What we believe?

- ▷ Content is fundamental
- ▷ Share the knowledge and fun
- ▷ Collaboration is great

The cause and idea is simple.

3.

How hard it is?

By numbers and process

A lot of work

Sending postcards and prepare addresses take a lot of efforts.

How many? More than 30 hours.

General process

Start small

Addis continues with the simple rules in Chinese Wikipedia and push it internationally.

Learn and generalize

Start

Nothing starts without doing. Talk with people and start small

Perspective

Take new people on board

Generalize

Arrange the events into different milestones and make mistakes
