

# **Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution**

## **Report by the Director-General**

### **STATUS OF COLLECTION**

1. In order that WHO may deliver the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member States are required to pay their contribution as of 1 January of the year to which it relates.
2. Contributions for 2021 were received, either in full or in part, from 155 of the 197 Members and Associate Members (compared with 139 Members and Associate Members in 2020).<sup>1</sup> Details of amounts assessed and collected are shown in Annex 1.
3. Unpaid contributions as at 31 December 2021 amounted to US\$ 93.9 million and Sw.fr. 93.4 million (constituting a combined total of US\$ 196 million) with a further US\$ 17.1 million due under special arrangements authorized by the Health Assembly. This compares with US\$ 299.9 million (combined total) and US\$ 20.3 million (due under special arrangements), respectively, at 31 December 2020. Details of payments made as at 31 December 2021 under special arrangements are shown in Annex 2.

### **MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE**

4. As at 31 December 2021, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2022 and future years. In total, contributions received in advance as at 31 December 2021 amounted to US\$ 51.7 million (US\$ 52.6 million at 31 December 2020). Advance payments are detailed in Annex 3.

### **MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS**

5. Article 7 of the Constitution states that, if a Member fails to meet its financial obligations to the Organization, the Health Assembly may suspend the voting privileges to which a Member is entitled. If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly

takes a decision on suspension of the Member's voting privileges in accordance with resolution WHA41.7 (1988).

6. In accordance with previous Health Assembly resolutions, the voting privileges of the following nine Member States continue to be suspended: Afghanistan, Comoros, Equatorial Guinea, the Gambia, Somalia, South Sudan, Sudan, Venezuela (Bolivarian Republic of) and Yemen. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Seventy-fifth World Health Assembly (in 2022) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

7. In May 2021, the Seventy-fourth World Health Assembly adopted decision WHA74(28), in which it delegated to the 150th session of the Executive Board the power to suspend the voting privileges of Member States in arrears in the payment of their contributions, in respect of 2020, to an extent that would justify invoking Article 7 of the Constitution. In resolution EB150.R6 (2022), the Executive Board decided that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Seventy-fifth World Health Assembly, Eritrea, Iran (Islamic Republic of) and Libya are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening. Eritrea and Libya subsequently cleared their arrears. Unless payment is made by Iran (Islamic Republic of) by the time of the Seventy-fifth World Health Assembly, its voting privileges will be suspended with effect from the opening of the Seventy-fifth World Health Assembly, with no action required by the Health Assembly.

8. Annex 2 lists the eight Member States that currently have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments amounting to US\$ 3.2 million were received in 2021 (compared with US\$ 8.9 million in 2020) in accordance with these special arrangements. Three of the Member States concerned have met their commitments under these arrangements, including Iraq, which has fully cleared the rescheduled amount. Five Member States, Afghanistan, Kyrgyzstan, Somalia, Tajikistan and Venezuela (Bolivarian Republic of), did not meet their commitments in 2021, although Tajikistan and Kyrgyzstan subsequently settled their 2021 arrears in 2022. Voting privileges for Afghanistan, Somalia and Venezuela (Bolivarian Republic of) were suspended under previous Health Assembly resolutions.

9. As at 21 April 2022, nine Member States, namely Cameroon, Chile, Dominica, El Salvador, Lebanon, Lesotho, Libya, North Macedonia and Solomon Islands were in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, was also behind with its assessed contributions.

10. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Seventy-fifth World Health Assembly may wish to adopt a resolution deciding that the voting privileges of the nine Member States listed in paragraph 9 will be suspended as from the opening day of the Seventy-sixth World Health Assembly, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

11. In order to facilitate the payment of arrears, Member States may submit proposals to the Health Assembly for rescheduling such arrears over an extended period. Such proposals for special arrangements should be addressed in writing to the Director-General no later than 31 March and are then considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. No new proposals were submitted before the deadline for consideration in 2022.

## **ACTION BY THE HEALTH ASSEMBLY**

12. The Health Assembly may wish to consider the following draft resolution in respect of Cameroon, Chile, Dominica, El Salvador, Lebanon, Lesotho, Libya, North Macedonia and Solomon Islands in accordance with the principles stated in resolution WHA41.7:

The Seventy-fifth World Health Assembly,

Having considered the report on the status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, and special arrangements for settlement of arrears;<sup>1</sup>

Noting that, at the time of opening of the Seventy-fifth World Health Assembly, the voting rights of Afghanistan, Comoros, Equatorial Guinea, the Gambia, Iran (Islamic Republic of), Somalia, South Sudan, Sudan, Venezuela (Bolivarian Republic of) and Yemen were suspended, such suspension shall continue until the arrears of the Member States concerned have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

Noting that Cameroon, Chile, Dominica, El Salvador, Lebanon, Lesotho, Libya, North Macedonia and Solomon Islands were in arrears at the time of the opening of the Seventy-fifth World Health Assembly to such an extent that it was necessary for the Health Assembly to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended at the opening of the Seventy-sixth World Health Assembly in 2023,

DECIDES:

- (1) that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Seventy-sixth World Health Assembly, Cameroon, Chile, Dominica, El Salvador, Lebanon, Lesotho, Libya, North Macedonia and Solomon Islands are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening;
- (2) that any suspension that takes effect as set out in paragraph (1) above shall continue at the Seventy-sixth World Health Assembly and subsequent Health Assemblies, until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;
- (3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
