

Corporate Philosophy

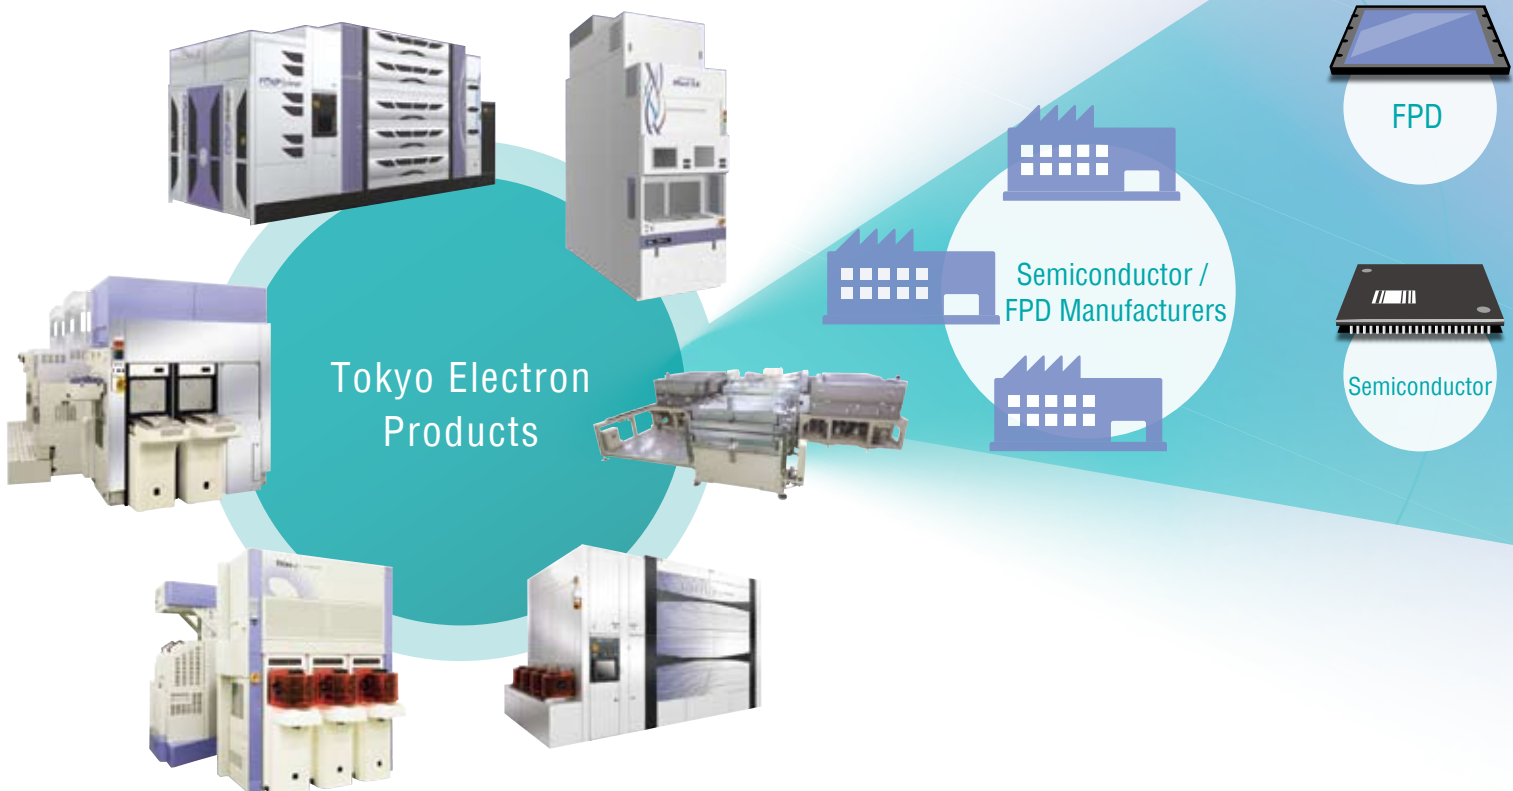

- ▶ Provide high-value products and services around the world that help people to lead healthy and enriched lives.
- ▶ Demonstrate consistent leadership as a world class company by creating hope for the future and addressing environmental problems.
- ▶ Share a sense of mission with all TEL employees, and become an energetic, dynamic and creative company.

Tokyo Electron – A Part of Your Everyday Life

Tokyo Electron (TEL) technologies help resolve environmental issues through improving performance and reducing energy usage of products made by our customers.

Semiconductor and FPD¹ products manufactured by our customers are inside a wide range of electronics products that you come into contact with every day.

Editorial Policy

This report is intended to explain the TEL Group's stance on corporate social responsibility and report on our initiatives concerning the global environment and society. The fiscal 2011 report features an expanded highlights section which covers the TEL Group's global operations, earthquake relief assistance, and the New Miyagi Plant as well as a new layout that makes it easier to understand the Group's environmental and social activities.

It is our hope that this report will serve to strengthen communication between the TEL Group and all its stakeholders, and we hope to make use of such communication in our future activities. We welcome your frank feedback and impressions of this report using the questionnaire form provided.

The results of the TEL Group's environmental accounting for fiscal 2011 are available (in Japanese) on our website:

 <http://www.tel.co.jp/environment/ehsreport.htm>

Scope of Report

Tokyo Electron Group
 (Tokyo Electron and subsidiary/affiliated companies in Japan and overseas)

Period Covered

Fiscal 2011 (April 1, 2010 – March 31, 2011). However, some information for fiscal 2012 has also been included.

Topics Covered

Areas related to the environment, society, and the economy

Guidelines referred to in preparing this report

- Environmental Reporting Guidelines (Fiscal 2007 version) issued by Japan's Ministry of the Environment
- 2006 Sustainability Reporting Guidelines published by the Global Reporting Initiative (GRI)

Challenge

We accept the challenge of going beyond what others are doing in pursuing our goal of becoming number one globally.

Ownership

We will keep ownership in mind as we think things through, and engage in thorough implementation in order to achieve our goals.

Teamwork

We respect each other's individuality and place a high priority on teamwork.

Awareness

We must have awareness of and accept responsibility for our behavior as respectful members of society.
