Skincare Beyond Time

Ravissa

A revolutionary "Trilogy" method to care for your skin's Past, Present, and Future.

The new "Trilogy" method- a skin care routine for the Past, present, and future

Nourish your past skin, illuminate your present skin, and cultivate your future skin. This total skincare treatment harmonizes your skin's natural rhythms, guiding you to a silky, high-quality complexion.

- Preserve youthful skin with

Plant Stem Cell Care

Focusing on skin affected by aging and UV rays, we use ingredients derived from plant stem cells

Ingredients: Apple Fruit Cultured Cell Extract, Chamomile Flower Extract.

- Deliver targeted ingredients with Targeted Care.

This formula includes functional peptides made specifically for each part of the skin to promote a healthy skin rhythm.

Ingredients: Functional Peptides (4 types)

- Harness the power of nature for your skin with Traditional Care

Traditional natural remedies and wisdom are modernized with hydrating ingredients for skincare.

Ingredients: Water-Soluble Proteoglycan, Hydrolyzed Yeast Extract
