

## How to install

---

To install the styles, first unzip by right clicking on the .zip file, choose “Extract All”, and choose the Desktop as your location.

Then move the file “LHF Gold Title Set.asl” to:

For PC:

Program Files > Adobe Photoshop - (your version) > Presets > Styles

For Mac:

Applications > Adobe Photoshop - (your version) > Presets > Styles

In the Styles Palette in Photoshop open the dropdown menu and select “Import Styles...” to find “LHF Gold Title Set.asl”.
