OPTICA PUBLISHING GROUP ONLINE JOURNALS LICENSE AGREEMENT

BY THIS AGREEMENT between Optica Publishing Group ("Licensor") and the undersigned institution ("Licensee"), Licensor grants to Licensee access to the applicable Optica Publishing Group online products, subject to the following terms and conditions, all of which are agreed to between Licensor and the Licensee.

1. Authorized Users

- A. This grant of access to the Licensed Material extends only to Licensee and Authorized Users affiliated with the Licensee's Authorized Site (or "Sites" if "Multi-site" is checked on the Order Form). It may not be transferred or extended to others.
- B. "Authorized Site" means a single geographically contiguous location (e.g. a campus or office building or complex) that is under a single administration.
 - i. Licensor may rescind or refuse to grant a single-site license to an institution claiming a range of IP addresses or using a proxy IP server that, in Licensor's opinion, represents more than one Authorized Site. In such cases, purchase of a multi-site license may be required.
 - ii. Proxy IP addresses may be used for access to the Licensed Material only by Authorized Users.
- C. "Authorized Users" means only the employees, faculty, staff, students, and contractors officially affiliated with the Authorized Site (or "Sites" if "Multi-site" is checked on the Order Form). Authorized Users also include:
 - i. Occasional users who access the Licensed Material through stations physically located on the site and under the control and administration of the Licensee (aka "walk-in users").
 - ii. Distance learners, telecommuters, faculty on sabbatical, or other persons accessing the Licensed Material from off-site, so long as all such off-site users are primarily affiliated with the Authorized Site (or "Sites" if "Multi-site" is checked on the Order Form)", and are **not** primarily affiliated with a site which would require a separate license.
- D. Unauthorized use of the Licensee's IP address for access to the online journals is a breach of this Agreement and a violation of Licensor's copyrights. The Licensee warrants and represents that common and reasonable measures will be used to prevent access by unauthorized persons to the secure network and to the Licensed Material, and to inform Authorized Users of general terms and conditions for the use of online journals that are consistent with this Agreement. Furthermore, the Licensee will make common and reasonable attempts to enforce the terms of this Agreement upon receiving information from Licensor or any other source that reasonably indicates that one or more Authorized Users is in violation of the terms of this Agreement, or that unauthorized users have gained access to the Licensed Materials via the Licensee's IP addresses.

2. Permitted Use

The Licensee and Authorized Users are permitted access to the Licensed Material, and may download or print text, search results, or other information from the Licensed Material solely for the private use or research of the Licensee and the Authorized Users. For inclusion in course packs or similar use, the Licensee and the Authorized Users are permitted to print one hard copy (or bookmark a digital copy) and share such hard copy or bookmark with third parties to the same extent as the print edition or to the extent permitted under fair use provisions of the Copyright Act of 1976. Libraries may share the Licensed Material with other libraries through an inter-library loan program that conforms to the CONTU Guidelines on Photocopying under

Interlibrary Loan Arrangements available on the National Commission on New Technological Uses of Copyright Works ("CONTU") website. The Licensee and each Authorized User agrees to use this online access in a way that conforms with all applicable laws and regulations.

A. Use of Licensed Material in Course Packs and Similar Uses.

For course packs, electronic reserves, and use of the Licensed Material in classroom management software, Licensee and Authorized Users may incorporate any part of the Licensed Materials in Course Packs, Electronic Reserve collections, and in campus systems for classroom management without the prior written permission of Licensor, as long as:

- i. Access is restricted to Authorized Users, and
- ii. Any copies created, whether print or electronic, are to be removed and deleted when the relevant course ends, and
- iii. Any other use of the materials included in the course packs, etc., shall require prior written permission from Licensor.

3. Extended Backfile Access

- A. The Extended Backfile for any single journal title contains all issues of that title previously published by Licensor up through the year prior to subscription. Licensee is granted access to all or a portion of the Extended Backfile as follows:
- i. Package subscribers: during each subscription year in which Licensee has a fully paid package subscription, Licensee is granted complimentary access to the Extended Backfile as indicated on the Order Form.
 - ii. Single-title subscribers: during each subscription year in which Licensee has a fully-paid single-title subscription, the Licensee is granted complimentary access to a portion of the Extended Backfile for that title as indicated on the Order Form. Licensee may lease that title's entire Extended Backfile for an additional fee.
- B. Where applicable, all references to payment herein shall also include payment of the Extended Backfile lease fee.
- C. Termination or expiration of Licensee's paid subscription shall automatically terminate Licensee's access to the Extended Backfile, whether complimentary or leased. Non-subscribers may obtain access to the Extended Backfile by purchasing one or more Licensor Digital Archive products.

4. Prohibitions on Certain Uses

Altering, recompiling, copying, reselling, redistributing, publishing or republishing of any Licensor online journal text, output, search results, or other information from the Licensor online journals, or any portion thereof, including without limitation, copyright, trade secret, proprietary and/or other legal notices contained therein, in any form or medium is prohibited. Systematic downloading, service bureau redistribution services, printing for fee-for-service purposes and/or the making of print or electronic copies for transmission to non-Licensees or non-subscribing institutions (beyond that permitted in Section 2) are prohibited. All rights not expressly granted are reserved to Licensor.

5. Duration of Agreement

This Agreement will become effective upon receipt by Licensor of a paid subscription and the Agreement signed by an authorized agent of the Licensee, and, subject to the terms and conditions of this Agreement, will last through the end of the calendar year in which the subscription first becomes effective. This Agreement will remain in effect thereafter for successive subscription years so long as annual subscription fees are paid. Licensor will have no obligations under this License Agreement for any subscription year until it receives payment of the full subscription price.

This Agreement will terminate:

- A. Immediately, if Licensor discovers a violation of the Terms and Conditions, which, in Licensor's judgment, threatens the security of the Licensed Material or other Licensor intellectual property.
 - i. For violations of the Terms and Conditions that do not threaten the security of the Licensed Material or other Licensor intellectual property, Licensor shall grant Licensee thirty (30) days from receipt of notice of such violation to cure the violation. At the end of the thirty (30) day notice period, if Licensor determines in its sole discretion that Licensee has not taken reasonable satisfactory steps to cure the violation, Licensor may terminate this Agreement immediately.
 - ii. In the event of unauthorized use of the Licensed Materials by an Authorized User, Licensor and Licensee (whichever party discovers the violation) shall notify the other party, and cooperate to identify the User, and inform the User of the Prohibited Uses as defined in Section 4. If thirty (30) days after discovery, such unauthorized use has not been cured, Licensor may terminate this Agreement. Notwithstanding anything in the foregoing to the contrary, Licensor reserves the right to restrict access to Licensee at any time during the thirty (30) day period, if Licensor deems such a step necessary to protect the security of its Licensed Material.
- B. At the end of a subscription year, if either Licensee or Licensor chooses not to renew the subscription.

6. Archive Policy

A. Digital Preservation

Licensor is committed to the long-term preservation of Licensor's online publications. Licensor has an agreement with Portico, a third-party, to preserve Licensor's published content.

B. Post-cancellation Rights

Upon the termination of Licensee's subscription to Licensor's online journals, Licensor will provide Licensee with PDF copies of the Licensed Materials published during the year(s) in which Licensee maintained a subscription.

- i. The means of providing the Licensed Material may include, but not be limited to, delivery via portable storage device or transfer via FTP website. Licensor (or a designated third party) may charge a reasonable one-time or annual fee to recover its costs for providing continuing access following termination of a subscription or for preparing archival copies.
- ii. Licensee's use of archival material will be subject to the terms and conditions intended to maintain the security of Licensor's online journals, described in Sections 1 – 4 herein.
- iii. Access to materials published prior to Licensee's subscription term is offered only for as long as Licensee maintains a subscription. Such materials will not be included in Licensee's post-subscription archival material. Similarly, other features of Licensor's hosting platform for the Licensed Material that are available to current subscribers may not be included.

These post-cancellation rights do not apply to the Extended Backfile, whether complimentary or leased.

7. Usage Statistics

Licensor will provide the Licensee access to usage statistics for the subscribed material. Data will include the number of full-text article downloads for each subscribed title, and the data may be

accessed at any time by the Licensee. Usage data will be provided in a manner consistent with the applicable privacy laws and confidentiality requirements of both parties.

8. Copyright

Licensors' online journals and their contents, including abstracts, are copyrighted by Licensor and are subject to all applicable copyright, database protection and other rights of Licensor as copyright owner and publisher under the laws of the United States and other countries. Copyright notices in the Licensor online journals may not be removed, obscured, or modified in any way.

9. Failure of Performance

Following online access approval, the Licensee and Authorized Users will be permitted to attempt access to the Licensed Material at any time. Licensor will not be liable for any delay, downtime, transmission error, software or equipment incompatibilities, force majeure or other failure of performance. Licensor may have contracted with one or more outside agencies to provide the online service and Licensor shall seek to ensure that all services are provided by outside agencies as negotiated. Licensor will use commercially reasonable efforts to correct any material performance problem brought to its attention and may suspend performance pending such correction. Licensor's responsibility to the Licensee and Authorized Users does not extend beyond such endeavors.

10. Disclaimer of Warranties; Limitation of Liability

Licensor warrants that it is entitled to grant the licenses granted in this Agreement. THE ONLINE JOURNALS ARE PROVIDED "AS IS" AND, EXCEPT AS SET FORTH IN THE PRECEDING SENTENCE, LICENSOR MAKES NO WARRANTY OR REPRESENTATION OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO THE ONLINE JOURNALS, INCLUDING THEIR QUALITY, PERFORMANCE, COMPATIBILITY, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. LICENSOR SHALL NOT BE LIABLE FOR ANY LOSS, INJURY, CLAIM, LIABILITY OR DAMAGE OF ANY KIND RESULTING FROM THE UNAVAILABILITY OF THE ONLINE JOURNALS, LICENSOR'S PERFORMANCE OR TERMINATION OF THIS AGREEMENT, INTERRUPTION OF THE SERVICES PROVIDED HEREUNDER, OR ARISING OUT OF OR IN CONNECTION WITH LICENSEE'S USE OF THE ONLINE JOURNALS. LICENSOR SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF DAMAGES. IN NO EVENT SHALL LICENSOR'S LIABILITY EXCEED THE AMOUNT PAID TO LICENSOR BY THE LICENSEE FOR THE ONLINE JOURNAL SUBSCRIPTION FOR THE CURRENT SUBSCRIPTION YEAR IN WHICH ANY CLAIM, LOSS OR DAMAGE OCCURRED, INCLUDING WITHOUT LIMITATION DUE TO NEGLIGENCE. No claim may be made against Licensor unless suit is filed thereon within one (1) year after the event giving rise to the claim.

11. Change of Terms and Conditions.

LICENSOR RESERVES THE RIGHT TO MAKE CHANGES TO THESE TERMS AND CONDITIONS AT ANY TIME. However, Licensor must provide Licensee with at least thirty (30) days' prior written notice of any changes. If Licensee does not accept any change to the terms of the Agreement by Licensor, Licensee may notify Licensor by e-mail, fax, or letter, prior to the effective date of such changes, that the Licensee does not accept such change, in which case the current terms shall apply until the end of the Licensee's current subscription term. In the absence of any such objection by Licensee, Licensor's new terms shall apply.

12. General

This Agreement constitutes the entire agreement between the parties and supersedes any prior communication between the parties with respect to the subject matter hereof. The headings used in this Agreement are for convenience only and are not to be considered in construing the terms of this Agreement. The Licensee may not assign or transfer its rights under this Agreement. The

provisions of Sections 1, 2, 4, 6, 8, 10, and 12 hereof shall survive any expiration or termination of this Agreement. This Agreement will be governed by, and construed in accordance with, the laws of the State of New York, applicable to contracts entered into and fully performed in the State of New York. Any action arising out of, or relating to, this Agreement or any of Licensor's journals shall be brought in courts situated in the District of Columbia and the parties consent to the jurisdiction of such courts.
