L'expérience de la subjectivité dans l'enseignement littéraire

Open Access

Le livre s'intéresse à la question de la subjectivité liée à celle de la réputation littéraire des œuvres accordée par les champs littéraires, universitaires et scolaires. Il se fonde également sur une enquête de terrain (classes de collège et d'ECG du Canton de Genève) pour analyser l'expression de la subjectivité dans l'enseignement aujourd'hui.

Space, Mirrors, Subjectivity in Angela Carter's Fiction

This book discusses the fictional works of Angela Carter, who is known for her daring, disturbing, excessive style, and her efforts to destroy every social norm. It explores Carter's attempts to criticize, resist and rewrite hierarchical gendered discourse by analyzing it from the perspectives of confining space, specular space and bodily space.

Lesekompetenz als Schlüsselqualifikation beim Verstehen

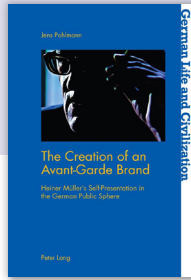

Richtig Lesen, aber wie?

Die in diesem Band zusammengestellten Aufsätze befassen sich mit verschiedenen Aspekten der Zeit. Das Ziel ist nicht, den Begriff der Zeit auf einen Nenner zu bringen, sondern zu zeigen, dass viele Formen der Zeit und durchaus verschiedene Zeitstrukturen existieren. Nicht ein universal gültiger Zeitbegriff ist das Ziel.

The Creation of an Avant-Garde Brand

Heiner Müller's Self-Presentation in the German Public Sphere

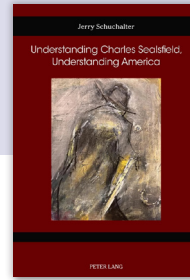

This book examines how the author Heiner Müller adopted branding strategies to present himself in the public sphere, investigating the impact that this had on his public persona. This study analyzes the self-presentation and promotion of an adversarial author who drew on the ideals of the avant-garde and the artistic critique of capitalism.

Changing Social Environments in Spain

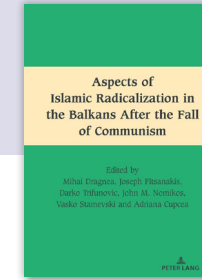

Families, New Solidarities and Hierarchical Breakdown (16th-20th Centuries)

Several theoretical proposals about social and familial change in Spain in the transition from the *Ancien Régime* to the modern age are presented. The transition from the patriarchal to the conjugal family explains continuity and change in the context of new social relations that value individual merit.

Architect Hannes Meyer and Radical Modernism

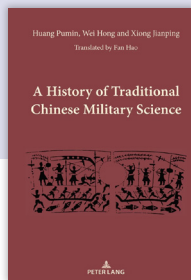

A biography

Radical modernist Hannes Meyer (1889–1954) worked as administrator and artist as well as architect and urbanist. Amidst personal setbacks and the tumult of war and totalitarianism, this individual fought for the wellbeing of the masses in a collective age. The Bauhaus director and CIAM member built the Freidorf Co-op and the UNESCO Bernau School.

Devolution of Power to Scotland, Wales and Northern Ireland: The Inner History

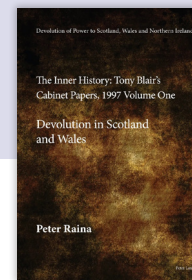

Tony Blair's Cabinet Papers, 1997
Volume Two, The Representative
Government in Northern Ireland

This is the second volume in which Peter Raina presents the Blair government's Devolution papers. Here, the focus shifts to Northern Ireland in the midst of the «Troubles» – a situation where discrimination and bigotry in a society divided by religious and national affiliations had erupted into hatred, violence and fear.

Devolution of Power to Scotland, Wales and Northern Ireland: The Inner History

Tony Blair's Cabinet Papers, 1997
Volume One, Devolution in Scotland
and Wales

In 1987 Tony Blair's New Labour won a landslide victory in the British elections. To show it meant business, the new government immediately embarked on a major legislative programme, granting devolution to the outlying «Regions» joined with England in the UK. The cabinet papers concerned with this initiative have just been released, and Peter Raina is publishing them, with brief commentaries, in two volumes. This one concerns Scotland and Wales.

Death Matters - Dead Matter

Materialität und Immaterialität des Todes im Mittelalter

Die Materialität des Todes ist ein besonders lohnendes Studienobjekt und verbindet Forschungsdiskurse, deren Austausch neue Perspektiven auf Tod und Sterben in der lateineuropäischen Vormoderne eröffnet. Dieser interdisziplinäre Sammelband geht den Möglichkeiten nach, die sich durch die intensive Erforschung eines Objekts (Grabkrone Konrads II. in Speyer) oder die Verbindung von Schriftquellen und anthropologischer Fundsituation (Philipp von Schwaben) ergeben. Er fragt nach Grabgestaltung und Grabdenkmälern, nutzt germanistische, epigraphische, mentalitätsgeschichtliche und Digital Humanities-Methodiken.

Ludwig Loewe, the Forgotten Pioneer Industrialist of Imperial Berlin

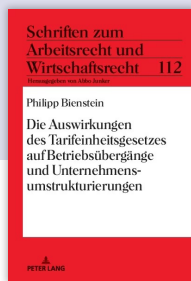

A Life (1837–1886)

Ludwig Loewe (1837–1886) laid the foundations for mass production in the German metal industry with the help of American precision machinery. Instead of making sewing machines, the German Army engaged the Loewe factory to make rifle parts which eventually led the Loewe conglomerate to become the largest small arms producer in Europe.

Anlegerleitbild und Anlegerschutz im Kapitalmarktrecht

Es besteht *de lege lata* kein allgemein anerkanntes Anlegerleitbild im deutschen und EU-Kapitalmarktrecht. Dennoch orientieren sich Rechtsprechung und Gesetzgebung am mikroökonomischen Modellbild des *homo oeconomicus*. *De lege ferenda* bedarf es eines definierten, modernen Anlegerleitbildes.

Der Widerruf der Approbation wegen Unwürdigkeit – Zur Entbehrlichkeit eines unbestimmten Rechtsbegriffs

Analysiert wird die verwaltungsrechtliche Praxis rund um den Unwürdigkeitsbegriffs und das Verständnis des Vertrauens der Patienten-in die Ärzteschaft. Hierbei wird die Intention hinter der exzessiven Interpretation des Begriffs aufgezeigt und verdeutlicht, dass es einer solchen vor der Existenz des Unzuverlässigkeitsbegriffs nicht bedarf.

Digitale Machtkonzentration von Google Search

Eine Untersuchung der Auswirkungen der 10. GWB-Novelle

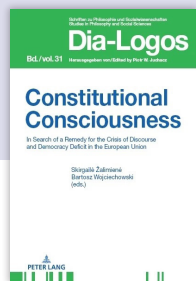

Zunächst werden die Faktoren für die marktübergreifende Machtkonzentration von Google Search herausgearbeitet. Darauf aufbauend wird ermittelt, inwiefern die neuen Regelungen der 10. GWB-Novelle zum Abbau dieser Machtkonzentrationen geeignet sind. Den Abschluss bildet ein Blick auf den Digital Markets Act, der auf EU-Ebene entwickelt wurde.

A Heritage of Her Own?

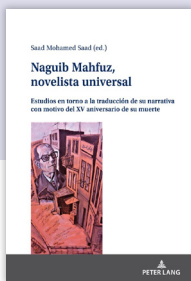

Allusion and Tradition in Female-
Authored Poetry of the Hellenistic
Age

This book presents a renewed consideration of women's poetry in ancient Greek literature by analysing the works attributed to female poets from the Hellenistic era. Initiated by Sappho, this tradition of female poetry is here explored, offering glimpses of women's education, literacy, motherhood, love, and loss.

Literaturas, mujeres y silencio

Formas de silenciamento femenino en la literatura reciente

Este tomo aborda el silenciamento femenino en la literatura reciente. Nace como un proyecto para resaltar diversas propuestas sobre estudios literarios que rescaten la voz de la mujer. El análisis con perspectiva feminista debe permitir una representación más equitativa y diversa de las experiencias humanas.

Todos los caminos conducen a Rulfo. Itinerarios del cuento mexicano desde el modernismo a El Llano en llamas

Aunque suele considerarse *El Llano en llamas* como punto de partida del cuento mexicano de la segunda mitad del siglo XX, también puede verse como la culminación de una serie de itinerarios que la cuentística del país emprendió a finales del XI.

Chronomania

Littérature et pensée du Temps au XIXe siècle

Au XIX^e siècle, les Révolutions, l'industrialisation et l'essor de la presse semblent avoir entraîné un nouveau rapport au Temps et à l'Histoire. Un fantasme chronique traverse alors l'art, la peinture, la photographie et le cinéma : l'obsession d'une perte, d'un danger, d'un ennemi qui ronge les jours.

Estereotipos y pragmática intercultural en la pantalla

El humor como estrategia de aprendizaje y mediación

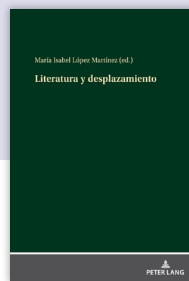

La industria audiovisual refleja los conflictos interculturales que la globalización conlleva. La comedia ofrece una mirada positiva y puede servir como ejemplo de tolerancia y mediación, así como recurso para la adquisición de competencia pragmática intercultural.

Tecnologías de la traducción en el ámbito de las migraciones

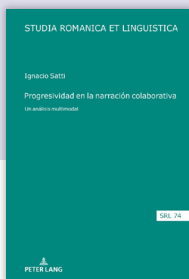

Las necesidades multilingües de las ONG que trabajan en el ámbito de las migraciones parecen haber caído en el olvido en lo que respecta a la tecnología de la traducción. Esta monografía surge con el objetivo de cubrir este vacío mediante una aproximación rigurosa a la tecnología de la traducción aplicada al ámbito de la migración.

Progresividad en la narración colaborativa

Un análisis multimodal

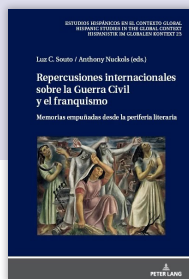

El trabajo utiliza el Análisis de la Conversación. Los resultados muestran la progresividad en diferentes niveles de la narración colaborativa y revelan que la participación en esta actividad trasciende las nociones tradicionales de hablante y oyente. El estudio explora la interrelación entre recursos verbales y no verbales en la conversación.
