## Plaguequeer

A blankqueer label made for those with more 'complicated' identities, it's made to have fluid id's in mind, for when one's identity is constantly changing. It can also be defined for people who get attached to labels, whether they identify with them or not, identities spreading like the plague.

Plaguequeer is Pro -  
Radqueer (And all Blankqueer labels)  
All Trans identites  
All Paraphillias  
Kink  
Consent
