## **Status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution**

### **Report by the Director-General**

#### **STATUS OF COLLECTION**

1. In order that WHO may deliver the approved programme budget, contributions from Member States must be received in full and on time. Under Financial Regulation 6.4, all Member States are required to pay their contribution as of 1 January of the year to which it relates.
2. Contributions for 2022 were received, either in full or in part, from 154 of the 197 Members and Associate Members (compared with 155 Members and Associate Members in 2021).<sup>1</sup> Details of amounts assessed and collected are shown in Annex 1.
3. Unpaid contributions as at 31 December 2022 for current and previous financial periods amounted to US\$ 93.2 million and Sw.fr. 27.4 million (constituting a combined total of US\$ 122.9 million) with a further US\$ 26.3 million due under special arrangements authorized by the Health Assembly (compared with US\$ 196 million (combined total) and US\$ 17.1 million (due under special arrangements), respectively, at 31 December 2021). Details of payments made as at 31 December 2022 under special arrangements are shown in Annex 2.

#### **MEMBERS' CONTRIBUTIONS RECEIVED IN ADVANCE**

4. As at 31 December 2022, some Members had made advance payments, either in full or in part, against their regular budget contributions for 2023 and future years. In total, contributions received in advance as at 31 December 2022 amounted to US\$ 49.5 million (US\$ 51.7 million at 31 December 2021). Advance payments are detailed in Annex 3.

#### **MEMBERS IN ARREARS AND SPECIAL ARRANGEMENTS**

5. Article 7 of the Constitution states that, if a Member fails to meet its financial obligations to the Organization, the Health Assembly may suspend the voting privileges to which a Member is entitled. If, at the time of the opening of the Health Assembly, a Member is in arrears in an amount that equals or exceeds the amount of contributions due from it for the preceding two full years, the Health Assembly

takes a decision on suspension of the Member's voting privileges in accordance with resolution WHA41.7 (1988).

6. In accordance with previous Health Assembly resolutions, the voting privileges of the following seven Member States continue to be suspended: Afghanistan, Comoros, Equatorial Guinea, Somalia, South Sudan, Venezuela (Bolivarian Republic of) and Yemen. Details of the amounts outstanding are provided in Annex 4. The suspension is to continue at the Seventy-sixth World Health Assembly (in 2023) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

7. In accordance with resolution WHA75.10 (2022), if, by the time of the opening of the Seventy-sixth World Health Assembly, Cameroon, Chile, Dominica, Lebanon, Lesotho, Libya, North Macedonia and the Solomon Islands are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended. Cameroon, Chile and North Macedonia have subsequently cleared their arrears. Unless payment is received before the opening of the Seventy-Sixth World Health Assembly, voting privileges for Dominica, Lebanon, Lesotho, Libya and the Solomon Islands will be suspended. The suspension will then continue at the Seventy-seventh World Health Assembly (in 2024) and subsequent Health Assemblies until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution.

8. Annex 2 lists the nine Member States that currently have special arrangements for repayment of arrears approved previously by the Health Assembly. Payments amounting to US\$ 1.3 million were received in 2022 (compared with US\$ 3.2 million in 2021) in accordance with these special arrangements. Four of the Member States concerned have met their commitments under these arrangements. Six Member States, Afghanistan, Central African Republic, Somalia, Tajikistan, Ukraine and Venezuela (Bolivarian Republic of), did not meet their commitments in 2022, although Ukraine and Tajikistan subsequently settled their 2022 arrears in 2023. Voting privileges for Afghanistan, Somalia and Venezuela (Bolivarian Republic of) were suspended under previous Health Assembly resolutions. Unless further payment is made by Central African Republic by the time of the Seventy-sixth World Health Assembly, it will lose its voting privileges with effect from the opening of the Seventy-sixth World Health Assembly (2023).

9. As at 20 April 2023, six Member States, namely Bolivia (Plurinational State of), Chile, Gabon, Palau, Sao Tome and Principe and Sierra Leone, were in arrears in the payment of their contributions in amounts that equal or exceed the amounts due from them for the preceding two full years, as listed in Annex 4. One Associate Member, Puerto Rico, was also behind with its assessed contributions.

10. Pursuant to resolution WHA41.7, unless there are exceptional circumstances justifying a different measure, the Seventy-sixth World Health Assembly may wish to adopt a resolution deciding that the voting privileges of the six Member States listed in paragraph 9 will be suspended as from the opening day of the Seventy-seventh World Health Assembly, if at that time the Member States concerned are still in arrears to an extent that would justify invoking Article 7 of the Constitution.

11. In order to facilitate the payment of arrears, Member States may submit proposals to the Health Assembly for repaying such arrears over an extended period. Such proposals for special arrangements should be addressed in writing to the Director-General no later than 31 March and are then considered by the Programme, Budget and Administration Committee of the Executive Board, which subsequently makes its recommendations to the Health Assembly. No new proposals were submitted before the deadline for consideration in 2023.

## ACTION BY THE HEALTH ASSEMBLY

12. No action is required by the Health Assembly in respect of those Members whose voting privileges have already been suspended under previous Health Assembly resolutions.

13. The Health Assembly may wish to consider the following draft resolution in respect of Bolivia (Plurinational State of), Chile, Gabon, Palau, Sao Tome and Principe and Sierra Leone, in accordance with the principles stated in resolution WHA41.7:

The Seventy-Sixth World Health Assembly,

Having considered the report on status of collection of assessed contributions, including Member States in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, and special arrangements for settlement of arrears;<sup>1</sup>

Noting that, at the time of opening of the Seventy-sixth World Health Assembly, the voting rights of Afghanistan, Central African Republic, Comoros, Dominica, Equatorial Guinea, Lebanon, Lesotho, Libya, Solomon Islands, Somalia, South Sudan, Venezuela (Bolivarian Republic of) and Yemen were suspended, such suspension shall continue until the arrears of the Member States concerned have been reduced, at the present or future Health Assemblies, to a level below the amount that would justify invoking Article 7 of the Constitution;

Noting that Bolivia (Plurinational State of), Chile, Gabon, Palau, Sao Tome and Principe and Sierra Leone were in arrears at the time of the opening of the Seventy-sixth World Health Assembly to such an extent that it was necessary for the Health Assembly to consider, in accordance with Article 7 of the Constitution, whether the voting privileges of those countries should be suspended at the opening of the Seventy-seventh World Health Assembly in 2024,

DECIDES:

(1) that, in accordance with the statement of principles set out in resolution WHA41.7 (1988), if, by the time of the opening of the Seventy-seventh World Health Assembly, Bolivia (Plurinational State of), Chile, Gabon, Palau, Sao Tome and Principe and Sierra Leone are still in arrears in the payment of their contributions to an extent that would justify invoking Article 7 of the Constitution, their voting privileges shall be suspended as from the said opening;

(2) that any suspension that takes effect as set out in paragraph (1) above shall continue at the Seventy-seventh World Health Assembly and subsequent Health Assemblies, until the arrears have been reduced to a level below the amount that would justify invoking Article 7 of the Constitution;

(3) that this decision shall be without prejudice to the right of any Member to request restoration of its voting privileges in accordance with Article 7 of the Constitution.
