=antisemitism> and See search results <https://mondoweiss.net/?s=anti-semitism>

There seem to be hundreds of articles on Mondoweiss downplaying antisemitism. These articles are then used globally by non-Jewish activists, who feel reinforced with 'Jewish legitimacy'. **Do their writers know what antisemitism is?**

**Jonathan Ofir** is currently one of the most prolific writers on Mondoweiss. If not *\*the\** most prolific. He was also the author of the article in 2017, that ridiculed my research. And here we run into trouble. Ofir combed that report to criticise it. From his own article:<sup>362</sup>

*"I have downloaded the 79-page report, read it in detail over many hours, all 79 pages."*

He must have known that Elleanne Green and Tony Gratrex, two of Palestine Live's admin, were extensively covered within it.<sup>363</sup> Two people who have both shared hundreds of vile posts. So how is he still a member today?

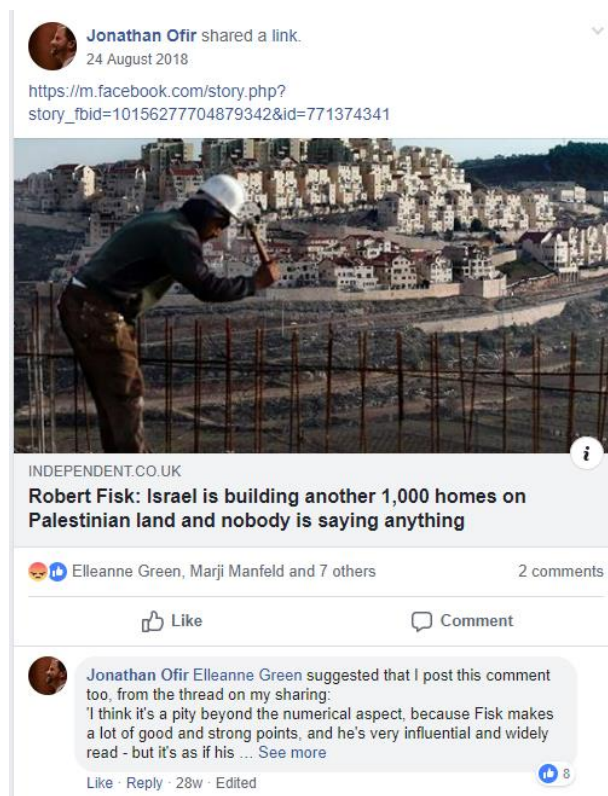

**Jonathan Ofir**

Added by Elleanne Green on 15 February 2016

Why in August 2018, is Ofir still following the recommendations of someone who he knows, **he knows**, has posted vile antisemitic articles?

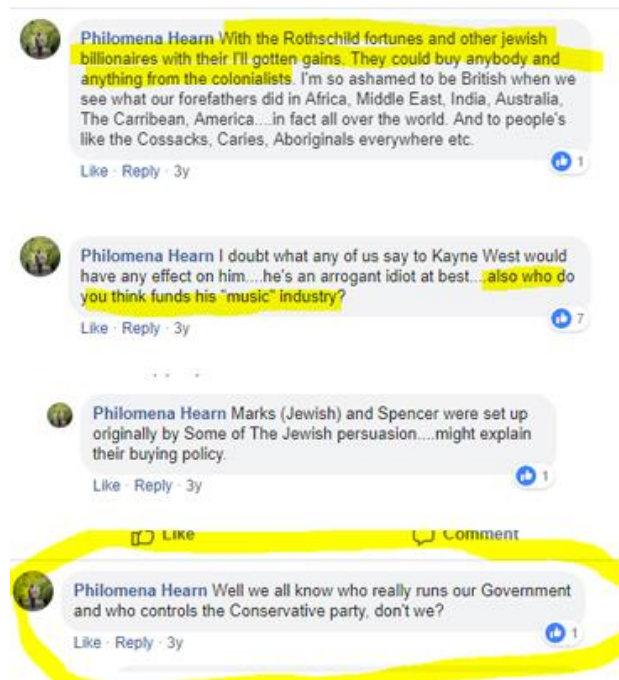

<sup>362</sup> <https://mondoweiss.net/2017/03/terrorist-movement-exposing/>

There is no 'public sign' of the 'recommendation', so it appears that it took place in a private message. But by August 2018 Ofir must know Elleanne Green has shared material from white supremacist, neo-Nazi websites. Not to mention 100s of other antisemitic posts. Private messages? Following recommendations? Still posting in Palestine Live?

Here he is again. The link has gone, but the topic was antisemitism. So here is Ofir in 2016, discussing antisemitism alongside Green and Philomena Hearn. This is Philomena Hearn:

Over the past 200 pages or so, that image has become a constant drumbeat. Jewish people belittling antisemitism alongside those who share antisemitic material.

That is an outrageous post on so many levels. Ofir seems to bypass the antisemitic shares, choosing only to concentrate on Nahida's 'acceptance' that she would 'allow' him to stay in 'Palestine'. He does oppose it – but politely. Nahida was evicted from the antisemitic FB group Palestine Live for being obsessively antisemitic.

Both of those links to 'religious texts' are brutally antisemitic. It is instantly clear what they are, yet Ofir chooses to ignore them.

Racism aside, her political position is fundamentally vile. Her petition, which received over a thousand signatures contains clauses such as this one, conditioning the right of Jewish people to remain in a future 'Palestine'.<sup>366</sup>

*"Palestinians include those who live in the occupied homeland, and include all refugees living abroad and their descendants, all those have unrestricted right to Palestinian citizenship. For former Jewish Israelis, plans should be set on course to grant or decline on an individual basis a right to remain, based on criteria defined by an Immigration and Integration Service."*

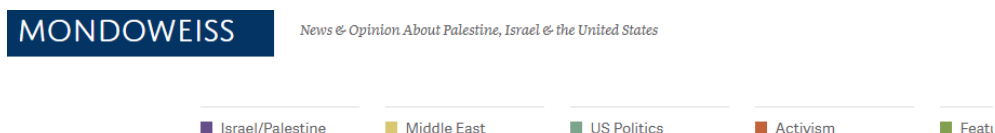

Other clauses are equally problematic. Nahida is not a woman of peace at all. Instead she is a racist, an antisemite, who seeks to dispossess the Jews of their property, take all they have, force them to live a life of servitude to 'pay reparations' and expel all those she does not like. Given the links she provides, no sane person would suggest she sees Jews as equals.

Yet Ofir talks to her politely and calls her offer 'sweet'.

The blind-to-antisemitism Jonathan Ofir is not the only Mondoweiss writer who has been a member of Palestine Live. Tom Suarez was a member, but left Palestine Live sometime after my initial report

**Tom Suarez** has also written articles about the antisemitism 'hoax' for Mondoweiss.<sup>367</sup>

<sup>366</sup> See petition <https://nahidaexiledpalestinian.wordpress.com/2014/01/19/palestinian-declaration/>

Suarez wrote a book that contained every historical distortion imaginable. Beyond grabbing at archives, Suarez misrepresented files, distorted quotes and used sources that would agree with him, rather than those with superior historical credibility. The result was an antisemitic mess desperate to suggest Zionists are like the Nazis.<sup>368</sup>

This was his response to the report on Palestine Live.<sup>369</sup>

Suarez is based in the UK, rather than US, so will not be covered in this report. In any event, his own book comprehensively discredits Suarez as a commentator. As an active member of Palestine Live for several months, Suarez interacted happily with people who have shared hard-core antisemitic material, including from neo-Nazi or white supremacist websites. The easiest example to give is Elleanne Green:

<sup>368</sup> <http://david-collier.com/antisemitic-fraud-thomas-suarez/>

<sup>369</sup> One would have to question why he left the group soon after.

Other Palestine Live members have had articles published on Mondoweiss (**only articles from the last five months were considered**):

Is Ariel Gold trying to tell people something? It's a vulgar habit. Either someone is right, or they are wrong, being Jewish doesn't change that. To use identity in this fashion is a way to suppress dissent. The premise is simple. If 'as a Jew' has relevance, then majority rules. Gold knows she is part of a fringe minority. That knowledge makes this disgusting 'supremacist' behaviour.

Israel's ties to the JFK assassination: Michael Collins Piper explains that when we "follow the money" behind the JFK assassination, we find Zionists holding the purse strings. New Orleans DA Jim Garrison discovered that the covert operators behind the JFK coup were financed by a black-ops bank called Permindex, a subsidiary of a Swiss bank owned by legendary Mossad financier Tibor Rosenbaum. Permindex itself was chaired by Louis M. Bloomfield, the Israel lobby chieftain and kingpin of the Bronfman family of Canada. The Bronfmans have long been associated with Meyer Lansky's crime syndicate, and are one of the biggest "money powers" behind Israel. So the Zionists were at the top of the money pyramid that "owned" the CIA black operators.

**Anthony Pearsons** was the only contributor to the thread who does not appear to have shared articles from white supremacist supporting websites. "The Rothschilds had amassed such wealth that nothing or no one remained outwith the purchasing power of their coin. Through it, they offered a facility for men to pursue great political ambition and profit. Controlling politics from behind the curtain, they avoided being held publicly responsible if or when things went wrong. They influenced appointments to high office and had almost daily communication with the great decision makers. Dorothy Pinto, who married into the Rothschild dynasty, presented a tantalising glimpse of their familiarity with the centres of political power. Pinto recalled: 'As a child I thought Lord Rothschild lived at the Foreign Office, because from my classroom window I used to watch his carriage standing outside every afternoon – while of course he was closeted with Arthur Balfour.' Foreign Secretary Balfour was a member of the inner circle of the secret society and destined to become prime minister.

Powerful special interest groups desperately seek to keep substantive discussion of the Holocaust story taboo. One of the ways they do this is by purposely mischaracterizing revisionist scholars as "deniers." But the truth can't be suppressed forever. There is a very real and growing controversy about what actually happened to Europe's Jews during World War II.

The same cannot be said of **Ofer Neiman**. Ofer is probably the most prolific contributor to Palestine Live who appears on Mondoweiss. He has shared 100s of posts to the group, feeding the antisemitic environment with pro-BDS material. Neiman even knows about the antisemitism, because last March, when asked to sign a letter of support for the group – he refused to do so:

👤 **Ofer Neiman** I cannot in good faith post a statement categorically defending this group. There have been repeated comments here in the vein of the classical conspiracy theories regarding Jewish global domination, or justifying the expulsion of Jewish Israelis from Palestine in the future, after apartheid ends. I also believe that the positive humanistic messages here have outweighed the racist ones. I hope this group will continue to exist, based on humanism, introspection and critical thinking. This group can be an important platform.

Ofer Neiman is partially right. The (faux) humanistic messages have outweighed the racist ones, but that isn't the point at all. **The point is that the racists vastly outweigh the humanitarians.** Even the biggest racist in the world can have a normal conversation. Palestine Live is a cesspit of anti-Jewish racists.

Ofer Neiman knows this but continues to feed them material to seek their assistance in attacking Israel. This means Neiman too, aligns with those sharing neo-Nazi, white supremacist material in their fight against the Jewish state. He sees these people as allies, and the Zionists as the enemy.

This is a thread with Ofer Neiman. It contains contributions from Elleanne Green, Tony Nash, Maxwell Ryder, Rob Fuoco and Edith Legrand:

It is impossible to know what the original article was. In an age where 'fake news' websites come and go, groups like Palestine Live are full of broken links such as this.

Elleanne Green and Maxwell Ryder have both posted material from racist websites and have already been discussed in this report. On the following pages will be examples of material shared by Tony Nash, Rob Fuoco and Edith Legrand.

Do you think that because the official story is completely different to this, that this video is about lies and deceit?

Well, once upon a time, we didn't know the extraordinary lengths the Zionists would go to, to create a NWO. The manouvering and postioning they have done, set up, is beyond our regular thinking.

But today, we know that 9/11 was an inside job, designed to get the people to back war. We know that Saddam Hussein and Gaddafi were not as tyrannical as the Western leaders that are right now, **RIGHT NOW, steering us towards The Jew World Order!**

I bet you can't believe that! " Why does he keep mentioning Jew? " Not long ago, I didn't! I believed it was wrong. I have done some amazing reading over the last 2 years ( others have researched for over decades - 50 years plus for Jordan Maxwell ) and I believe we have been lied to monumentally!

If you don't believe this, why don't you do something about it! Research for yourself! You have the internet! Don't go straight to the first de-bunk site either. Have you heard of paid shills!

Israel is paying university students to seek out so called "anti-semetic" posts. Which translates as, they don't want the truth being told! Of course!

**Myles Hoenig** Why do we Jews have a problem with it? Israel does not represent me. If I criticize it or its institutions, NGO supporters, etc., it does not make me anti-semitic. It makes me a rational thinker whose values and ethics are Jewish-based, something lost on Israel and most of its people.

Here is blind Margaret responding to Gratrex about antisemitism. This guy is a rabid antisemitic conspiracy theorist with a 9/11 truth profile.

It would have been possible to continue for several pages. Margaret Leicester aligns herself with rabid antisemites in the battle against the Jewish state. The deployment of her Jewish identity gives them legitimacy and confidence.

Why should this person not know he is an antisemite? Why is he given the legitimacy by anti-Zionist Jews?

## Conclusion

There is a persistent theme in anti-Zionist activism, namely, the high concentration level of antisemitism. Whether it is an activist stall in Manchester; a pro-BDS demonstration in London or an anti-AIPAC demonstration outside a Holocaust museum in Washington DC, everywhere anti-Zionist forces march, hard-core antisemitism is well-represented.

The fallacy this is merely exaggerated criticism of Israel is firmly debunked by research such as this. It is clear that an adherence to antisemitic and racist ideology is a motivating factor in bringing people to stand in opposition to the Jewish state.

Nor is this restricted to Rothschild conspiracy and the socialism of fools. Far too many people feel comfortable sharing neo-Nazi websites such as the Renegade Tribune, White Resister or Daily Stormer.

The people highlighted in this research are not random. They are central figures in anti-Israel activism. These people start the petitions, write the letters, man the stalls and organise the demos.

Once both the Jews and Palestinians are discounted from the crowd, the majority of those remaining share hard-core antisemitic ideology. Worse still, more than half of them are sharing material from neo-Nazi or white supremacist websites.

These people are not a threat to the Jewish state, but to the Jews in the Diaspora. The experience of the UK has taught us that the anti-Zionist fight, combined with BDS will do more damage to the resident Jewish communities than it ever will to Israel.

Yet alongside the antisemites stand a fringe group of Jewish people. Why the anti-Zionist Jews have taken up arms alongside neo-Nazis and other rabid antisemites to fight against the Jewish state is outside the scope of this research. What is clear is that this is certainly happening.

It is a symbiotic relationship. Without the antisemites, these Jews have no voice. Nobody will give them a platform and there is nobody to address their inner issues. Representing just a small percentage of Jewish thought, these people need allies.

Similarly the anti-Zionist cause cannot move without the antisemite. There are no greater motivators than hate and fear, twisted emotions so capable of blinding people to truth and moderation. Anti-Zionism, a movement that sets out to demonise, weaken and then destroy the Jewish state, was virtually created as an ideological magnet for the antisemite. Yet these antisemites are in desperate need of a legitimate face.

Together they make it work. Whether the Jews are blind to the antisemitism or have somehow rationalised it does not really matter - the evidence provided is too overwhelming and too concentrated for it to be ignored.

The Jewish anti-Zionists have created an industry of antisemitism denial. They put 'together against antisemitism' on their profile pictures, just as they write long pieces about how

antisemitism is just a problem in the far-right. Then they pick up their Palestinian flags and hold hands with people who share articles from the Renegade Tribune or Rense.

Outlets such as Mondoweiss are a central part of the antisemitism denial industry. They publish a stream of articles suggesting the accusations of antisemitism are all a smear or part of a plot. Yet as we see, many of their contributors align with those who share neo-Nazi material in a combined battle to weaken the Jewish state.

Putting a tiny mask on such anti-Jewish hatred cannot provide a disguise and does not prevent inspection. Why do people, who openly admit to having seen earlier reports, continue to hold hands with those who have shared neo-Nazi material? How can a member of the JVP Rabbinical Council align themselves with people who share white supremacist material? How can he think they are allies?

Within the Jewish community the great majority see beneath the mask, but some are fooled. A number of Jewish people, frustrated with some Israeli policies, flirt with BDS and anti-Zionism in the mistaken belief that those Jews at the top of the hill, such as JVP or Mondoweiss are telling them the truth. But they clearly are not.

It is not important why JVP holds hands with those who share neo-Nazi material. Jewish anti-Zionists and the antisemites are now allies. They sign each other's petitions. They co-host events and support mutual BDS initiatives. They stand together outside AIPAC and bemoan 'Jewish power'. These people work together to weaken the Jewish state.

This message needs to be shared with the liberal elements of the Jewish community, with those who sit on the left of Zionist thought but are still within the 'big tent'.

Jewish communities need to unite and fight for the Diaspora. The difference between Zionism and anti-Zionism is far larger than the arguments over borders and settlements.

Opposition to Israeli policies is legitimate, but Zionism acts as a protective layer around the Jews outside and inside Israel. Once you remove it as a central requirement, by not caring if members support either BDS or Israel's core right to exist, you will inevitably dance with the devil.

**Just as JVP, Mondoweiss and others such as Codepink have already chosen to do.**
