This is to recommend an item regarding the Poor People's Campaign be given a cooperative news media source on a confidential basis by the Crime Records Division. A source has advised that some leaders of the Poor People's Campaign (PPC) feel that the American Friends Service Committee (AFSC), a Quaker group, is trying to dominate the PPC in Washington, D. C. The AFSC has assisted the Southern Christian Leadership Conference in various phases of this campaign. This situation is so serious that Fred C. Bennette, in charge of security for the PPC, refuses to go to the campaign office in Washington because of the presence of AFSC representatives.

An item has been prepared, copy attached, to show this jealousy on the part of PPC leaders. It is felt this should be given a cooperative news media source on a confidential basis by the Crime Records Division.

ACTION:

That attached item regarding the Poor People's Campaign be furnished a cooperative news media source on a confidential basis by Crime Records.
