LONDON

3 MARCH, 2023

SECOND UK IGG4-RD SYMPOSIUM

Introduction

We are delighted to invite you to the second UK IgG4-Related Disease (IgG4-RD) Symposium. Over the last 15 years we have come to increasingly recognise IgG4-RD within our clinical practices. A disease that was previously rarely diagnosed is now increasingly seen in a wide range of clinical specialities, including rheumatology, gastroenterology, renal and respiratory medicine, hepatology, and neurology.

In this one-day symposium we will be bringing together UK and international experts to inform, debate, and discuss crucial aspects in the field of IgG4-RD, including disease classification, organ-specific manifestations, diagnostic features, immunopathogenesis, present and future treatment approaches, and UK management policy. Opportunities for multidisciplinary working and future trials will be highlighted.

We hope the symposium will be of interest both to busy clinicians who may be less familiar with this 'new' disease, and researchers in the field.

ROYAL COLLEGE OF PHYSICIANS

Venue Details

Royal College of Physicians

11 St Andrew's Place,

London

NW1 4LE

Tel No: 020 3075 1200

Getting there

By bike: The RCP has bicycle stands for guests. Cycle hire docking stations are located nearby on Longford Street and Bolsover Street.

Driving: The RCP is outside the congestion charge zone. We have limited car parking spaces available for members and fellows, which are available to book in advance. On-street parking is available in Regent's Park and there is a pre-bookable car parking facility close to the venue. The RCP has free car parking for disabled visitors; to reserve a disabled bay, please phone us on +44 (0) 20 3075 1200 or +44 (0)20 3075 1363 in advance of arrival. Unfortunately, spaces cannot be guaranteed to visitors who do not book in advance.

The cost of parking at RCP is £25.

By Rail: If you are arriving by train the nearest stations to the RCP are Euston (11 mins); Marylebone (20 mins); King's Cross and St Pancras International (25 mins).

By Underground: If you are travelling to the RCP via the underground, the nearest tube stations are Regent's Park (Bakerloo line; 4mins); Great Portland Street (Circle, Metropolitan and Hammersmith & City lines; 4mins); Warren Street (Victoria and Northern lines; 8mins). Before travelling, please look at TfL's travel accessibility site for information on which stations, services, lifts and escalators are out of operation, how to navigate London's public transport with step-free access, and other relevant accessibility updates.

SPEAKERS

DR EMMA CULVER

Consultant Hepatologist and Hon Senior Lecturer
Oxford Liver Unit, John Radcliffe Hospital, Oxford

PROFESSOR GEORGE WEBSTER

Consultant Gastroenterologist and Hepatologist
University College London (UCLH)

PROFESSOR ELLIE BARNES

Professor of Hepatology and Experimental Medicine
University of Oxford

DR HELEN BUNGAY

Consultant Gastrointestinal and HPB Radiologist
Churchill Hospital, Oxford Radcliffe NHS Trust

DR MANUEL RODRIGUEZ GUSTO

Consultant Pathologist
University College London Hospitals

DR JAMES TOMLINSON

Consultant at Hammersmith Hospital
Nephrologist and Honorary Senior Clinical
Lecturer Imperial College Healthcare Trust

PROFESSOR STEPHEN PORTER

Professor of Oral Medicine
Director of UCL Eastman Dental Institute

DR NIMA GHARIDI

Medical Ophthalmologist and honorary senior clinical lecturer in Ophthalmic Medicine
Royal Liverpool Hospital

PROFESSOR RAASHID LUQMANI

Professor of Rheumatology and Consultant Rheumatologist at Nuffield Orthopaedic Centre
University of Oxford

PROFESSOR EMANUEL DELLA TORRE

Assistant Professor of Rheumatology
University Vita-Salute San Raffaele, Milan

PROFESSOR ULRICH BEUERS

Professor of Gastroenterology and Head of Hepatology
Amsterdam University Medical Centres, AMC

DR MANU NAYAR

Consultant Gastroenterologist and HPB Physician
Freeman Hospital Newcastle

DR MARIA LEANDRO

Consultant Rheumatologist at UCL Hospitals
Hon. Senior Lecturer, University College London

PROFESSOR DAVID DCRUZ

Consultant Rheumatologist
Louise Coote Lupus Unit at St Thomas' Hospital

ROSS SADLER

Consultant Clinical Scientist and Clinical Lead for
Laboratory Immunology
University of Oxford

JOE GERAGHTY

Consultant Gastroenterologist and HPB
Spire Manchester Hospital

ADRIAN BATEMAN

Consultant Histopathologist
University Hospital Southampton

ADAM BAILEY

Consultant Gastroenterologist and HPB Physician
Oxford Radcliffe NHS Trust

SIMON PHILLPOTTS

Senior Clinical Fellow Gastroenterology and HPB
University College London Hospital

Programme

0830-0900 Arrival (coffee and pastries)

0900 Welcome and Introduction

Emma Culver / George Webster

SESSION 1: Diagnosis

Chairs: Adrian Bateman, Raashid Luqmani

0915-0930 IgG4-related diagnostic & classification criteria:
Is there a difference?

Emma Culver
Hepatologist, Oxford

0930-0945 Imaging, pattern recognition and PET-CT

Dr Helen Bungay
Radiologist, Oxford

0945-1000 Histological pitfalls and small sample size

Dr Manuel Rodriguez Justo
Histopathology, UCL

1000-1015 Interpretation of biochemical and serological flags

Ross Sadler (pre-recorded with
live Q&A)
Clinical Immunologist, Oxford

Discussion/Questions 1015-1030

All

Break 1030- 1100 Coffee and Biscuits (sponsor stands and poster boards)

SESSION 2: Disease phenotypes; pitfalls and mimics

Chair: Maria Leandro, Manu Nayar

1100-1115 Dilemmas in IgG4-related HPB disease - getting it right

Dr Joe Geraghty (pre-recorded
with live Q&A)
HPB Physician, Manchester

1115-1130 Renal disease and Retroperitoneal Fibrosis

Dr James Tomlinson
Nephrology, Imperial London

1130-1145 Diagnostic challenges in IgG4-related neck disease

Prof Stephen Porter
ENT, Eastman Dental

1145-1200 Ocular manifestations and pitfalls

Dr Nima Ghadiri
Ophthalmologist, Liverpool

1200-1215 Distinguish Vasculitis: mimic or overlap?

Prof Raashid Luqmani
Rheumatologist, Oxford

Discussion and Questions 1215-1230

All

Lunch 1230-1315 (virtual posters and display boards)

SESSION 3: Disease activity and damage

Chair: Ellie Barnes, George Webster

1315-1330 Living with IgG4-RD: patient perspective	Patient
1330-1345 Biomarkers for disease activity and monitoring	Prof Emanuel Della Torre Rheum/Allergy, Milan Italy
1345-1400 Damage and measure of organ dysfunction and fibrosis	Prof Ulrich Beuers Hepatologist, Amsterdam
Discussion and Questions 1400-1415	All

SESSION 4: Therapy

Chairs: Adam Bailey, Emanuel Della Torre

1415-1430 Role of endoscopy and stents in IgG4-RD	Dr Manu Nayar HPB Physician, Newcastle
1430-1445 DMARDs to induct and maintain remission	Dr Maria Leandro Rheum, UCL
1445-1500 Rationale and experience of B cell depletion	Prof David DCruz Rheum, Guys & St Thomas
1500-1515 Clinical Trials and Novel therapies in disease	Dr Emma Culver Hepatology, Oxford
Discussion 1515-1530	All

Break Coffee and cake 1530-1600 (sponsors and display boards)

SESSION 5: Real-time Multidisciplinary IgG4 Meeting

1600-1615 Role of the UK IgG4 MDT	Dr George Webster Pancreatobiliary, UCL
1615-1715 IgG4-MDT with audience participation Cases MDT panel (Emanuel Della Torre, Ulrich Beuers, Emma Culver, Helen Bungay, Manuel Rodriguez Justo, James Tomlinson, David D'Cruz)	Dr Simon Phillpotts
1715-1730 Unmet needs: where do we go from here	Prof Ellie Barnes Hepatology, Oxford
1730 Close
